Personal Message

Introduction

Hi, I'm an author of erotic stories and my husband's name is Jack. We never thought in a million years we would explore our fantasies, however, now that we have, we love it.

If you're a person of like-minds, then it will be fun to share, not only my fantasies, but my sexy real life experiences. First of all, I'm a normal every day woman and a stay at home mom. My husband and I keep our sex life private. What I mean it's not a topic we readily share with those who are not of like-minds. We feel our sex life is our own private issue.

Today, my husband and I are closer than ever before due to exploring our fantasies with others. Our own sex life even improved dramatically. I look at it like this; we live the sex life that many couples only fantasize about and I'm very grateful.

I hope after reading my stories that you will start fulfilling your own fantasies and enjoy sex to the max! I know we do!

I love fucking other handsome well hung men and my husband enjoys watching and sometimes participates. It might seem strange to some people, but it works for us. We're not swingers. My husband has no desire for other women. However, I get the best of both worlds because I have the deep emotional love for my husband and his love for me is out of this world. The bonus is, I get to have sex with a variety of men. My first story reveals how we began in this private lifestyle.

I also provide a special link to help you meet others of like minds.

I hope you enjoy my stories!

Story One

My first True 'Cuckold' Hotwife Experience

There is one thing we never discussed during our marriage and I don't know why. I guess life just got in the way. The subject of our fantasies never came up ... until one evening.

One evening my husband ask me. Do you have any fantasies? I was almost embarrassed to answer. I said, "What do you mean by fantasies?"

Jack said, "Well, you know that I still enjoy jerking off on occasion and I know you still masturbate when I'm not around – what do you think about when you're masturbating?"

I paused and said, "Not much, just being fucked really good - that's about it." Jack asked, "Have you ever fantasized about fucking other men or maybe two men at once?"

I said, "Well, yes, I've had many sexy thoughts about it, but I would never act on it."

Jack said, "Why? What if I want you to?" He walked over and picked up his lap top and brought it to the bed.

We laid back and placed the laptop between us. Jack started a porn video. A man was about to fuck this woman, but it appeared her husband is sitting in a chair and simply watching. The woman unzipped the man's pants and his large cock fell out.

He had a huge mushroom head. Jack said, "Now, that's a piece of meat."

I said, "Oh my god he is huge.

Jack asked me, "Doe his cock make you hot?" I said, "That's enough to make any woman hot."

The woman in the video began sucking the man's cock. The other man was simply watching, who was her husband. The porn actress stroked and sucked the man's big cock.

The woman appeared to be extremely excited to suck such a large cock – he has big balls too and she was massaging them at the same time.

I said to Jack, “he has big balls – I bet he cums a big load.” All of a sudden, the man quickly pulled his cock from her mouth. He stood her up and pulled down her panties – all the time she had a grip on his massive rod.

He laid her on the bed – and began to mount her. Jack said, “Wow, he’s going to fuck the shit out of her.” I said, “God, I hope so.” Her pussy was fully stretched when he slowly entered. The man fully entered his massive cock – his balls were laying on her ass.

His big cock was making me hot.

Jack said to me, “Damn, I wish it was you getting fucked.” I didn’t expect that comment. The man’s dick in the porn video was much larger than Jack’s cock. I thought he might get jealous.

I said, “Well, this is all fantasy, right?”

Jack said, “Fantasies can come true, you know?”

I said, what are you saying to me, Jack? Jack said, “I love you and I want you to experience whatever fantasy you have – besides I have fantasies of you being fucked by a a man with huge cock just like the one you’re watching.” I said, “You’re kidding me, right? Are you saying you WANT me to fuck another man? Jack said, “Yes, especially if he has a big cock.” I said, “Don’t you love me any more? Why do you want to give me away?”

Jack said, “Mandy, of course I love you. You’re the only woman I’ve loved and will ever love – It’s just called sex.” Mandy, I love you and I know you love me.”

I said, “Are you saying this because you want to be with other women?”

Jack replied, “Matter of fact, no I don’t – I have no desire to be with another woman – that is not my fantasy.

I'm a different kind of man, Mandy. My fantasy is to share you with a man that you lust for and will enjoy fucking - color me strange or weird, but that has become an overwhelming fantasy."

I said, "Ok, that's good – I don't want to watch you with another woman – that is NOT my fantasy." I said, "Jack, one more thing, I don't want to lose your respect and I don't want you to think differently of me. I don't want to lose your love for me. Isn't this what sluts do?"

Jack said, "A slut to me is not a bad word – it's a word that insecure men place on certain women in order to shame or control them. To me, it's simply a woman who loves sex. What difference does it make if she enjoys one man or several?"

Society places negative labels on people to control them – Darlin, there is nothing you can sexually do to make me ever make me think differently or love you less. I love you unconditionally and I know you feel the same about me."

I said, "Well, I don't want to ever do anything to hurt you Jack."

Jack said, "Believe me, you will not be hurting me – in certain ways I'm sure it will bond us more in a good way and create a stronger love for each other. Darlin, I've done my homework on this subject – and my desire of watching you fuck a well hung man is building and more and more married men are admitting this about themselves.

I said, "Well, I must admit - watching that woman's pussy being filled and stretched by that big cock was exciting and I have thought about it many times." I continued and said, "I really do not need another man Jack, you're plenty man for me and I love your dick."

Jack said, "Darling, I know that – we have a great sex life – another man is simply desert – a tasty treat physically for you and a tasty treat visually for me. We are all grown adults – nobody gets hurt and it's all consensual. Everyone has a good time – nothing more and nothing less."

I said, "Well, it's something to consider because it sounds hot ...and I added - Do you know what is most exciting to me? Jack asked, "What?" I said, "You'll be WATCHING ME! - the man I love, my best friend, will

actually be watching me get fucked with a big cock stretching my pussy –
Wow!”

Jack smiled, “I’m so glad you agree, darlin.”

I said, “Well, we’ll never know until we give it a try. I must say, I’m excited and I’m scared at the same time.”

Jack said, “Me too – but this is something we must explore for both of us.

We’ll try it one time and if we both enjoyed the experience then we can explore as many well hung men as we want – if we don’t, then we can leave that fantasy experience in the past, fair enough?”

I said, “Well, how do we find the right man for this fantasy test?”
(giggle) Jack said, “I think it’s important we find the right man who can appreciate and respect our boundaries and he must be a good looking man with a big dick – I don’t want to watch you fuck an ugly man with a little dick who doesn’t accept the love we have for each other.”

I said, “Yeah, I hate to get a motel room and he pulls out a skinny 4 inch weenie.” (giggle)

Jack said, “Exactly, and I don’t want to fuck anyone we know – that is taboo to me. I think it’s important to keep our sex life private. What do you think?”

I said, “Well of course Jack – our sex life has always been private – it’s nobody’s business what we do in our private life.”

