Excerpt:

Carol could feel his girth and his dick is big and thick, just like he said. (At least he's telling the truth) Carol said, "I think I hit the jack pot!" Joe said, "I think I did too." Carol whispers in his ear, "Where can we make this happen?"

Joe says, "I have the keys to a friend's apartment – he's out of town and it's only about 2 miles from here." Carol said, "Perfect! Let's go."

Please allow me to brag about our new book. It's all about the cuckold lifestyle. It full explains exactly how to begin and how to avoid all the mistakes. A couples's guide to cuckolding. [Cuckold Lifestyle](#)

Hi, I'm Mandy Lane, the author.

You busted me! I admit I love writing erotic stories. The best thing is; nearly all of the erotic stories are true. I'm a hotwife in my personal and private life and I know other women who live private erotic lives.

I mostly meet other women and couples of like-minds at private swinger parties. We meet hotwives, cuckold couples and many others. My girl friends of (like-minds) meet for lunch or happy hour at our favorite little pub. They often reveal to me their dirty and very naughty experiences. We have a great time trading stories.

Nearly all my girlfriends are married. Some of the women are rich and they cheat on their rich husbands. Some have cuck hubbys and some are hotwives. We are all "Cockhounds!" We laugh about our addiction to cock. The Dirty Filthy Cheating Wife I'll be revealing in this book is named "Carol". She loves to fuck ... I think It's because she's very multi-orgasmic!

Carol loves to fuck strange men. She hides her big cock fetish from her husband. They are probably unfaithful to each other and they probably know it, but it's not discussed.

I meet with Carol at least once or twice a week for lunch or coffee. She loves to reveal her current one night stands with me and I admit I enjoy hearing her erotic stories.

I fuck other men too, but I do not hide it from my husband. We always have fun together.

I like Carol, she's a kind hearted woman and loves her family. She just happens to have a big cock fetish that can give her several intense orgasms. (actually I do too!) Her husband evidently has a small penis, so, Carol treats herself with a big cock as often as possible.

Carol does not work and has lots of time on her hands. She's very selective. Carol dos not fuck a man ever day or every week. She only fucks clean professional men and they must have a big dick. Sometimes she finds well hung men on [adult websites](#).

She has shoulder length hair. Sometimes, she is a brunette and sometimes she's blonde with frosted highlights. She almost always wears high heels. She doesn't wear too much make-up because she is naturally pretty. She eats right, runs and works out at home. She likes to stay in shape. Carol says it pays huge dividends when you're seeking COCK.

She makes sure she looks desirable at all times. She is always seeking cock.

Carol has given me permission to tell her stories and I hope you enjoy! Inside are also a few photos for your viewing pleasure.

I Met Him Running in the Park – Carol fucked him on a picnic table!

[Story Eleven](#)

I Met Him at the Drug Store – Carol fucked her first BBC!

Story One

Carol often visits a local Irish pub. The small pub is decorated with lots of dark wood, a couple of bars and plenty of private booths.

Carol usually sits in one of the small private booths, but she can see almost anyone who walks in and wherever they sit, they can see her as well. Carol sometimes gets lucky. This bar is sometimes good for finding big cocks. Plus the booth is near the restroom. Nearly, every man in the bar will eventually have to visit the restroom.

Carol usually drinks dry vodka martinis with an olive. Carol, almost always dresses very classy, but sexy. She's about 5'4", 130 lbs, full rounded breasts and is attractive with a great smile. She has a soft outgoing personality. She's never loud or obnoxious.

Carol is usually not very aggressive – she allows the man to take the lead, however, once she knows he's available and is interested, then she will let him know that she is available and ready. She is not shy, but is not aggressive in public. She turns into an animal in private.

Carol notices a man who might fit her needs.

She catches him looking her – she smiles and uncrosses her legs slowly adjusting her skirt. He nods and smiles back her. He's sitting at the bar. He's about 6' and dressed in slacks and sport jacket – about 40ish.

Carol slides out from her booth - she knows he will watch. Carol slowly opens her legs and allows him to see she is not wearing panties. She stands up and walks to the restroom.

As luck would have it, when she comes out she runs right into him. Carol says, "Nice bumping into you." (smile)

He said, "Nice bumping into you as well." They share a giggle.

Carol returns to her booth. He walks out of the restroom and walks to her booth and introduces himself.

Hi, I'm Joe and holds out his hand. Carol takes his hand and says, "I'm Carol, very nice to meet you – would you like to sit down with me?"

Joe said, "Yes, I would and thanks for inviting me." Carol is trying to see an outline of his cock without being obvious.

The waitress came by and they both ordered. Carol had another Martini.

Carol and Joe exchanged small talk for about 10 minutes, such as; Do you come here often? The weather and a few likes and dislikes.

Carol is feeling safe, which is important. Joe is an Engineer and is married. Carol admits she's married as well. He has not harsh words about his wife. They have something in common. Joe admitted he's not loyal to his wife and Carol admitted that she is not either.

Carol takes a sip of her Martini and says, "My husband has a tiny dick". Joe already had a mouth full of his drink and almost spits it out. Carol said, "Well, I didn't expect you to say that ... my wife says my dick is too big." Carol said, "Well, that's a good thing as far as I'm concerned."

Joe moves closer to Carol in the booth. She lays her hand on his leg and says, "I like you closer to me." Joe looks into Carol's eyes and lays her hand on his crotch. Carol takes the hint and begins to massage his cock.

Joe says, "Feels good." His cock begins to swell.

Carol could feel his girth and his dick is big and thick, just like he said. (At least he's telling the truth)

Carol said, "I think I hit the jack pot!"

Joe said, "I think I did too."

Carol whispers in his ear, "Where can we make this happen?"

Joe says, "I have the keys to a friend's apartment – he's out of town and it's only about 2 miles from here."

Carol said, "Perfect! Let's go."

They pay their bill and leave the small Irish Pub. Carol follows him to the apartment and they walk upstairs. Joe has his arm around Carol.

They walk into the small apartment. The place was clean, sparsely furnished, but it did have a big king size bed and that is important.

Joe started unbuttoning his shirt. Carol stands across the room, kicks off her high heels and undresses. She slides off her panties and walks naked over to Joe. His shirt is off and his shoes and socks are off, but he still has his pants on.

She guides him to the bed. Carol sits on the edge of the bed. She pulls down his pants and then his purple boxers. His big cock is already standing at attention.

Joe, then sits up on the edge of bed and Carol drops to her knees and quickly has Joe's big dick in her mouth. Carol sucks his cock while sliding her mouth and hands up and down. She massages his big balls.

Carol says, "I bet you have a big hot load for me."

Joe said, "Oh yeah, I'll give you a big load."

Carol giggled and said, "I hope so, just make sure it's in my mouth."

Joe said, "Oh you like to swallow, huh?"

Carol said, "You bet I do, every last drop."

Carol stands up. Joe moves into the center of the bed. Carol lays next to Joe, kissing his mouth and stroking his gorgeous big cock. Joe feels her wet pussy and knows she really to be fucked.

Joe opens Carol's legs – she's shaved and he goes down for a taste. Carol moans as Joe suckles her clit and Carol orgasms quickly. Carol said, "Joe give me your big dick, I want it now." Joe mounts her – squeezes his big thick cock inside. Carol groans with pleasure.

Joe says, "My god you're tight."

She said, "You're so fucking big, I love it." Joe pushes his cock all the way inside – his balls are laying on her ass. Carol said, "Oh geeze, it's soooo good, fuck me Joe, fuck me!" Joe bangs her pussy over and over. He has loads of stamina.

Carol says, "Oh my god, you're a great fuck, don't stop, I'm about to cum." Joe fucks and fucks and Carol screams, "I'm CUMMING!" Her legs are wide open, then she gripped his waste with her legs. Carol's body is quivering. Joe slows down and allows her to recover.

Joe's cock is rock hard. Carol said, "Fuck me Joe, give me your hot cum." Joe fucked her feverishly until he was about to cum. Joe rushes up to give his load to Carol – she leans up to suck his cock.

Joe says, "Here you go baby!" Carol sucks while stroking his cock. Joe let's out a big groan, "Ugghhhhh!" Carol keeps sucking.

She sucks every drop from Joe's big dick. She licks the tip of his cock.

Joe said, "Damn, that was good, baby."