Jack said, “There are [adult websites where people post ads](#) – seeking different types of fantasies they wish to explore. I’ve seen a few of them.”

I said, “hmmmm....really?” Jack said, “Some of the men post their face, body and their hard cocks.”

I said, “Wow...seriously? – so we can contact these men? Are they local?”

Jack said, “Yes, many are local and some of the men are very good looking with massive cocks.”

I said, “ Jack, I’m getting wet thinking about it – please fuck me!”

Jack fucked me so good that night – I had three really great orgasms and he came good as well. Afterwards, as I lay in Jack’s arms, it is as though we had become even stronger friends and even more bonded than before. I didn’t know that was even possible.

I can’t wait to explore our first adventure.

The Fantasy Test

It was at least three evenings later and Jack and I were laying in bed with the laptop. We joined an [online adult website](#) – that promised lots of locals in our area. We began to cruise the pics of the single men.

We took our time – we read their profiles and viewed their photos. Finally, I saw one man I really liked. He was handsome, 38 yrs old – well built and he had a great cock. I was looking for a particular look and I like a large mushroom cock head.

I wrote to him – he quickly responded. Jack and I both talked with him on the phone to make sure he was for real. The guy had a pleasant personality and traveled with his business. He was going to be in back in town the following weekend.

I flirted with the man over the phone a little. “I said, “Don’t forget to bring that gorgeous friend with you.” He laughed and said, “Oh, I’m sure he will be glad to meet you as well.” We decided to meet the following Saturday night.

I told Jack – damn, he’s got a big dick. Jack said, “No kidding – I can’t wait to watch him bury it inside you too.” I giggled and said, “Jack, darling, I love how you think.”

THE WEEK PASSES IT’S NOW SATURDAY NIGHT

Jack and I get dressed. I’m wearing a short skirt, thin white blouse and black high heels. It was a summer night – so, no need for heavier clothing.

Jack is wearing his kaki pants and a nice shirt. We had a wonderful lobster dinner at a favorite restaurant we both enjoy. It was great and the service was always incredible.

We drove to the hotel where we are to meet Mr. Wonderful. We are to meet about 9pm at the hotel bar. We sat at the bar and ordered a couple of adult beverages.

Meeting Mr. Wonderful

When I turned around – HE was standing there smiling at me.

I quickly smiled back and tapped Jack on the shoulder – “Honey, it’s Mr. Wonderful!”

Jack stood up and shakes his hand and said “I’m glad you could make it – let’s get a booth shall we?”

We all three scoot inside the back corner booth – I’m sandwiched in the middle. Jack is on my right side and Joe is on my left side. We talk about everything but sex for the first 15 minutes. Finally, under the table, Joe gently picks up my hand and lays it on his crotch.

Jack didn’t notice. I begin to give his cock gentle squeezes - I could feel his big cock head and it starts to swell. His entire cock begins to grow. I was thinking, “My god – he’s huge.”

I said to Jack – “Well, darlin, I’ve been feeling the goods under the table and they are 110% as advertised.”

Jack said, “Oh wow – that’s great – shall we move to the display room?” Jack had already gotten a room earlier so we were set to go.

We all took the elevator up to the 10th floor – Jack wanted a room over looking the city and it was fine with me. It was beautiful. We walked into the room and it had a incredible king size bed, couch, two chairs, table and nice balcony. Joe said, “Great room guys. (he walks over to the balcony) and what a great view too.”

Jack has a bottle of wine with wine glasses. He pours us all a glass of red wine. Joe said, “You have great taste in women and in wine Jack. Thank you.”

I was gazing at Joe’s crotch. I wanted his dick.

Jack goes to the restroom. Joe and I were drinking wine at the small table. Joe stood up in front of me. I was nervous. Joe looked down and said, “No worries, nothing will happen that you don’t want to happen.” His comment made me feel good and safe.

“I began by unbuckling his belt (Jack came out of the bathroom and he sat at the table) – I pulled Joe’s pants to his knees – his half hard cock was just a thin garment away.

I pulled down his boxers and there was my treat!

His half hard cock was amazing. It was limp but at least 5” long – thick with a big head – all hanging down over his big balls. A nice thick limp piece of meat. He was shaved too – just the way I like it. The entire package was so yummy. I began petting and gently stroking his cock – I want to see how big it really was. Jack was intensely watching – I could tell Jack wanted this to happen as much as I did.

I moved my mouth close to the head of his cock and I opened wide so I could insert the entire head into my mouth. I softly suckled his cock head – ran my tongue all over the tip – Joe moaned and said “Damn, that’s good.”

His comment motivated me to keep sucking and stroking his gorgeous piece of meat. He was fully hard and it was a beautiful sight. I took both hands and stroked his big long cock – it was a good 9” and very thick.

I sucked the head while I stroked. I was getting excited because it was so hot and hard. Joe was holding my head and telling me how good I was making him feel. I said to Jack, “Don’t you wish you had a big dick like this?

Jack said, “Absolutely, but it’s not necessary when you can enjoy his.”

Joe, finally put his hands on my shoulders and pulled me up to him. I didn't want to let lose of his cock – I enjoyed how it felt in my hands. He unbuttoned my blouse and I took it off – I also reached around and unhooked my bra. Joe felt the zipper on the back of my skirt and tugged at it. I climbed out of my skirt.

I was standing in front of my husband, with nothing on but my panties - holding another man's cock. Jack was loving it.

I walked over to the big king size bed. I turned down all the covers. We wouldn't be needing them. I laid down on the bed. Joe stood at the top of the bed – his cock was still extra hard and I sat up to give it one more good suck.

Jack moved his chair over to the side of the bed so we could see each other. I wanted Jack to see his monster cock inside me. Joe slid my panties off and spread my legs. My pussy is totally shaved clean. He went down for a taste – he knew how to lick pussy good – now, can he fuck?

I'm fairly flexible – I spread my legs and I was able to hook my arms around my legs so my pussy could take his monster cock easier. I'm only 5'4" 120 lbs.

Joe gently inserts his big cock head inside. Wow- that felt good – I can't imagine what the rest will feel like. He pops his cock head in and out – just teasing me. I was so horny for his dick. I said, "Joe give me your big cock, please – I want it."

Joe eases about half of his cock inside and pulls it out – then back inside – then he gives me all 9" with one long gentle heave. Oh my god it was incredible – my pussy loved the stretch.

He fucked me softly with his big dick – then he took it out. I leaned up to taste my juices on his cock. I laid back down. He scooted up, while straddling my body – he dangled his big wet cock in front of me – I quickly sucked it and it tasted good too. He had some pre-cum seeping out from the tip and I licked it off.

Joe remounted me, he fucked me so good. Joe was a long lasting lover – he fucked me softly – then fast, then slow, then fast – for about 45

minutes. He was a gentle lover – I had many small orgasms, but I was about to cum big and looked over at Jack – he had removed his clothes and was sitting in the chair stroking his cock – he looked so hot stroking his cock while watching me.

I said to Jack in a quivering voice – “I’m Cumming big baby.” I could see Jack start to stroke faster – he was so turned on. After I recovered from my orgasm – Joe turns me over.

My face and chest were laying on the bed and my ass was straight up so Joe could give me another great fucking. I was so wet from being fucked – Joe was able to enter easier and he gave me another good fucking.

He gave me all of his big dick on each stroke. Each time I could feel my pussy being stretched. I loved it – the feeling is like no other. I never knew that big cock could be so good – all I had was my fantasies.

I was moaning and I let Joe know he was fucking me good. I looked over at Jack and said, “Baby, I’m Cumming again.” Oh my god, it’s so good! Jack jerked his cock faster and finally he exploded and I was able to see him cum and I was so excited.

Joe fucked me faster – Joe was about to cum too. Joe said, where do you want it sweetie? I said, “In my mouth, please.”

Joe held his cock for me. I twisted around and put his cock in my mouth and I feverishly sucked and stroked his big dick – Joe groaned – UGGGHH and a huge load of sweet cum flooded my mouth- I quickly swallowed so I could handle more.

Each time his big cock pulsated it gave me more cum. It was delicious. I love cum. His big dick finally started to go limp – but I couldn’t keep my mouth off of it. I kept gently sucking until every drop was in my mouth.

Joe fell down on the bed and said, “Damn that was good.” I said, “Yes, it was fucking amazing.” Jack handed us both a glass of wine each. We’re all three naked.

Jack sat on the edge of the bed next to me and said, “Well, thanks for the great show – I must say it was better than I imagined.” I giggled and said, “Oh baby, I love you.” Jack leaned down and kissed me.

Joe said, “You guys have such a great loving relationship. I really envy you. I’ve only done this sort of thing three other times – and it was not near as exciting as it was with you guys.

You made me feel so relaxed – I hope I delivered and I hope you enjoyed it as much as I did.” I said, “Joe, no worries there – I had a great time.

How about you Jack? He said, “You bet I did- you gave her a great fucking Joe – I appreciate that.”

I said, “Me too! (giggle)

Joe put his clothes on and left the room. Jack and I spent the night in the room. I laid in his arms. I said, “I love you Jack.”

He said, I love you too, Mandy.”

The End

Story Two

The Cruise

Hey, this is Jack, I'll be sharing this adventure about Mandy and Me.

Mandy and I were looking forward to taking a cruise. We saved some money and we want to spend our 15 year anniversary doing something special. We're in our early 40s, but we still work out regularly and we eat good.

Especially Mandy – she looks great. She has beautiful perky breasts and a great ass. Mandy is only 5'4" 120 lbs. It appears the older she gets the more sex she wants – which is a good thing.

I kid Mandy by calling her a cock hound. She's made a habit of crotch watching. She's always noticing the package size of men – it doesn't matter if the men are wearing slacks, shorts or a Speedo.

And she's getting quite good at it.

She's very relaxed with this whole hotwife (cuckold) lifestyle. I'm glad, because I want her to feel good about herself and know that she's loved no matter what. She's my woman and I love her unconditionally.

Mandy, if haven't guessed yet, enjoys big dicks. The best part is; I love watching her fuck big dicks. So, we are a good match. Mandy has a great sense of humor and she knows how to laugh at herself. We are both professionals and Mandy even enjoys going to church on occasion. She loves the music.

Mandy is convinced that life is about exploring, creating a loving and trusting relationship and being kind to others. I agree with Mandy – being kind to others should be at the top of everyone's priority list. I would call Mandy a spiritual woman who loves people . . . and cock! (I had to throw that in there)

We're on this cruise and the ship is headed to Barbados, Spain. It will be a two week cruise. There appears to be all types of people on the ship.

There were people in their 20s, 30s, 40s and even elderly people.
Everyone seems to be very nice and accommodating.

We have a great room – large bed (bigger than most on the ship).
Mandy is very happy with the room. One evening we're at the ship's lounge having a glass of wine and Mandy notices a man's package. He's only about 30 years old.

Mandy said, "Damn, that young man has a nice package." I said, "Mandy, are you wanting to teach the man a thing or two." Mandy said, "naaaa....these young people know more than we know, I'm sure – I was just curious and wonder what it would be like is all."

I'm glad Mandy can be so candid with me and tell me what she's thinking – it is so satisfying to know this. I tell her what I think as well – we believe it creates a safer relationship by not holding back secrets. It's just how we live our lives now.

Mandy excused herself and went to the restroom – I turned just so I could see he ass. I love my wife's ass – what can I say? Anyway, she returns a few minutes later.

She said, "Guess what? That young man we saw earlier is single and he plays in the band."

I said, "Well, that means he might be available for fun and frolic, huh?"

She said, "Well, who knows, we'll see."

I said, I'm afraid a young man like that might cum too quick. Mandy said, "Well, the good thing is he can get it up and hard every 15 -20 minutes." (giggle)

Mandy is wearing very 'short' white shorts and a tight t-shirt with semi – high heels. She's looking very sexy. She notices someone who knows the man THAT she wants to fuck.

She walks over to the guy and says, "What is the name of the guitar player in the band."

He said, "It's Jason."

She replied, "OK..thanks."

Mandy Meets Big Dick Jason

Mandy goes to the bartender – and says, she would like to send a drink to the guitar player, Jason. The bartender knew exactly who he was and said – “I know exactly what he drinks too. Will do!”

About 20 minutes later, Jason walks over to the bar where we’re sitting. He’s very gracious and says, “Hi, I’m Jason, thank you for the drink, that was very nice of you.” Mandy extends her hand and says, “I’m Mandy and this is my husband Jack – Will you be part of our entertainment for the entire Cruise?”

Jason said, “Well, we will play about 3 hours per night for six nights – from about 9pm until midnight.”

Mandy asks, “and what do you do afterwards?”

Jason replied, “Well, it’s my time and do whatever I like.”

Mandy said, “Well, we should get better acquainted sometime.”

Jason said, “I would like that – I must get back up on stage – talk to you to later – thanks again for the drink.”

Mandy said to Jack, “He’s so sweet.”

Jack said, well, I hope he isn’t sweet in bed – if he’s going to fuck you, then he better be an animal.”

Mandy said, “something says he will be a good fuck.”

The night progresses – I go upstairs to the casino – it’s about 11:00 pm. Mandy stays at the bar and listens to the band. I have no doubt Mandy will be doing some flirting – and that’s a good thing.