Carol said, "It was all good, I loved it, you're a great lover Joe." Joe said, "Thanks, I haven't heard that in a long time." Carol said, "I'm sorry, but it's true."

They lay in each other's arms for about 15 minutes. Carol scoots off the bed and walks over to her clothes.

Joe says, "Carol, you have a great ass."

Carol says, "thanks, that's good to hear."

Joe puts on his clothes as well. They walked downstairs to their cars. They hugged and said their good-byes.

THE END

Story Two

Carol is walking inside a large shopping mall. She's looking for a new dress to wear at a special event next month. She goes from shop to shop, but can't seem to find the right dress. She's wearing casual clothes – tight leggings and boots. The leggings show off her great ass.

Carol walks into one of the dress shops. She was the only person inside and it was about 5pm – closing time. She said to the manager, "Are you about to close?" He said, "Yes, I will lock the door and you can let me know when you're ready to leave – shop as long as you wish."

Carol said, "Thanks, I appreciate it."

Carol is trying on a few dresses – the manager asks, is there something I can help you with? He is young, about 30 years old, good shape and polite. He's standing next to Carol. He was wearing tight pants and she could see the outline of his cock.

Carol is thinking, "If it's a big as it appears, then it will be huge on the outside."

Carol is not wearing panties. She allows the door to be cracked while she's inside dressing. There is a mirror inside and she could see him sneaking a peak, which is exactly what she wanted.

Carol took a chance and stepped out – naked from the waist down. He was standing just outside the door. She asked him to hand her the dress that was hanging on the rack.

She stood there almost naked and he walked over and handed her the dress. Carol said, "Thanks, I hope you don't mind a naked woman in your shop."

He said, "Are you kidding me, not at all."

Carol was talking to him from inside the dressing room. She said, "My name is Carol."

He said, "Hi, I'm John". Carol said, "John do you have a girlfriend?" He said, "Nope, we broke up a month ago."

Carol said, "Oh, sorry to hear that."

John said, "Are you married?"

Carol said, "Ask no questions and you get no lies." (giggle)

John said, "Oh, I see." Carol comes out again almost naked and says, "so what do you think?"

John says, "I think you're gorgeous."

Carol said, "I think you are too." She moves closer. John moves closer. Carol puts her arms around his neck and kisses his mouth. John kisses her back. Carol reaches down and feels his big dick.

John is looking out the window. Carol says, “are you afraid of getting caught?”

John said, “Well, I’ve never done this before.”

Carol said, “Well, first time for everything – can you keep this experience private?”

John said, “Oh heck yeah.”

Carol said, “then get those pants off and lets fuck.”

John takes off his clothes and his big dick just flops down. Carol is in shock because it’s bigger than she could imagine. She drops to her knees and sucks his dick – first sucks the big head- she could barely get it her mouth...then it grew fast.

John had at least 9” and low hanging big balls. Carol said to herself, “What a gorgeous cock!” She sucks and strokes it while feeling his massive balls.

There is a dressing stool inside the dressing room. Just big enough for Carol to lean over. She guides John into the dressing room and leans over the stool. Carol says, my pussy is wet and ready for you John. John inserts first the head. Carol says, “hmmm...that’s good.”

He pops just the head in and out a few times, then he plunges his big cock inside. Carol moans with pleasure....”Oh my god that’s good, fuck me John”. John slam fucks her for about 10 solid minutes – enough to make Carol cum good.

Carol turns around and sits on the stool. John’s cock is rock hard. She sucks and sucks, stroking it over and over. She’s says, “Cum in my mouth John, I love it.” That comment alone made John hot.

He took her head in his hands and started gently fucking Carol’s mouth. “Ugghhh.....John cums a big load.” Carol keeps sucking slurping up all the cum. John said, “that was great – damn what a day this has been.”

Carol said, “Yep, you never know what a new day will bring.”
(giggle)

Carol puts on her clothes and heads for the door. John pulls out his keys and unlocks the door.

John joking said “Come back and see us.”

Carol said, “Thank you so much for the great service.” (giggle)

The End

Story Three

Carol is invited to a Neighborhood Barbeque. It was a neighborhood meet and greet. It was a summer evening and she had on a white backless dress.

She had a great tan too. It was an open bar and there was a bartender. She had her usually Martini with one olive. Most of the people there were couples, a few single men and a few single women.

It's been awhile and Carol is super horny for a big cock, however, she didn't expect to find a man at the garden party. Carol is floating around – there must be 50-60 people there. Carol was talking with acquaintances and few strangers – just light chit chat.

There was a large barbeque station and they were cooking hamburgers and hotdogs. People were lined up getting their portions. Carol did not eat, just a few pieces of watermelon. She was happy with her Martini.

Carol walked inside the house to use the bathroom. On the way inside, she met a gentleman. They were waiting in line together. He said he was a dentist and was new to the area. He is starting a new practice.

Carol thought he was a handsome man and he appeared to be very polite and gracious.

Carol noticed his wedding ring. She said, so, are you here with your wife? He said, no, I'm freshly divorced – no violins please. They both laugh.

Carol introduces herself. "I'm Carol." The dentist says, "I'm Greg." It's nice to meet you.

Carol said, "the pleasure will be all mine, I'm sure." (giggle)

Greg went inside the bathroom but the door popped opened. It was just enough Carol could get a gander at his cock. Carol said to herself, "Damn!!!" Greg came out and Carol went inside the restroom.

Greg was waiting for her when she came out. He said, "I hope you don't think I'm stalking you – it's just that I know very few people."

Carol said, "No worries, you're in great company, because I don't know many people either."

Carol said, "I have an idea – we'll stand here and act important and as if you and I have known each other for years." (giggle)

Carol and Greg exchange chit chat, then Carol decides to get serious. Carol wants his big cock – she's thinking how can I get a taste of that big dick and still be a lady?

Greg leaned over to get a napkin from the bar and when he did he brushed his cock against Carol. This was Carol's big chance. Carol said, "Is that a big stick in your pocket or are you glad to see me?"

Greg was bold enough to say, "Both my darlin." They both laughed. Carol said, "I like big sticks."

Greg said, "Do you know?"

Carol said, "Yep! Me and big sticks get along very well."

Greg laughed and said, "Well, my big stick is always looking for somewhere to play."

Carol said, "Well, I think you found it."

Greg said, "Well, that's good to know." They are not looking at each other, they are having the entire conversation looking straight ahead.

Carol said, "Follow me Mr. Big Stick." Greg follows Carol into the house. It is practically empty, everyone is out on the patio. She walks down a hall and opens a couple of doors – looking for somewhere they can fuck in private.

Finally, she opens a door and the large closet is almost empty – all it has is an old chair. Carol pulls Greg inside. Carol asks, "Is this good for you?"

Greg says, "Hell yeah!" They close the door behind them. Carol sits in the old chair and unbuckles Greg's pants and pulls his pants and boxers down together. Greg's big dick flops out. It is long and thick.

Carol engulfs as much of his cock as she can. His cock grows fast and becomes rock hard. Greg said "Damn, you're good." Carol sucks and strokes his big dick.

Greg grabs her by the back of the head and moves his cock in and out of her mouth. She stands up and sits Greg down on the chair. She straddles the chair and eases her pussy down on his big cock.

Carol says, "Damn you're big!" Greg moves with her as Carol rocks and grinds his big dick.

Greg said, "Oh baby slow down, you're going to make me cum too fast."

Carol moves up and down several times and has a very wet orgasm...she says "I'm cumming...ewwwww." Carol's body quivers during her intense orgasm.

Greg says, "I can't hold back, I'm going to cum." Carol quickly gets off and grips his cock and starts stroking...with her mouth waiting for the cum.

Suddenly Greg's cock explodes. Carol's mouth opens wide for his big cock head and she began to suck and drink his cum. Greg did not expect this and it was extremely intense. He said, "Wow..that was

fucking incredible.” Carol said, “Good because I love to please.” They relaxed for a few minutes.

Greg slid on his pants and boxers and Carol straightens her clothes. Carol opened the closet door to see if anyone was near. They both walked out as if nothing happened.

THE END

Story Four

Carol was sitting in a restaurant. It was just an average restaurant – not too extravagant. She had an appointment with her accountant. He called and said he was sorry, but he would not be able to make it. Carol didn't mind, it was just an excuse to get out of the house.