About 12:15, Mandy and Jason show up at the casino. They walk right up to the Black Jack table – she whispers in my ear. “He’s up for it – I told him you’ll be watching.” I just nodded my head. I played my last hand and all three of us left the casino and walked towards the room.

Mandy had about 4 glasses of wine and I had a few too - we were not feeling much pain. Jason was in good spirits as well. We were all singing

and laughing as we made the long walk to our room. Jason, said, “You guys are on the floor with the best rooms.”

Mandy said, “Well, I hope so.” Jason walks inside the room and sits down in a chair. Mandy is dancing and moving her ass – she is looking good. She leans down and whispers in Jason’s ear – “I’m so horny are you?”

Jason said, “Oh heck yeah, I am”.

Mandy is still dancing – moving her hips and ass from side to side. She takes Jason’s hands and stand his up and sits in his chair.

Jason is wearing black elastic pants – Mandy simply pulls them down along with his underwear – exposing his cock. It was just a big as Mandy expected. She quickly engulfed half of his cock into her mouth.

God, she’s so sexy. She sucking and stroking his cock with only her mouth. His cock grew and it was enormous. He had big sagging balls – she held his balls in her hands and sucked his cock. He was groaning and it appeared he was going to cum.

Mandy took his cock from her mouth and looked up and said, “If you want to cum, please do, I’d love it.” Jason – groaning said, “OK..here it is ...” He shoots hot cum into Mandy’s mouth – she keeps sucking and sucking and sucking.

Jason is moaning and said, “god that’s incredible.” I was laying on the bed sipping wine enjoying the show.

Mandy had Jason’s wet cum all around her mouth and chin. I handed her a small towel. She said, “Oh thanks honey.” Mandy walked into the small bathroom.

Jason, sat down in the chair. I must say that is a first for me. Jack said, “What? Never had a blow job?”

Jason said, “Well, not with the wife’s husband watching.”

Jack said, “Oh I see.” Yeah, I bet that is kind of strange. I hope you’re not done yet – I’m sure Mandy is expecting a good fuck too.

Jason said, “Oh I would love to Jack.”

Mandy walks out of the bathroom in a thin night gown and lays on the right side of the bed. She is looking good. She's not wearing panties. Jason does not believe his eyes. I'm so thrilled Mandy is so naughty.

Mandy says to Jason, "Take off your clothes and come here." I get up and move to the chair – I removed my clothes too and I got some oil for jerking off.

Jason is naked and Mandy removes her night gown. They are both naked and Mandy moves over to kiss Jason. Jason is quick to respond. He puts his fingers inside Mandy's pussy – she is stroking his big dick.

She moves on top of him – places her pussy in his mouth and sucks his big dig. She's moving her ass up and down – Jason is licking her pussy like crazy – she's sucking his big dick – stroking and massing his balls.

Jason is rock hard.

Mandy turns around – and her pussy is aimed right at me. I can see everything so clear and she knows its. She inserts his monster dick inside of her. She slowly and carefully eases down on it – because it is so fucking big.

She moans with pleasure – she says to Jason, "I love your big dick". Mandy moves her ass up and down – Jason is pumping his pole in and out – fucking my wife faster and faster.

Mandy squeals, "Ohhhh. ...Don't stop – I'm about to cum." Jason keeps pumping and pumping harder and hard. Mandy moans and says, "oh my god – yes, yes, yes." She finally relaxes and Jason fucks her slower and slower allowing her to recuperate from her big orgasm.

Jason turns my wife around on to her back. Mandy spreads her legs wide and up – "Yeah, give it to me Jason – make me cum again." Mandy is so wet – Jason plunges his big dick inside – he's fucking her fast – his balls are slapping her ass on every stroke.

I love the way Mandy fucks – she's always so verbal and tells me and other men how's she feels.

I have the best view – I’m stroking my cock and the action is only 2 or 3 feet from me. It is great. What a great nasty fucking show and my wife is the main actress.

Jason slows down a little to gain more energy. Jason fucks like a rabbit – he has incredible stamina. Jason begins fucking Mandy again at a faster pace. She’s so hot and Jason won’t stop – He’s fucking her at a steady pace. Mandy is wrapping her legs around his waste.

Mandy says, “god I love fucking your big dick.” That makes Jason fuck her even harder– finally, Mandy whimpers, “Oh, I’m Cumming again Jack, it’s sooo fucking good.” Her body is heaving in ecstasy.

They quickly change positions and Mandy climbs and top and fucks his big cock like crazy. She looks back at me to make sure I was watching. I was!!!

Jason says, I’m about to cum too. – Mandy quickly moves her body down so she could drink Jason’s cum. Jason moans big. She’s slurping and drinking loads of cum from Jason’s big cock.

Mandy said, “God – that was good tasting cum!” Jason, rolls over on his back. Mandy lays back.

She says, “Jack did you cum?” I said, “not yet, but I will.” It was obvious that Jason was feeling a little awkward after fucking a man’s wife while he watched.

Jason said, “I hate to be rude, but I have to get up early and must scoot out.”

Mandy said, “Well, thanks for your entertainment and I’m sure we will see you again soon.” Jason quickly puts his clothes on and Jack shakes Jason’s hand on his way out.

I’m standing there with a throbbing hard on. Mandy says, “Honey, come over here and fuck me. I need you.” Those words were music to my ears. I jumped on the bed and fucked my wonderful wife like it was going to be the last.

I love sex with my wife – I love Mandy.

Story Three

The Lounge

I was at the Hilton Inn planning a business meeting. I was sitting in the lounge waiting for his arrival. My business associate called and said he missed his plane and will have to post pone meeting for a few days.

No problem.

I am slow slipping a Crown on the rocks. A man walked in and sat next to me at the bar. We exchange glances' and a nod. I told him my business meeting would not happen and now I'm just wasting time. I introduced myself, "I'm Jack."

He said, "Oh, I'm Jeff."

I said, Well, two "Js" can't be bad, huh?"

He laughed and said, "yeah, I've been there and the same thing happened to me not long ago." He was a good looking guy about 6 foot tall and dressed well.

I got up and went to the restroom.

I'm standing at the urinal. Jeff walks in and stands at the urinal next to mine. He's one of those guys who just pulls out his cock and doesn't need to hold it. He just flops it out and there it is.

His cock was massive.

I couldn't believe my peripheral vision. I took a chance and just said – "Wow, I couldn't help but notice – but you have quite the python there. I'm a straight guy – but I must give a compliment when required."

Jeff said, "Yeah, some women like it and some don't." There are actually women who don't like it? He said, "Oh yeah, my fiancé will seldom have sex with me because of my size – and I'm not sure if we will be married."

I said, "that surprises me." We zipped up and walked back to the lounge.

We took our seat at the bar. I asked, "So, how long do you plan to be in town, Jeff?" Jeff replied, "I should be here a couple of days. I'm staying here at the hotel." I said, "Well, I hope you enjoy your stay."

I called Mandy to tell her that my business meeting was a bust. Her and I were suppose to meet for dinner at one of our favorite restaurants after the meeting– now we will meet earlier.

It's about 5 pm. We agreed to meet at the restaurant about 6pm and it's located near the hotel.

I walked away from the bar real quick so I could talk privately to Mandy. Mandy and I always ask and never take each other for granted. I needed to tell her about this guy I met with a huge cock.

"Hey, I met this guy at the bar, he's got a monster dick – I saw it in the restroom. He seems like a nice guy too."

Mandy said, "Oh really? Maybe you should bring him to the restaurant and let me check him out." (giggle) I said, "really?" She said, "Sure why not, I'm horny for a big cock – its been awhile."

I said, "Well, Oaky Dokie – I'll bring him if he's available."

Jeff, over heard part of your conversation and said, "Yeah, it's too bad your meeting messed up – at least your wife is flexible."

I said, "Oh yeah, she's flexible that's for sure." I had another crown and Jeff ordered another drink as well. Jeff, you seem like an open minded man – my wife and I are very open minded people as well – she just asked me to ask you if you'd like to have dinner with us? Jeff said, "Sure I obviously do not have plans".

Jack said, "Great, I know she will enjoy meeting you." I'm taking a chance that maybe Jeff knows what I mean by being open minded. I'm thinking, I'll let Mandy take it from there when they meet.

Mandy is at the restaurant when we arrived. She is sitting in a corner booth where we could see her when we walked in. It is a great Italian restaurant with white linen table clothes.

Jeff and I walk straight to the table and I introduce Mandy to Jeff. Jeff sat down on Mandy's left side and I was on her right. Mandy loves to be sandwiched between two cocks.

Mandy and I knew what we wanted for dinner – Jeff was over looking the menu. He asked for a menu suggestion. Mandy told him what we have nearly every time we visit this particular restaurant. Jeff said, “OK. . .That sounds great.”

The waiter took our orders and I ordered a bottle of red wine.

After we had a couple of glasses of wine each – I decided to sort of set the stage. I said to Mandy so Jeff could hear. “Jeff, I hope you don't mind me talking about your equipment – he smiled and said, “no not at all.” “Honey, Jeff has a monster cock and he may not marry his fiancé because she can't handle his size – what do you think about that?”

Mandy boldly said in a very soft sultry voice, “Oh really? Can I feel it?” She looks at him with a very sexy look.

Jeff said, “What?” I guess – here in the restaurant?”

Mandy said, “The table cloth will hide everything done under the table – no worries” Jeff looks at Jack and said, “is it OK with you Jack?” Jack said, “of course.”

Mandy places her hand on his cock and starts to massage it – Mandy said to me, “He's growing and yes, its true – he has a giant cock.”

I said to Jeff – “Mandy loves big dicks.”

Jeff said, “Are you guys swingers or something?”

I said, “No, we don't engage in wife swapping and I don't have any desire for other women. I'm also straight but I love to watch Mandy have her fun.

We've been married for 15 years and we're best friends. What I'm saying is, “If you and Mandy would like to do the big nasty together, that's fine – because I love to watch.”

Mandy keeps massaging Jeff's big cock while I'm talking.

Jeff looks at Mandy and says, ‘Well, I’m game if you are Mandy?’ Mandy turned her head towards him and in a low sexy voice says, “I would love to fuck you Jeff.”

I said, “Great, then it’s a date!”

Mandy, by now, has Jeff’s cock at full mask. Jeff is about 38 or 39 years old and very gracious. Mandy is enjoying her oysters and linguini.

Any time Mandy takes a sip of wine she lays her hand on Jeff’s cock and massages him. We are all three having a good time talking, laughing, eating and drinking wine.

Mandy looks at Jeff and said, “I like you – we’re going to have a good time.”

Jeff said, “I think so too and I’m sure glad to meet you Jack – not many men will allow another man to fuck his wife.”

I said, “Well, we’re very selective.” Mandy said, “Yes, very selective and you certainly pass the test.”

Jeff said, “We’re near the hotel, we may as well utilize my room tonight.” Mandy said, “Sounds good to me.” I just nodded.

We eventually paid our bill and left the restaurant and headed back to the hotel.

Jeff and Mandy and his Hotel Room

We walk into Jeff’s room. The bed is made. Mandy walks over and turns down the covers and the sheet. She said to us, “I’m going to take a quick shower guys and I will return.”

Jeff said, “Wow, she is one sexy beautiful woman.

Jack. I said, “Yeah, don’t I know it – she’s something else.” Jeff is removing his clothes.

As I’m taking off my shirt, I say to Jeff, “You can be as dominant as you want – just don’t degrade her or call her degrading names. She will do anything sexual – She even swallows. Jeff said, “Oh god, I think I’m in heaven.”

If you don't mind, Jeff, I'm just going to sit in a chair near the bed and stroke my cock while I watch my wife get a good fucking – do you have any issues with that? Jeff said, "Well, I've never performed in front of an audience, but I can't say I mind, Jack."

Mandy walks out in a white robe that was courtesy of the hotel. Her make up is still fresh – her hair is just a little damp. Jeff said, "You are so sexy Mandy." She walks up to Jeff and looks up at him.

Jeff kisses her lips and reaches inside the robe and fondles her breasts. Mandy instantly grabs his long dangling cock. Mandy says, "Damn your cock is bigger than I thought – I like it."

Jeff said, "I'm glad."

Mandy's robe drops over her shoulders and on to the floor.

I'm getting aroused seeing my wife's naked ass and with her stroking Jeff's long dong is twice as exciting.

This is the Biggest Dick I've Ever Seen

Mandy sits on the edge of the bed so she can give Jeff's big dick all of her attention. She strokes it so gently and nibbles on his enormous cock head. He has very little pubic hair – very well groomed.

Mandy lifts his cock up so she can suck on his balls. Jeff said, "Oh, I love my balls sucked." Mandy goes to town stroking his big cock and sucking his balls. Jeff just moans with pleasure. Mandy said, "I'm glad you enjoy it – I love sucking cock."

Mandy looks over at me and says, "I believe this is the biggest dick I've seen." I said, "yeah, you might be right – it's not too big is it? You know what I like – the more a cock stretches my pussy the more I cum."

Mandy lays on the bed. Jeff followed her and crawled between her legs and began sucking and licking her clit and her pussy. He focused on the clit – he knew how to lick pussy because Mandy was whining with pleasure and she came within about three minutes. Mandy said, "Wow that was good – I'm so horny."

Mandy spreads her legs wide and Jeff grabs her ankles and pushes her body up – spreading her even wider – then he slowly inserts his cock head. Mandy moans – “Damn you’re big.”