Carol was sitting in the corner of the restaurant near a large bay window. She ordered soup and salad. She went to the restroom and it was nice. The stalls went from the ceiling to the floor and there were four.

Carol returned to her table. Her phone rang and the man said, "Hey lady want to fuck?"

Carol wasn't going to pass that up...she said, "Well, yes, I do! Who is this?"

The guy said, "Mam, I'm so sorry, I dialed the wrong number." Carol said, "Wait don't hang up – let's play – got some good cock pics?"

He said, "Well, I most certainly do – check this out."

Carol was surprised and didn't expect this...he had a gorgeous big dick." Carol text back a pic of her ass and said not bad for 45, huh? The guy said, "Nope...you have a great ass – let's hook up."

She said, "I'm at Jupiter's Nest on Grand Ave."

He said, "I know exactly where it is – I can be there in 15 minutes."

Carol said, "text me a face shot, so I will know who you are." He said, "You got it."

She said, "by the way, "I'm Carol."

He said, "By the way, I'm Nick the Dick".

She said, "Great, see you soon Nick the Dick."

Nick arrive on time. Carol waved at him. He walked over and took Carol's hand and kissed it.

He said, "Hi, I'm Nick the Dick."

Carol giggled and said, "I'm Carol, nice to meet you." Nick sat down in the booth.

Nick was not a bashful man, he was about 35 years old and was a bit unkempt, but handsome in his own way.

Nick said, "I'm in sales and I love to meet people."

Carol said, "Yes, I can tell." Well, I hope I wasn't too forward – I kind of go with the flow.

Carol said, "Well, you sound like my kind of man." (giggle)

Nick said, "So, are we going to my place or yours?"

Carol said, "Neither." I want you to fuck me in the restroom. Are you up for it?"

Nick said, "Wow, never done that before."

Carol said, "I've already scoped it out – follow me."

They get up and walk to the women's restroom.

Carol says, "Hold on...let me see who is in here." She peeks out and says, "Come on in!" They rush to the back stall and step in side. Carol locks the latch.

Carol sits on the commode. Nick is standing in front of her. He's wearing gym pants. She slides down his pants and he's already hard. He is huge! Carol says, "Wow, you were not lying!" She takes his cock in her mouth slowly sucks.

She wants to enjoy his cock.

He secretes precum and she licks it off the tip of his dick. He has a large mushroom head. She feels his balls and they are shaved smooth. She lifts up his cock and licks and suckles his balls. His cock is rock hard. Carol says, "I think this guy is ready to fuck."

Carol is wearing a skirt. She unzips it and slides off her panties. She stands and bends over the commode so Nick could have easy access to her pussy. She spread her legs. Nick moves into position.

He hold his dick and puts it right at the entrance of her pussy. He presses and it pops inside. Carol, "Oh god that feels good!" He kept pressing and finally his entire cock is inside. Carol, "Damn, you have a big dick."

Nick says, "Yep, that's what they say."

Carol is letting out soft moans. Nick fucks her slowly and could feel Carol's wet pussy.

Carol says "'Faster Nick – I like to feel my pussy stretch." Nick plunged his cock inside – in and out – in and out- in and out. He's slamming her pussy good.

Carol says, "'God, I'm cuming, I'm cuming...it's soo fucking good!" Nick keeps fucking her.

Nicks says, I'm coming too! He pulls it out and strokes out a load of cum on Carol's ass. She loves it.

Carol's body is still quivering from her orgasm. Nick, being the gentleman he is, takes tissue paper and wipes of her ass and his cock.

Carol stands up and puts her panties on and her skirt.

Carol walks out first and checks to see if the coast is clear. One lady was inside but just left. She motioned for Nick to come out of the stall. They both walk out of the restroom and back to the table.

Nick said, "Well, hate to fuck and run, but I have an appointment in 20 minutes and I'll barely make it."

Carol whispered in his ear, "Thanks for the cock, Nick the Dick." They both laughed. Nick left with a smile on his face.

Carol was smiling too. THE END

Story Five

Carol often attends Church. Somehow church and Carol's lifestyle doesn't seem to go together, but who are we to judge, right? Carol says she enjoys the music and I have to admit she is very spiritual. She does believe in God. I believe God created sex for a reason and it wasn't just for reproduction purposes. He wants us to have sexual pleasure as long as we can as long as it is with consenting adults. This is my opinion.

Carol is sitting near the front row, in church – it's her favorite place to sit and listen to the music and the sermon. The music is great.

She's sitting next to a casually dressed man. The minister asked everyone to stand up and meet the person next to them. Carol stood up to her right and the man said, "Hi, I'm Rob." Carol said, "I'm Carol, nice to meet you."

He said, "I'm a hugger are you?" Carol said, "Absolutely" and she moved close and hugged him. Carol thought – Oh my god, I could feel his cock against me.

Rob said, "I don't come to church too often, but I'm glad I did today."

Carol said, "I understand, I come when the mood strikes."

Rob said, "Well, my wife and I are separated and I'm sort of going through some rough times."

Carol said, "Oh, I'm sorry."

Rob said, "Well, it's actually a god-sin, we are not meant to be together."

Carol said, "I understand, it is what is is – life goes on. I'm sure you'll find a woman to make you happy."

Rob said, "Would you like to have coffee with me after the sermon?"

Carol said, "Yes, I would like that."

The church services came to an end and Rob and Carol walked to the church coffee shop. They sit next to the window. There were gobs of people in the lobby area, however, they were able to have a private conversation.

Rob asked, "So, I see you're married." Looks down at her wedding ring. Carol never takes it off.

Carol said, "Yeah, I'm married and I have three grown children." Rob says, "I'm glad you have a great marriage."

Carol says, "Well, my husband and I have never had a serious argument in twenty five years, however, he is seldom home. He travels a lot."

Rob replied, "Oh that's too bad."

Carol said, "It's probably why we get along so well." (giggle)

Rob said, "Yeah, I'm not too sure I would be able to stay away from a woman like you, after all you're in great shape."

Carol said, "Well, thank you, my husband and I do not discuss our extra curricular activities, if you know what I mean."

Rob said, "I think I understand, you sort of have an open marriage?"

Carol said, "I guess that's what you call it." (giggle)

Rob said, "Well, whatever works, you know?"

Carol said, "Believe me, It works very well, so, what do you do for a living?"

Rob said, "I'm a Contractor. I build custom homes. I travel too, but just out to small towns. I own a custom van, I spend a lot of time in it – to save on Motel expenses."

Carol said, "That's a good idea – would love to see it sometime."

Rob said, "Well, I'd be glad to show it to you right now, if you like?"

Carol said, "Yea, I would like that."

Carol and Rob walked out to the parking lot. Rob parked his van on the other side of the parking lot.

Rob opened the doors to allow Carol to peek inside the cab.

Carol asked, "So, where is your bed."

Rob said, "Oh walk around here." He opened the panel door and there lays an almost full bed. The inside was clean and neat with pillows and sheets.

Carol said, "The bed looks so comfy."

Rob said, "Yes it is very comfortable, Care to lay down?"

Carol said, "I'd love to try it out."

Carol climbed inside. Rob climbed inside with her while closing the panel door. Carol thought laid down and thought now what?

Rob laid next to Carol – laying on his side, supporting himself on his elbow. Carol was laying flat. Carol said, "Wow, this is very comfortable – I could start to like this." (giggle)

Rob said, "I hope I'm not too forward, but I'm very attracted to you." Carol said, "Thank you Rob, I think you're a handsome man." Rob asked if he could kiss her. Carol didn't answer she just leaned up and kissed Rob and slipped her tongue inside his mouth.

Rob kissed her back and they slowly French kissed each other – sucking each other's tongues and lips. Carol was thinking – this is so erotic and he is such a great kisser. She is hoping to get his cock soon.

Rob is just an inch from Carol's face. He said, "What should we do now?"

Carol said, "Well, what do you want to do?" Rob said, "At the risk of sounding desperate, I'd sure like to hmmm." Carol said, "Don't be shy just because we're in a church parking lot. Just say it that you want to fuck."

Rob said, "Ok, I'd like to fuck you right now."

Carol said, "Now, don't you feel better. (giggle) I want to fuck you too! THERE we both said it."