Jeff eases his big dick inside just a little at a time. Mandy is loving that big dick. I have a ring side seat and I can see his cock filling her up. The visual is incredible. I’m stroking my cock – I know it won’t take long and she will cum all over his big cock.

Mandy is heaving her body up and down and says, Jeff, “Give me all of your dick – I want it all.” Jeff is not used to fucking a woman who loves a big cock.

When Jeff heard Mandy say that – he thrust his big fat dick inside Mandy and she moaned like crazy and whimpered, “Oh, I love it – don’t stop – keep fucking me.” His balls were slapping her ass – so, I knew he was totally inside my wife. Her pussy was stretched and she was creaming on the bed.

Jeff fucked her good. Mandy said, “I’m Cumming don’t stop Jeff! Please don’t stop!” My wife looked over at me”Oh honey, I’m Cumming and I love you.”

I said, “I love you too, darlin.”

She said, “Damn that was good!” Jeff is slowly fucking her and kissing her neck. Jeff put Mandy on her side and fucked her. Mandy’s face was turned towards me. Jeff was behind her and fucking her tight pussy – I could see his big cock and my wife’s pussy so clearly.

His cock was stuff inside her. Each stroke was causing her pussy to be pulled inside out. This is what she craves. She loves for her pussy to be fully stretched.

Mandy was laying on her left side and she was hiking up her right leg so Jeff could get his big dick into her pussy. Jeff was doing a great job at fucking her with that big of a dick. He was hard too. It was a sight to be hold. Mandy was loving it.

Mandy’s breathing is getting faster – it usually means she’s about to cum again. Her eyes are closed and she’s being totally pleased. All of a

sudden, she opens her eyes wide. Her body went into quivering convulsions and she started panting. "Oh, I'm cumming again – ohhhh geeeeeeeeze."

She said, "Oh my god, that was the biggest orgasm ever."

Jeff smiled at me. I gave Jeff the OK sign....it made me cum as well, watching her cum. It was so fucking exciting.

Jeff turned my wife around and fucked her again really good and fast – Mandy said. "damn you're a great fuck." Jeff is about to cum...he pulls out and says "Mandy take me" – she quickly moves into position - his big throbbing cock started squirting cum.

Mandy's mouth quickly covered his big cock head and she swallows his huge load. Mandy stroked his cock to make sure Jeff had a full climax and he gave her all his cum. Mandy sucked and sucked and sucked. Finally, she removed her mouth and laid back on the bed and said, "that was so fucking good." Jeff said, "No kidding – that was the best sex I've ever had in my life."

I said, "Well, I won't argue with that – it was pretty darn intense, for sure."

Jeff laid beside my wife and said, "You guys are amazing people." Mandy giggled. I smiled and nodded.

Mandy took a sip of wine, got up and walked to the bath room. I began putting on my clothes. Jeff said, "you know, life has a way of giving us surprises that we never count on sometimes."

I said, "I know, isn't that great?" Mandy walked out of the bathroom fully clothed and said to me, Jeff wore me out honey – I'm tired.

I walked over to the bed and shook Jeff's hand and said thanks for giving my wife a good fucking. Jeff smiled at us.

Mandy looked at Jeff and smiled – she took my hand, we left the room and drove home.

Story Four

Another Fantasy Comes True for Mandy

Mandy and I were having a quiet evening at home. We just watched a great movie where a woman had a surprise birthday party and she received a gift that she always wanted. I told Mandy, it's truth time again. "Is there any other fantasy we have not explored that you would like but are hesitant on doing or are not telling me about?"

Mandy smiled and said, "It's funny you should ask that question." I was on my computer at the office and came upon this interesting porn site and nobody else was in the office, so I watched it.

It was a woman who fucked 4 men at one time. I watched every second of it. I felt myself getting very wet watching – so without saying, it was very exciting to me."

I said, "is that a new or old fantasy?"

She replied, "Well, I've thought about fucking multiple men – but since I've watched that porno video it's been on my mind a lot lately."

Ok – just wanted to know if this is really what you would like to explore. Mandy said, "Well, put it this way, if there were four handsome well hung men here right now, I probably couldn't get my panties off fast enough." (giggle)

Wow, that's hot honey. I love it. Mandy said, "So, four men taking turns fucking me is a turn on to you too?" I said, "Honey, whatever involves you enjoying yourself with other men with big cocks will excite me every time."

Mandy said, "I love you Jack."

Jack is Searching for Birthday Gifts of Mandy

I go online. It's the fastest way to find naughty gifts. Mandy's birthday is next Saturday night and I want it to be special.

I went to our favorite online adult site where they post ads. I contacted several good looking men with the right equipment that I thought Mandy would like. Six men wrote me back.

I told them the situation – it was my wife’s birthday next Saturday night and she has a secret fantasy of being gang fucked by at least four men. They all said, they were interested, especially after they saw her pictures. Mandy has a gorgeous body when naked and has a great ass.

I explained how the little party was going to go down. I want it to be a surprise to Mandy. I told them I wanted them all naked inside a motel room – waiting for her and I to enter.

She will be blind folded when I bring her into the room. I want all of you to be assertive – take turns with her.

Let her suck a cock while she’s being fucked. Place her on her hands and knees and each other fuck from behind. The mission is for her to have as many orgasm as possible.

After all, it will be HER birthday surprise.

I will most likely be in sitting in a chair jerking off watching my lovely wife getting the best fuck possible.

They all said they were up for it and would be happy to give the little wife a big surprise birthday present. I asked them all to text or call me Saturday afternoon to confirm. I told them the first four who confirm will be chosen. Fair enough? The other men will be on stand by in case of a no-show.

Mandy's Birthday

I took Mandy to a nice restaurant of her choice for dinner. She wanted Tai food, so Tai it was – hot and spicy. It was great. We had a great time drinking some wine and eating great food.

I gave Mandy a gift at the dinner table – she didn't expect it. It was a nice bracelet that I knew she would like. She was excited to get it. She was so appreciative too.

However, that was not her real birthday gift – her real birthday gifts are waiting in a hotel room. Four men confirmed.

I told Mandy that we would get a nice hotel room for her Birthday with a hot tub and champagne. I also had a black blind fold in my pocket – I will blind fold her right before walking her into the room.

What she doesn't know, is there will be four well hung studs inside the room waiting for her. We paid our tab at the Tai restaurant and headed to the hotel room. I couldn't wait to surprise her.

We took the elevator up to the 7th floor. We walked down to the end of the hallway. I said, "Mandy, I want to surprise you with something – let me put this blind fold on you before you walk in, don't take it off, until I say. OK?"

She giggled and said "Ok". I'm excited what did you get me?

I opened the door and allowed her to walk in first. I saw all four men – they were all naked standing near the bed waiting to greet Mandy. I slowly took off Mandy's clothes and hung up her blouse and skirt. I took off her panties and bra.

The men were very quiet.

I sat her on the edge of the bed – all four men were standing in front of her – their big cocks were just inches away from her face. I gently removed the blind fold and said, "Happy Birthday, Baby!"

She smiled and looked at those big cocks and said, "Oh my god – thank you honey!"

She aggressively took one cock and slid half of it in her mouth – yummy that tastes so good. With her right hand she stroked a man and then she said, “there is so much cock - I don’t know what to do with it all.” (giggle)

One man said, “It’s your birthday Mandy, let us focus on pleasing you, Mandy.” She laid on the bed and one man buried his face between her legs. Mandy gasped – it felt so good.

Another man kneeled beside her head and she slid his cock into her mouth and massaged his balls and stroke his big cock while her clit is being licked and teased.

The other two men were stroking their cocks – just like I was. They were waiting their turn. The man between her legs, mounted her and forced his big dick inside of her.

Mandy again moaned and gasped. She said, “You all have such big dicks, I love it.” He started fucking her harder and faster – she began to pant and moan. The more she moaned the faster and harder he fucked her. She squealed, “Oh, I’m CUMMING – god it feel so good.” Oh geeeeeze.

Righter after she came – he got off of her and another man inserted his big cock and it started all over again. He fucked her really good – Mandy was so wet and excited with all the these men adoring her and fucking her.

This man had my wife’s legs spread wide apart and he was just fucking the hell out of her pussy. His balls were banging her ass just the way she likes it. Mandy screams, “Oh God, I’m cumming again – Oh my god I love to be fucked.”

Once Mandy recovered from her orgasm – one man took her and put her on her hand and knees – put her head on the mattress with her ass in the air. One man who had been standing there with a big hard cock – slid his cock inside her.

He fucked her like crazy. Mandy was gasping and panting. He couldn't hold it and came all over her ass. Mandy said, "Oh that is so warm."

Another man was there with a towel and cleaned her up – then he put his cock inside of my wife and pumped her really good.

Mandy whimpered, "Oh like your big dick – it feels good."

He slowly fucked her, then he slapped her ass a couple of times, then fucked her really hard. Another man was laying on his back in front of her face.

She began sucking his big dick.

She said, "Damn you have a big cock head – just the way I like it she said." She slurped and sucked while she was getting fucked. Mandy was having the time of her life.

It was so hot watching my lovely wife getting fucked by four men. I stroked my cock and finally had to cum. Damn!

The cock that Mandy was sucking exploded in her mouth – she swallowed every drop. The man who is fucking her from behind is still fucking – he stops and another man takes over.

He slides his cock inside and fucks her really good. She lays her head back down on the bed – just enjoying those big cocks take turns with her wet pussy.

She's loving it.

The guy stops fucking – and another man takes over. He's the guy with the really big cock head. He enters Mandy and she said, "Oh my god that's big." He slowly enters, then starts pumping her faster and harder.

Mandy is panting again which means she's about to cum. Mandy said. "Oh my you're hitting all the right spots – I'm about to cum don't stop." He's not about to stop – suddenly Mandy lets out a short muffled scream. "Oh baby I'm cumming and it feels so good."

He keeps pounder her pussy until he knows she's had her full orgasm. Finally, he's about to cum. He pulls out and Mandy turns around to receive more cum.

He takes her head and guides it to his cock head – it's huge – she holds his big thick shaft and he squirts his JIZ into her mouth – she sucks the head and licks, sucks and strokes his big cock.

She swallows and sucks more. “Mandy said, “Damn you put a big load in my mouth, I love it.”

She walks over and takes a sip of wine. The four men all say, “Happy Birthday Mandy!” I walk over and kiss her on the forehead and say, “Yes, happy birthday darlin.”

The men put on their clothes and quickly left the room.

I already had a bottle of wine in the other room with wine glasses and a hot tub. Mandy and I sat in the hot tub and sipped red wine. We relaxed and I even massaged her feet.

Mandy said, “thank you so much for such an incredible birthday, Jack – I love you.” I said, “I love you too.

Story Five

Mandy Is Curious and Must Scratch her Itch

I've always been a curious person. I don't know why. Even when I was a small child I always had to test the waters.

I remember when I was about 4 or 5 years old, I had thoughts about what my older brother looked like naked. He was probably about 10 years old. So, one morning, I heard him taking a shower. I sneaked into hallway – the bathroom door was cracked and waited for him to get out of the shower.

Once I heard the shower stop, I peeked through the crack of the door. I saw him totally naked. That was it and I never gave my brother another thought. I wasn't shocked and I wasn't amazed.

It was something I had to do and see. So, I did. The point is; I've always been a curious woman.

One day, I was at the gym and there is a guy who gives me loads of attention and he is always trying to give me work out suggestions. He seems like a nice guy – he's well built, polite and very attentive to me.

He also has a great package. The other thing is – he's a 34 year old black man. I'm a young woman of 43 years. I've never been a racist or thought I was better than any other race – I just never thought about having sex with a black man. However, that particular day was different.

I began to have my "Mandy" curious thoughts. I started fantasizing what it would be like to fuck him and suck his big black cock. This was new to me. I went home and I casually brought it up to Jack. I said, "There is a man at the gym who is very well built and is extremely attentive to me.

He's very polite and always provides great work out suggestions. I started to have 'fuck' fantasies about him today. He's only 34 yrs old. What do you think, honey."

Jack is always so logical. He said, “Well, is he married – because we do not want to hurt anyone.”

I said, “nope, he’s not married and he’s a male nurse at the local hospital.” Jack replied, “Oh that’s great – do you want to invite him out for a drink sometime?”

“Well, there’s one more thing.” Jack said, “What darlin?”
I said, “He’s black.”

Jack said, “Well, I was hoping you might get curious and want to fuck a well hung black man.” I wasn’t shocked because I know Jack is all about pleasing me.

His name is Bradford. My thoughts of fucking him is becoming more intense and now that Jack is excited as well, that really makes me want to fuck him.

I wonder how big his dick is? His cock looks sexy hiding inside his gym shorts – nice big bulge.

Two days later . . .

THE GYM

I’m at the gym and just finished the treadmill. I was hot and sweaty. I saw Bradford on the chest machine. I walked over to him. He was hot and sweaty too.

My imagination went a little crazy – I was thinking this might be what it would be like to fuck him. I bet his a great fuck and long lasting – we would probably be just as sweaty when we’re fucking together.

Bradford just finished his set when I walked up. I said, “Hey Bradford, I just finished the treadmill. I’m going to test the new leg machine – I may need some lessons.

Bradford did not waste a second – he said, “Mandy, it will be my pleasure to assist you.” We walked over the new machine. I sat down – he said, “Mandy, on this machine you’re going to have to lay down on your

stomach and raise the weights up with the back of your legs – this will help you keep that great ass of yours.