Carol said, "God only knows I'm fucking horny!" She leans up and takes off her blouse and slides her skirt off and removes her bra. Rob removes his clothes as well. The van is plenty large enough to move around. Carol is still not sure, but is hoping Rob has a nice big cock.

They are both naked now and laying side by side. It is actually very romantic, unlike many of Carol's other sexepades. She feels very close to Rob. He seems to be a very good man.

Carol is tasting Rob's lips with her tongue. She reaches down to feel the goods and she was totally shocked at what she found. Rob was not only hung but very HUNG.

His cock was hard and very thick. His crotch is well manicured and his balls are big but tight. Rob finds his way to Carol's spot as well and inserts his middle finger.

Carol is wet – very wet. He gently massages her pussy. Carol does not expect this, but he brings his finger up to taste her. He sucks the juice off his finger. This act turns Carol on!

Carol scoots down so she can suck his big dick. She suckles his dick while slowly stroking. She massages his balls. Carol is big on massaging balls. Rob said, "Darlin, be careful, it's been awhile I might cum too quick."

Carol said, "I don't mind I love to swallow cum."

Carol keeps sucking his cock – Rob suddenly explodes in Carol's mouth – she keeps stroking. Carol said, "Yum, that was good."

Rob said, "I'm sorry Carol, give me a few minutes and Mr. Happy will certainly get up again."

Carol said, "No worries, I'm glad you came. This means I will get a longer fuck session before Mr. Happy comes again." (giggle)

They lay in the van, told a few stories. They laughed and got acquainted. Carol is holding Rob's cock in her hands. She feels it start to grow. She pets and gently strokes his cock. She said, "I think Mr. Happy is almost ready for action, what do you think?"

Rob said, "I think so too!" Rob is hard.

Rob moved up and mounted Carol – he spread her legs, rubbed the head of his cock on her clit and on the lips of her pussy...he barely inserts his big head inside.

Carol said, “oh my god, that is so good Rob. I love your big cock.” Rob’s cock is throbbing and wants Carol’s pussy. She heaves her hips up. That was Rob’s clue to give her his cock. He thrust his cock inside. Carol groaned with pleasure – “Oh, fuck me, fuck me now.”

Rob fucks her slowly, then faster. He’s giving Carol’s pussy all his cock. His balls are laying on her ass on every stroke.

Carol says, “I love to feel your balls against my ass!”

Carol’s words excite Rob even more.

He fucks Carol like crazy....Carol says, “Oh my god, you’re making me CUM, rob? I love your big dick.” Carol cums big and her body shakes.

Rob slows down and Carol recovers from her amazing orgasm. Carol said, “OK, it’s my turn, I want top.” Rob thought, she is the most exciting woman, I’ve ever met. Carol gets on top and reaches for his cock. Robs cock is hard and ready for more.

She inserts Mr. Happy and slowly sits down – totally engulfing and burying his cock inside. She moves back and forth so she could massage her pussy with his cock – Carol knows how to move to make herself cum on top. She fucks his cock faster when she finds the spots. Rob is totally turned on by Carol and her sexuality.

Carol fucks Rob’s big cock faster and faster – “OH my god, I’m cumming!” She lays her head against his and Rob fucks her good while she’s cumming.

Carol whispers, “Oh my god that was fucking incredible. Rob is about to cum – Carol moves down to take his load in her mouth. She quickly strokes and he’s staring to cum.

She jams his big cock inside her mouth – Mr. Happy gives Carol a mouth full a cum. She swallows with delight. Her lips and chin are wet with cum. She wipes off the cum with her fingers.

She looks at Rob and licks her fingers clean. She said, “I want every drop of your cum I can get.” (giggle) Rob and Carol cuddle each other in silence. Both are totally satisfied.

Soon, they decide to put their clothes on. Rob said, “I enjoyed you very much.”

Carol replied with a smile. ”Ditto.” They hugged and said their good byes.

The End

Story Six

Carol has a gentle blonde Labrador retriever. She walks her daily.

One day she got “Blondie”, her dog ready for her walk. Carol lives next to a wooded area. Nobody hardly goes into the woods except for teenagers who use the privacy of woods to drink a can or beer or smoke a joint, but that’s usually only late evenings.

It was about 6pm (the sun was setting) on a Sunday early evening. Carol and “Blondie” rounded a corner and met another Labrador retriever and a man.

He is a handsome man about mid 40s. They surprised each other as they rounded the corner. Both dogs were on leashes. The dogs smelled each other to get acquainted and seemed to get along well. Carol said, “Hi, I’m Carol and this is Blondie.”

He said, “I’m Brad and this is Banger.” I call him banger because he always trying to bang the babes. Carol giggled.

Carol said, “Well, it appears he is well equipped to do a lot of banging!”

Brad replied, “Yeah, he takes after his master.”

Carol wasn’t going to let that pass. “Oh yeah, that’s good to know.”

Brad was somewhat aggressive but not obnoxious. He said, “So, I see you’re married.”

Carol said, “Yeah, I am when he is at home.”

Brad said, “Oh I see, one of those, huh?”

Carol said, “Yep – I get lonely and horny.”

Brad is taking the hint. “I know how you feel – I stay horny, my wife will seldom give me any.”

Carol replied, “Well, we should two horny consenting adults do about our dilemma?”

Brad said, “You tell me.”

Carol said, “Well, I’m attracted to you. Are you attracted to me?”

Brad said, “Are you kidding? You’re the sexiest neighbor on the block.”

Carol said, “I don’t want to fuck at my house and your house is probably off limits.”

Brad replied, “How about fucking in nature.”

Carol said, “You mean in the woods?”

He said, “Yeah, why not? It will be fun.”

Carol said, “Well, I’m not going to turn down a good fucking.”

Brad said, “Great, my kind of woman.” Carol (giggled) and they headed into the woods.

They walked about a 1/2 mile into the wood, it was just enough light to see. Brad is looking for a private location. They decide on a great place to fuck. There was a big log about 6 feet long and a nice flat dry area. They removed their clothes.

Carol looked at Brad's cock and said, "Wow, you weren't kidding. You're huge! Nice cock Brad."

He said, "you're pretty yummy looking yourself."

Carol said, "I feel like Adam and Eve."

Brad said, "Yep, and you're about to get the big snake."

Carol said, "God, I hope so!" They both laughed.

They stand facing each other, both totally naked in nature. Brad grabs Carol around the waste and kisses her passionately. Carol loves passionate kisses with lots of tongue. Brad is a great kisser.

Carol reaches down to feel his big thick pole. Brad says, "Careful, it might bite." Carol giggled, she likes his sense of humor.

Brad is hard. Brad spreads out his heavy shirt on the log and planted Carol down on it. She sat while Brad stood in front of her. She sucked his big dick, hoping to get some precum. She loves the taste of cum.

She strokes his big dick. Brad says, "Damn, you can sure suck a dick." Carol says, "Yes, I love cock."

Brad lays down (length ways) on the log. It was perfect. Carol straddles the log and lowers her wet pussy down on his cock. Carol hasn't fucked in awhile, so, she eases herself down on his powerful big dick.

Carol moans, "Damn, you're so fucking big." Brad says, "too big?"

Carol replied, "Oh hell no, I love a big cock, I just have to get used to it."

She slowly moves up and down. Her pussy is flooding with juices. She moves faster – grinding his big cock all over her favorite spots. He pushes his cock up and they slowly move in unison. It's driving Carol wild.

She's about to cum. "Oh fuck I'm cumming!"

Brad quickly fucks her pussy. Carol's body is shaking from the massive orgasm. Brad slows down his strokes and Carol finally recovers. She's out of breath. Carol said, "Damn that was a good fuck."

Brad said, "We're not done yet, babe." They stand up and Carol lays over the log. Brad's heavy shirt is there and it is quite comfortable.

Her ass is up and ready for another fucking. Brad's cock is massive and rock hard. He squats and inserts his cock inside her wet hole. Carol is letting out soft moans. She's enjoying his big cock and being fucking in nature is exciting.

Brad softly fucks Carol from behind. Brad says, “God, you have a great ass. Just looking at it makes me want to cum.” Carol whimpers, “Please fuck me Brad...I want to cum again!”

That excited Brad and it motivates him to fuck her good. He slam fucks Carol. Her pussy is wet and stretched from his big cock.

Carol is moaning and loving every stroke his big dick gives her. Suddenly Carol let’s out a major moan. “Ewww, I’m cumming again, don’t stop fucking me!”

Brad aims to please – he keeps fucking and he could feel Carol’s body shake with a big orgasm – her pussy tightened and it was fucking incredible.

He’s about to cum. He pulls out and Carol quickly turns around. She takes his cock into her mouth and strokes his cock fast. Brad unleashes a massive amount of cum into Carol’s mouth.

She swallows each pulsating squirt. She keeps sucking until his cock starts to go limp.

She looks up with cum on her lips. She takes her tongue and licks the cum off. Brad leans down and kisses her and says, “damn, you’re good.”

Carol said, “thank you and I enjoyed your gorgeous cock.”

They sat down naked on the log and enjoyed the evening sky and the trees. Carol said, “”This is one fucking evening to remember, right?”

Brad said, “You got that right, it was great.”

They put their clothes on and untied the dogs from a nearby tree. They walked the dogs back to their neighborhood.

Carol said, “It was great meeting you Brad.” They both laughed.

The End

Story Seven

Carol is sitting at a well known coffee shop. She's on her laptop. She posts her profile on a private [adult website](#). She says, "Dangle a hook and you never know what you will catch!" She does not pull any punches in her ad. She spells out exactly what she wants so there is no surprises.

Here is the ad:

I'm a mature woman (45). I'm married and not seeking long term dating.

My picture shows I'm in good shape and I expect you to be as well. I enjoy big thick cocks. I'm easy going and sexually exciting. I enjoy a long lasting fuck and I love to swallow. I'm selective. I only fuck gentleman. Your polite and gracious personality will go a long ways. Let's get acquainted.

Carol is very upfront about what she wants.

One day, she checked her messages and whaloo! She caught one! She checked his profile and it was exactly what she likes. His appearance is neat and clean.

He included several pics with him holding his cock – so you can see it is him and the cock belongs to him. This is one thing Carol looks for. He says his name is Frank.

The man is handsome. About 8" and super thick with a large mushroom head. The thickness is just a little less than a coke can! It's huge.

Carol says she loves to feel the stretch! I guess most women do. A big dick massages all the areas of her pussy. I have to agree with Carol.

Anyway, Carol writes the man back. She said in the message - "Hi Frank, I must say, we could be a good match. Let's find out. I'm available to meet most anytime – Carol"

Frank writes back. I'm available to meet tomorrow about 2pm. How about you? She writes back -that will work for me. They set up a meeting place at 2pm.

Frank is early and sits at a table. Carol walks in, he notices her immediately. He motions for her. Carol smiles and walks to the table. Frank stands up and kisses her on the cheek. He says, "I'm Frank, nice to meet you." Carol smiles and says, "I'm "Carol."

Frank is casually dressed in jeans and a nice shirt. Carol is wearing her leggings. It shows off her great ass. Frank says, "I have to admit, you have a great looking ass."

Carol said, "Thanks."

Carol glances down at his crotch. She could tell he lays his cock to the left. Carol is very attracted to him and he's such a gentleman. It's a big turn on. Gentlemen are usually the best lovers. They want to please.

Frank quickly got to the point and said, "You should know that I'm married."

Carol said in a very low sultry voice, "Good, so am I, now that we got that out of the way . . . wanna fuck?"

Frank smiled and said, "I like you."

They stood up from the table and walked out of the coffee shop and into the parking lot. He said, "Follow me down the street."

Frank lived in a nice house – his wife was out town on business. They parked in the back of the house. They walked in through the kitchen door.

Carol was horny – she already saw his cock in his profile and had been hot for it every since. She want his big dick. Frank is also hot for Carol.

Carol wastes no time. She standing in the kitchen and removes her leggings and her top. Kicks of her tennis shoes. Franks removes his clothes as well.

Carol gets a good view of his cock. She immediately starts to get wet. Frank moves close to her and they embrace. He softly kisses her neck. She reaches down to hold his massive dick. "She whispers, "your dick is so thick."

He said, "Yeah, I hope you enjoy it."

She goes down on her knees and he's the perfect height for cock sucking. He is uncircumcised. She folds back the foreskin and it reveals a massive mushroom cock head.

She tries to put it in her mouth – but he is too big and she can only suck on the sides. Carol strokes thick log. She's thinking – what a gorgeous cock. His balls were low hanging and shaved smooth. She massages his balls while she stroked his cock.

This is the biggest cock she's ever seen and played with. She is curious if her pussy could handle it.

She asked, "Have women had a difficult time with your size?"

Frank said, "Some do and some don't - My wife does not like my cock and will seldom fuck me because of the size – she says it hurts her."

Carol reaches for her purse. She always carries coconut oil as moisturizer. Today she is going to lubricate his cock with it. She pours it on his cock. He sits down on a kitchen chair. She straddles Frank and the chair. This way she can control the insertion.

Carol slowly places his cock head at the entrance of her pussy. She slowly inserts his oiled down cock head. She eases down ever so slowly allowing her pussy to stretch to his size. She is determined to fuck Franks gorgeous cock.

Franks says softly, "Oh that feels good Carol, it's been a long time." Carol eases all the way down and takes his entire cock. She moves slowly. She grinds her clit against his pelvic. She could feel the terrific stretch and likes it. She is now able to move up and down.

His massive cock is filling up her pussy and the grinding motion is causing Carol to orgasm. "hmmmmm, I'm cumming! Oh my god you're a good fuck! My body is quivering from such an intense orgasm – can you feel me?"

Frank says, "Oh yeah, I'm so glad you're enjoy this babe." Carol said "Oh Frank, it was incredible – I have another idea."

Frank is so polite and she could tell he is a good man.

Carol said, "Frank, come over here. I'm going to bend over on this counter chair. It has no back. Come fuck me from behind."

Carol bends over exposing her incredible ass. She reaches around and spreads her cheeks, so Frank can squeeze his freaky massive cock inside.

He saturates his cock with coconut oil again and slowly squeezes his big mushroom head inside and slowly enters her pussy. Carol groans and gasps – it's so fucking big, but I love it Frank!" Frank gives Carol's pussy soft gentle strokes and slowly speeds up.

Carol is loving his big dick and says, "Fuck me, Frank." He fucks Carol faster and faster. Carol's pussy has fully adjusted and is enjoying every stroke of his huge dick. She is having mini-orgasms one after another.

Carol softly screams...."Oh Frank I'm cumming big again." She moves her as from side to side and her body shakes and quivers. She is panting from her major orgasm. Frank is about to cum too and pulls out.

Carol drops to her knees. "Give me your sweet cum, Frank." She strokes his cock over and over...finally he spills his load into her mouth. "Ugggghhhh!!!! Fuck that was good!"

She reaches under and massages his balls. Frank, "Ugggghhhh." He lays his hands on her head. She sucks the tip of his cock trying not to spill his cum – she wants every drop. She keeps sucking until she can feel his cock get soft.

Frank, "Damn, that was the best ever, Carol."

Carol says, "Ditto, I love your big cock!"

She stands up and gives Frank a kiss on his mouth. She said, "Frank, I'm so glad to meet you. You're a good man." Carol slid on her leggings and her top. She sat down and Frank put on her tennis shoes for her. Carol said, "You're such a sweet man, Frank."

Carol left the house with a smile.

The End

Story Eight

Carol is making a quick deposit at the Bank. She has a small problem and asks for the Bank manager. He is a handsome man in his late 40s with sexy dark hair. He asked me to come into his office.

We entered his office and he shut the door behind him. He sat at his desk and we discussed my issue. He said, "No worries, I can correct that easily."

Carol said, "I bet you can correct most anything." She giggled.

She stood to view his computer and noticed on his computer, that he had been watching porn before she came into his office. Carol said, "hmmm...been watching anything interesting on your computer? She also noticed his belt was not quite fastened, which probably means he was jerking off.

He said, "Well, I won't lie to you, if you can keep a secret." She said, "what's your big secret?" He said, "I'm guilty, I was watching some good porn." Carol is not going to pass that remark up.

She said, "I love good porn, especially if there is a big cock involved."

The bank manager is sitting behind his desk and reaches into his pants and pulls out his cock. He said, "walk around and you tell me if this is big enough?"

She said, "Damn!" It was not a long cock but it was a THICK too. She liked it. Carol said, "Is that door locked?"

He said, "Yes, I locked it when you came in."

Carol said, "Good because you need to cum."

He said, "Yes, I do." Carol removed her panties, she climbed up on his chair and lowered her wet pussy down on his extra thick meat.

She gasped ..."Fuck your big!" He said, "Yeah, you like it?"

He starts heaving his cock in and out of Carol's tight pussy. Carol said, "My god yes, I love it – fuck me, fuck me good." She moves her pussy up and down. She fucks his big cock faster and faster. "Oh....I'm cumming all over your big dick."

He says, "Good because I'm about to give you a big load."

Carol says, "I want it in my mouth." She gets off and gets on her knees. She quickly strokes his cock.

He heaves up "Ugggghh....and she grabs his big thick head in her mouth- he floods her mouth with hot cum. He cums huge loads.

She strokes and swallows each load. His thick cock was pulsating in her hands. She said, "Wow...you had one big load...you needed to cum bad."

He said, "Oh my god, baby, you made my day!"

Carol said, “Well, let’s just say, we made each other’s day.”
Carol put on her high heels and smiled – then she walked out of his office.

The End

Story Nine

Carol was invited to a Birthday Party at a local restaurant/pub. There were about 30 people in the room. They reserved a special room with several large tables for the party. There was two guitar players and it was quite a festive party.

Carol had fun and was dancing with everyone. She had a couple of Martinis and was feeling no pain. Carol seldom gets drunk, but she was feeling good.

She got to know the fun musicians and when they were on break, she had a good time laughing and dancing with them. Even though they were younger, they seem to be very attracted to Carol.

The party ended about 10 pm and most of the people were leaving. The guitar players were putting up their guitars and equipment. Carol wasn't ready to stop partying. This is a rarity for her. She's usually not a party girl.

She asks the musicians, Ted and Mark, where they were going from here. They said, well, there is a place we like to go to listen to other musicians ...want to meet us there? Carol said, "Hell yes, I want to go."

They said, "Great, it's just down the street ...met us there."

Carol meets the Ted and Mark. The all sat at the same table together. Carol orders the first round of drinks for everyone. The drinks arrive and Carol raises her glass to theirs and says, "Cheers!" They are all tapping their feet to the music. A great live combo.

Carol takes turns dancing with her newly found friends. She even slow dances with Ted – she could feel his cock when they danced. Carol hasn't been fucked in weeks, so barely feeling his cock was a hot turn on for her.

When Ted pressed his cock on her – she pressed back to let him know, she can feel it and like it. At least that's her intent.

Ted is taking her clues well. Carol whispers in Ted's ear, "I'm a little tipsy, but I'm enjoying you and Mark a lot."

Ted said, "We are happy you came with us, Carol."

Carol said, "I hope you don't think bad of me, but I'm super horny right now."

Ted said, "I understand, Mark and I were talking about you earlier. You have become a fantasy to us." (smiling)

Carol said, "Really?" Well, you're older and you're super sexy. You know what they say about older women...right?" Carol said, "Well, I'm sure in most cases, it's probably true."

Carol said, "May I ask you a silly question – just between you and me?"

Ted said, "Sure, Carol." Do you and Mark have a private place?

Ted said, "Yes, we are roommates – we live about three blocks from here."

Carol said, "Oh my god, this so not like me, but what do you think about the three of us going there now." Ted is going with the flow. He said, "Let me talk to Mark."

Carol walks to the bar and orders a glass of water. She's feeling good but is not drunk. Ted and Mark come over to the bar.

Mark said, "Carol, Ted and I are going to take care of you tonight. OK? Trust us, we will not let you down."

Mark is about 34 and Ted is about 30 or so. Very handsome me. Carol feels good about them and they leave the pub for the apartment. Carol is hoping the place is clean. They arrive at the apartment complex.

All three walk into the apartment and much to her surprise, the place was organized and very clean. She said, "Well, you guys get 4 stars for cleanliness." They all laughed.

Ted turns on some music. Mark puts the equipment in the closet, then heads into the kitchen to fix a few drinks.

Mark says, "Here Carol....a vodka tonic for you and a beer for Ted." Carol is dressed in a short black skirt and is dancing in the living room. Her moves are so sexy. Ted is already aroused.

Carol said, "Do you guys work out, you're both in such great shape."

Mark said, "Yeah, we work out at the gym about 3 times a week."

Carol said, "Well, I think you need to remove some of those clothes and show it off – whoops, is that too naughty sounding?" (giggle) I want to see your bodies.

Ted again, just going with the flow. He pulls off his shirt to reveal his chest, shoulders and abs. Carol leans down and kisses his stomach. Mark removes his shirt and his pants. Ted removes his pants as well.

Carol is standing in front of both men. They are standing in their boxers and she is super horny. She moves close and each hand feels their cocks.

She massages each cock until they grow in her hands. She stands looking each of them in the eyes. She softly says, "I can feel you're cocks getting hard."

Ted and Mark do not move. Carol is thinking What are the odds that both men would have nice size dicks? Ted's cock was very thick and Mark was big too.

Carol said, "Don't move." She slowly kneeled down. She pulled Ted's boxers down to his knees. His hard dick sprung into action. She pulled Mark's boxers down and his hard cock was incredible.

She took Ted's cock into her mouth while she stroked Mark's cock. She also sucked Mark's cock while she stroked Ted's dick. Both men were in heaven. They were quiet and enjoying the sucking and stroking. Carol was getting hot sucking their meat. She reached inside her pussy for some pussy juice. She reached up and let Ted suck the pussy juice off her fingers. This was their signal that she was ready to fuck.

Carol stood up and removed her skirt, her blouse and her panties. She walked over to the couch. Ted said, "Carol you have an incredible butt."

She said, "Thanks, but I'm sure you say that to all the ladies." (giggle) Ted said, "No, contrary to public belief, we do not get much action - you are a delicious treat for us."

Mark said, "That no kidding."

She sat down with her legs open. Carol said, "I want you guys to relax and just take turns fucking me. I'm so fucking horny!"

Mark dove between her legs and sucked her clit and pussy. Ted was feeding Carol his cock.

He is slowly moving his cock in and out of her mouth. Carol took his cock out for a second. "Oh don't stop Mark, that feels so fucking good."

Mark is good at licking pussy. "Oh my god, I'm cumming Mark." She lets out little small muffled screams – while her mouth is filled with Ted's cock.

Mark wants her pussy. He brings Carol's ass to the edge of the couch. He is on his knees and is able to perfectly insert his thick cock in Carol's pussy. Carol moans...."Oh fuck, that feels good....fuck me Mark, fuck me!" Ted is still enjoying Carol's mouth.

Mark is long lasting. He fucks Carol for about 15 minutes. Carol has several small intense orgasms.

Mark pulls out. Carol gets on all her hands and knees and puts her hands on the back of the couch for support. Her ass is the perfect fucking position. Ted comes around and plunges his cock inside Carol.

She gasped big, "HMMMMM that's good babe. He fucks her like a mad man. Ted is like a machine. He pumps her full of cock.

He is banging her and Carol softly screams."Oh my god, I'm cumming...it's so fucking good – keep fucking me!"

Ted keeps fucking and fucking Carol's tight pussy.

Finally, Ted pulls out. Mark takes his place. He feverishly fucks her – slapping her ass with his body.

His big thick cock is giving her pussy a good stretch. Carol said, "oh...I like men who can share – Damn, love to fuck!" Mark is excited

and says, I'm about to cum. She turns around and quickly takes his cock into her mouth and drinks his load.

She said to Ted, "Please fuck me. I want to feel your cock inside and I want to cum again." Ted's cock is rock hard. She lifts her ass and Ted enters and fucks her silly.

She knows he's about to cum too...she turns around and strokes his cock until he spills his cum into her mouth. She licks her lips. Carol said, "Damn you guys had some sweet cum for me – I loved every drop."

Mark said, "You are, without a doubt, the sexiest woman I know.

Ted said, "I'll have to agree with Mark."

Carol replied, "Oh you guys make an older woman feel so good and wanted. You're both sweet hearts."

Carol had an exciting evening with Mark and Ted. They were gentleman and they took care of her.

They talked, listened to music, relaxed and had another round of drinks. Carol fell asleep on the couch. The men placed a pillow under her head covered her with a blanket. Ted kissed her on the forehead.

Carol woke up early before the men. She left a note that said.

*Thanks for taking care of me guys! I had a great time.
XOXO - Carol*

She creped out of the apartment and drove home.

THE END

Story Ten

It was an early Wednesday morning. It was a great jogging morning for Carol. Not too many joggers on the nature trail and she can take her time or run as fast as she wants. She's wearing her shorts, t-shirt and tennis shoes.

She drives to the trail and before she begins, she does her usual stretches. Carol is not a fanatical jogger – she jogs about three times a week. She sure isn't a daily jogger, however, there are many who are.

Carol discovered, as a jogger, she should be able to talk while jogging without being out of breath. So, she sings or talks to herself. She begins her journey of only three miles.

She jogs down the trail about one mile. She slows down to a fast walk. There is a man sitting on top of a picnic table right behind a big tree.

He smiled and she said, "Hi, beautiful day, huh?" He replied, "Not as beautiful as you." She stopped and turned around. She said, "Do you always contradict people." (giggle)

He replied, "Just telling the truth."

She said, "That's the right answer."

He said, "Good, because I like to be right."

She walks towards him. She likes what she hears.

She walks over, extends her right hand. "Hi, I'm Carol." He said, "Great name, I'm Tom".

Carol replied, "Nice and easy name."

Tom said, "Be careful there could be a serial rapist out here?"

Carol said, "Oh, I am not that lucky." (giggle)

Tom said, "Yeah, I get it, you're like me, it's tough to rape the willing, huh?" Carol laughed.

Carol was having a tough time looking at Tom in in the eyes, because she could clear see his big dick laying in his tight jogging shorts. She's hoping she's not being obvious when she stares at his crotch. It sure looks yummy.

Tom said, "I like the early morning hours during the week, not many joggers are out. I almost brought my dog to keep me company. I'm glad you showed up Carol."

She replied, "I'm glad you're here as well – I love meeting new attractive people." (smile)

Carol said, "Do you mind if I hop up on the table and sit down."

Tom said, “Nope, be my guest – I’d be honored to share the royal table with you.” Carol said, “I like how you think – you appear to have all the right answers.” (giggle)

Tom said, “I’m now considered a professional bum.” Carol said, “You do not appear to be a bum to me.” He said, “Well, I’m officially unemployed and my wife hasn’t spoke to me in weeks – my life is sort of upside down right now.”

Carol patted his leg and said, “Oh Tom, nothing is ever as bad as it seems. It’s only temporary.”

Tom said, “I like how you think – you appear to have the right answers.” They both laughed.

Carol said, “My married life is perfect. My husband travels and is seldom home. He calls about twice a week to remind me that I’m married.” (giggle) So, my sex life is only what I make of it.

Tom said, “Yes, I know what you mean. I’ve been spending several hours per week watching porn with my right hand.”

Carol smiled, “Yes, sounds very similar to my sex life.”

Carol looks at Tom and gazes into his eyes. Tom does not look away. She parts her lips. Tom gazes down to her mouth and leans in.

Carol leans towards his mouth and they kiss passionately. Carol slides her tongue inside his mouth – his tongue is there to meet hers.

They slowly kiss and suck tongues. Carol nibbles on his lips. Tom lays her hand on his cock that is fully aroused. His cock is stretching down his leg. She massages his cock and feels his firmness. His cock is big and thick.

Carol says, “Do you mind if I suck your wife’s cock?”

Tom says, “Hell no, she doesn’t use it much anyway.”

Carol moves down and sits down on the bench of the picnic table. She tugs at his shorts. Tom helps her slide his shorts down and off.

His cock is gorgeous and is big, thick and standing to attention right in front of Carol’s mouth. Carol can’t wait to suck his incredible thick piece of meat.

She grips his pole and slides her hand up and down while massaging his balls which were hanging off the edge of the table. It was the perfect and comfortable situation for sucking cock. She takes her time and enjoys his cock.

She inserts his big head into her willing mouth. She sucks and slurps his cock like an expert cock sucker – which she is. Tom said, “Oh my god you’re good.”

She doesn’t say a word – she is focused on stroking and sucking his cock. She even sucks one ball, then licks and sucks the other one.

Carol is horny and hot – she’s wet and needs his cock inside her pussy. She looks up at Tom and said, “Tom, I want you to fuck me.” Tom remained silent. He hopped off the table and took Carol’s hand and stood her up. He slid down her short-shorts. Carol simply got on her knees on the bench of the picnic table and she is supporting herself with her arms on the table top.

Tom said, “Damn, Carol. You have a great ass.” She pushes her ass up. Tom takes the hint and feels her wet pussy – he massages her clit.

Carol said, “Oh...that feels good Tom. Give me your big dick.” Tom holds his cock and pushes his big dick about 2 inches inside her pussy. Carol gasps big. “Oh my god you’re thick.” Tom kept pushing and finally he’s always inside. He fucks Carol slowly.

Carol reaches under and massages his balls while he’s fucking her. Tom picks up speed – he’s hot, cock is rock hard and Carol’s ass is really turning him on.

Carol moves her ass from side to side and pushes her ass into his body. Carol can feel his cock stretching her pussy and it’s incredible. “Oh my god, I’m cumming, Tom.” Her pussy is tightening and Tom fucks her faster. She is quivering and her body is shaking.

Tom said, “I’m about to cum too, babe..where do you want it?” Carol quickly moves down to the picnic table bench – his cock was about to explode.

\She gripped his big dick and engulfed his cock with her mouth and she sucked – stroking his cock and massaging his balls. “Tom – Uggghhhhh!!!! He explodes a load of cum in Carol’s mouth.

She keeps sucking and stroking. There is so much cum she can’t swallow fast enough – cum is dripping down down her chin. She looks up and wipes the cum off with her finger and sucks it clean.

Tom smiled. “Fuck, that was good, Carol.” She said, “thank you, you were incredible as well – you’re a great fuck Tom and I enjoyed your big dick.”

She stood up and slid on her shorts. Tom slid on his shorts as well.

They sit down and relaxed for a few minutes. Carol said, “I’m glad I got up this morning. My day is already better and you were able to forget your problems.” (smile) Tom said, “You’re a wonderful woman, Carol.... Thanks.”

-The End

Story Eleven

Carol is in the pharmacy picking up a prescription for her daughter. It is just another day and hadn't expected any surprises. She is casually dressed but showing off all her best assets, as usual. Her incredible ass is hard to ignore. It attracts lots of attention, especially when she wears leggings.

It's a nice fall day and the sun is shining. She's about to leave the pharmacy when she accidentally dropped her small bag. A tall black man in a lab coat bent down to pick it up. He smiled and handed her the bag. "Carol said, "Well, thank you, that was nice of you." He had a great smile.

He said, "It was my pleasure."

She said, "Do you work in the pharmacy?"

He said, "Yes, I do. What was your first clue? (smile) I'm new here."

She said, "Are you new to the pharmacy or new to this city?"

He said, "Both." She said, "Are you about to leave the store?" He said, "Yes, I'm off work and headed out."

She said, "OK, well, if you'd like a guided tour of the city, I'd love to show you around sometime." He smiled and said, "I'm Jason."

She replied, "I'm Carol." Here . . . plug in my phone number 555-9055. Text me sometime. OK? Carol smiles and walks away.

Jason is watching her ass as she walks away.

Carol, never, in a million years, thought he would accept her invitation. He is a very attractive black man, but never thought about fucking a black man. It wasn't that she did not fantasize about it, she just never had an opportunity.

It wasn't 20 minutes and Jason text messages Carol. His message said. "I have know where to go but home and I can't get you out of my mind. I would love to take you up on your guided tour, if you're not busy."

Carol texts him back. "You're in luck – meet me at Tony's Pub on Royal and Neptune. It's easy to find.

Jason texts back. "Great, I know where it is. I pass by there on the way home. See you there."

Carol is sitting in a booth at Toby's Pub in about 10 minutes. She's a little nervous and orders her usual vodka Martini. Jason is about 6'4" and will not be hard to spot. It was happy hour. Not too many black people hang out in this bar.

Jason walks in. She sees him instantly. She waves from the booth. He spots her and smiles. She stands up and he gives her a short brief

hug. Carol said, “Well, I didn’t expect your text so soon, but this is great. I had no plans.”

Jason replied, “Well, there is something about you – I just couldn’t get out of my mind.”

Carol said, “Oh yeah, and what would that be?”

He said, “I don’t know, I hate to be so flirtatious when I barely know you.”

Carol said, “Oh, go for it!”

Jason said, “Well, Ok, here it goes. You have an incredible ASS.”

She said, “Oh, thanks Jason and you’re a handsome man.” Jason smiles.

Jason orders a scotch from the waitress.

Carol said, “So, is it true what they say about black men.”

Jason said, “You mean that they make good pharmacists?”

Carol giggled. “No, you know what I mean.”

Jason said, “I have no idea – but I’ve played sports and have been in the locker room with lots of men and I’m usually the biggest.”

Carol said, “Oh my god, it really is true?”

Jason replied, “Again, I don’t know – just what I’ve observed.”

Carol’s mind is racing with thoughts of fucking his big blackcock.

Carol boldly said, “Jason, I must tell you the truth, I’ve never fucked a black man, but I’ve thought about it many times.” (smile)

Jason said, “Well, I will not disappoint you – if we head in that direction.” Carol said, “Jason, I like you. You’re very polite and you’re without expectations.”

Jason said, “I’ve learned to want everything but never expect anything – that way I’m never too disappointed.”

Carol replied. “Wow, that’s a great philosophy.” The booth is Carol’s favorite place to get acquainted. Sometimes she can play under the table.

Carol said, “Jason, scoot closer to me.” He scoots closer and puts his right arm around her. Carol said, “This is more like it.” She puts her hand on his right leg. She lucks out, because his cock is just laying right there. It must be huge.

She looks at him and smiles. Carol said, “Do you mind if I pet him?”

Jason said, “Of course not...what is mine is yours for now.” Carol giggles.

Carol slowly pets his growing monster cock. It’s growing past her hand. She grips his cock through his pants. She says. “Oh my god, you’re huge!”

Jason replied, “Yeah, that’s what they say.”

She said, "How big is it?" He said, "I don't know really, never measured it." She said, "I bet it's 9 or 10 inches long!"

Carol said, "Well, one way to make sure – we must test drive this monster cock sometime – are you up for it?" She looks at him. Jason said, "Well, I only live about 3 miles from here."

Carol said, "I'm ready – let's go."

They scoot out of the booth and pay their check.

Carol follows Jason to his condo. He lives in a nice condo complex. They park and walk across a grassy lawn – well manicured and past the pool area. He lived on the bottom floor.

She walks in and the apartment is immaculate – well furnished and very clean. She wasn't surprised. It was about 7pm. The sun was starting to set. Jason said, "Carol, all I have is a bottle of red wine – would you like a glass?"

Carol said, "Yes, that would be great."

Jason hands Carol her glass of wine and walks over to his entertainment center and turns on some soft jazz music. Carol says, "I love that kind of music." They sit close on the couch and sip their wine. Carol says, "I'm so relaxed with you." She puts her feet up on the coffee table. Jason said, "I feel good about you too Carol." He places his feet up on the coffee table too.

Carol says, "There is something you should know. I'm married." Jason said, "Yeah, I know, I saw the wedding ring." They did not discuss the subject anymore.

Carol finishes her wine. She stands up and says, "I need to use your bathroom, Jason." He said, "Ok."

Five minutes later, Jason looks up and Carol is standing at the doorway leading into the bedroom. She's wearing nothing but a white towel wrapped around her. Jason smiles and walks over to her – she takes his hand and guides him inside.

Jason slides out of his shoes. Carol unbuckles his pants. Jason takes his shirt off. Carol slides down his boxer shorts. Jason's cock hangs down about 6" and very thick. He has an athletic strong body. Carol strokes his long monster cock. She says, "Wow, exactly as advertised." (giggle) Jason smiles.

Carol keeps stroking his cock. Jason leans down to kiss Carol she accepts his mouth and thick tongue. She sucks his tongue. Jason's cock grows more and more. Carol said, "Oh my good – it is huge." She reaches under his cock and massages his massive black balls.

Carol said, "I'm not sure I can take all of it."

Jason said, "No worries, just take what you want." She giggles. Carol heads for the bed. She's so wet for his big black cock. She lays

flat on the bed, spreads her legs and holds them open with her arms. Her pussy is twitching and wants him.

Jason mounts and plays with her clit and pussy with just the head of his big cock. Carol leans up and looks down at his massive big cock. She said, "I'm ready, Jason – I want your big dick."

Jason inserts slowly – gives her about 5" or so. Carol moans, "oh...you're so fucking thick, I can feel your cock so good." He gives another three or four inches. Carol said, "hmmmmm.....it feels so fucking good, Jason."

Jason can feel that he is about to hit rock bottom – any more and she may feel discomfort. He fucks her gently, then speeds up gradually. Carol's wet pussy is loving his girth and the length.

Carol whimpers "I love how you Fuck – it is so gentle and I'm about to cum big."

Jason replied in her ear, "Come for me baby."

Carol gently screams. "ewwwwww....moaning ...I'm cumming and squeezes his cock with her pussy. She tightens her legs around his waste. Carol said out of breath. "Geez that was so fucking good." Jason said, "Let's see if you can take me on your hands and knees." Carol is quick to respond. She rolls over and pushes her ass up to meet Jason's big cock.

Jason inserts his cock head inside her pussy. She moves her ass from side to side. "Jason said, "You have an awesome ass."

Jason pushes his cock inside Carol. He said, "You just took my entire cock, baby."

Carol said, "Really? Wow...it feels fucking good too." Jason fucks Carol's pussy at a nice pace – just in and out. He gives her all his cock each time. Carol says, "Damn, I love your big dick and you fuck me so soft and good."

Jason keeps fucking her and an even pace, his big balls are swinging and slap her clit on every stroke. Carol says, "oh, I'm cuming again, Jason." Jason does not stop – he keeps his steady pace of fucking her pussy.

Carol lays her head on the bed"Oh my god it's so fucking good...I've never been fucked so good."

Jason said, "I'm about to blow, baby."

Carol turns around ...sits up and holds Jason's big dick ...she opens wide and just puts the cock head in her mouth – Jason squirts a huge load of cum in her mouth. She strokes his monster cock until he releases every drop. She looks up at Jason and smiles.

His monster cock hangs down.

Jason flops down on the bed next to Carol. He says, "That was the best sex I think I've ever had, Carol."

She said, "It was great and I must admit – I enjoyed your big cock more than I thought."

They relax and take a short nap. Carol gets up and walks to the bathroom and returns with her clothes on. Jason is still laying in bed with pillows behind him.

His big cock is laying between his legs. Carol walks over - sits on the edge of the bed. She pets his big long thick black cock. She says. "God....he's beautiful."

She stands up – blows a kiss to Jason. He starts to get up, she says, no, don't get up. (smiles)

She walks to her car with a big smile on her face.

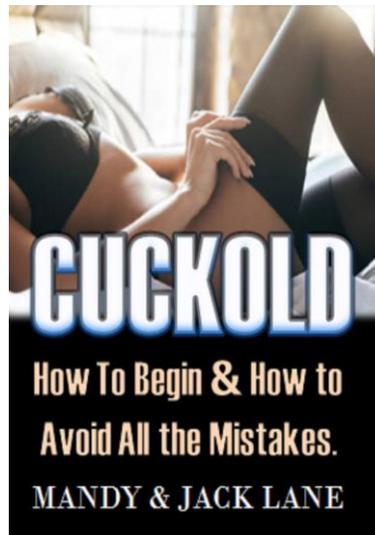

THE END

Conclusion:

Hi, this is Mandy.

I hope you enjoyed these TRUE stories. I will be adding more stories as time goes on. Carol is always fucking big cocks and loves to tell me all the exciting details.

Her's our new book again, let me introduce my new book called "[The Cuckold Lifestyle](#)". A Couples Guide.

Again, this is where we go to find quality well hung bulls. [visit this website](#) – Lots of ideas on how to find others of like minds. For your viewing pleasure.

If you enjoy Carol's adventure, the please leave us a positive review. I'd appreciated it. Thanks.

THANKS AGAIN.