I giggle. “Bradford, do you think I really have a great ass?”

He said, “Mandy, it’s usually the best ass in here.” I was surprised with his ass comments because he’s never flirted with me before. Perhaps he knows what I’m thinking.

I laid down on the machine – Bradford was standing in front of my face and he was so close I could have licked his cock if he pulled it out. I began my routine according to his instructions.

One time he reached to do something with the machine and his big bulge caressed my cheek. You can only imagine what I was wanting to do.

Bradford has strong looking legs, nice chest and not an ounce of fat on him. He’s very clean and smart. I was thinking how to set up a fuck date with him without sounding too forward. I don’t want to scare him off.

I said, “Bradford, do you like jazz music?”

He said, “Yes, it’s my favorite – how did you know?” The truth is, “ I didn’t know, but my husband and I like to visit a small jazz club – it’s local and it is inside the Harrison Hotel. Have you ever been there?”

Bradford said, “ Yes, I have – a good friend who used to play there.”

I said, “Well, that’s great – you know where it is.”

My husband and I are planning to be there this Friday night – would you like to meet us there about 9 pm and I can also introduce you to my husband too.”

Bradford said, “Yes, I believe I can do that- I would love to listen to some good jazz.” I said, “great, we’ll have lots of fun and you’ll like Jack too.” Bradford said, “that’s great – let’s do it.”

Bradford was so polite and gracious about agreeing to me us. I assume that he doesn’t have a girlfriend.

I went home and told Jack and that I set up a meet and greet date with Bradford. Jack said, “Wow, you move fast.” I said, “Well, you know me Jack, when I’m a mission I aim to complete it.” (giggle)

Two days later – its Friday night . . .

The Jazz Club

We arrived at the Jazz club about a little before 9 pm. We want to make sure we got a table near the band. The waitress came over and took our order.

I had a Martini and Jack had a glass of wine. I'm wearing a very sexy short black skirt and a thin red blouse and of course my black "slutty" high heels.

About the time the waitress brought the drinks over – Bradford walks over to the table. I introduced him to Jack and he sat down. He ordered a glass of wine as well.

We exchanged a few pleasantries and the band started to play. Bradford was wearing a pair of nice slacks and a nice white shirt – it made his dark skin stand out even more. He's looking very sexy to me.

We all sat and enjoyed the music. It was great and really setting the mood for what I hope was going to happen. I just had to find a way to seduce him and make him feel comfortable.

Jack and I got up to dance to a slow song – I looked at Bradford and said, "I'm dancing with you next." Bradford smiled – he has a great smile.

We returned to the table and we chatted a bit. I excused myself and went to the restroom. When I was coming out, Bradford was about to go into the men's room.

I said, "I do not know who has the better ass – me or you?" (giggle) Bradford laughed. and I walked off.

I returned to the table with Jack. Jack was patting his feet to the music and drinking his wine – he was enjoying himself. I leaned over and said, "What do you think?"

Jack said, "I'm just along for the ride – but you're right, I think he would fuck the shit out of you."

I said, "I know, right?"

Bradford returned and sat down. A slow song started again. I said, "Ok Bradford, you owe me a dance."

Bradford said, "Yes mam." Bradford was being a gentleman and was careful not to hold me too tight.

I whispered in his ear, "You know my husband is very understanding – you can hold me as tight as you wish." Bradford's big arms brought me close to him.

I could feel his cock. He moved his body into mine – he knew exactly how to move to rub his big cock bulge on my tummy.

We moved to the music and I was getting wet just fantasizing about his big black dick. My head was against his shoulder and I whispered in his ear. "I like the way you feel, Bradford."

Bradford said, "I don't want to be too presumptuous, but are you wanting to play tonight?"

I said, "What do you mean by play?"

Bradford said, "I'm sorry, I didn't mean to offend you Mandy." I said, "Bradford, you didn't offend me – the answer to your question is a big yes! I like you and I want to play in a big king size bed. No worries, Jack is Ok with it – he loves to watch."

Bradford said, "Oh, I've heard of couples like you – I always want to test drive this fantasy."

I said, "Well, are you up for it tonight?"

Bradford said, "Mandy, I've been wanting to fuck you since I met you. Of course I'm up for it."

I said, "Ok, I'll let Jack know so he can get us a room."

We returned to the table. Bradford sat down and I leaned over and told Jack that the party was on. I squeezed his thigh. Jack immediately got up and got us a room.

Bradford was setting next to me. I leaned over and said, "I can't wait to fuck you tonight." Bradford said, "Wow Mandy, I sure didn't expect this."

I said, “I know you didn’t – you’re a gentleman, why would you expect this?” Bradford just smiled.

I saw Jack up at the bar. He’s probably buying a bottle of wine and getting some wine glasses – if I know him.

Yep, here he comes with a bottle and three wine glasses. He said, “Well, are we ready to party or what?” Bradford said, “Well, I know I am”. I said, “That makes three of us.”

We got up and headed for the elevator. While inside the elevator – I decided to light the fire. I put my arms around Bradford’s neck and gave him a big wet tongue kiss – he returned his tongue to mine and he held me tight. I moved in to feel his cock and it was certainly growing.

Jack said, “Here we are folks.” The elevator door opened. I walked out first, then Bradford and Jack.

The Hotel Room

Jack had the key in his hand and said, “The room shouldn’t be too far – oh here it is right here.” Jack opened the door and we all walked inside. It was a great room – big king size bed. I sat down on the bed and bounced up and down. Bradford smiled.

Jack said, “So, does everyone want a glass of wine.” I said, “Yes, I know I do.”

Bradford said, “Yes, count me in.” Jack used the house wine bottle opener and opened the bottle and poured us three glasses of wine.

I was sitting at the table. Bradford was sitting across the room in a chair. Jack sat down at the table. We are all sipping wine. I said, “Bradford, move your chair closer.”

He scooted his chair closer. I removed my high heels and planted my feet on his lap and rubbed.

Jack laughed, “She doesn’t waste any time does she Bradford?” he continued – you know Bradford, this may all seem sort of strange to you, but Mandy and I have been together for many years and we’re best friends.

There isn't anyone I trust in this world more than I do Mandy. This is the only way a situation like this can exist. I love Mandy and I know she loves me.

If Mandy wants to eat a steak – why should I deny her of eating a steak. I don't control Mandy – I trust Mandy to make the right choices and I want her to enjoy herself. I hope this makes sense, Bradford.” Bradford said, “there are some things you do not need to understand – you just accept it.”

I said, “Good answer Bradford.”

“Excuse me, I'm going to the ladies room, I shall return.”

When I returned I was totally naked. Bradford is about 6'2”. I'm only 5'4”. I walked over to him and pulled him to his feet and guided him to the bed. I undressed him by removing his shoes, his socks, his shirt, then his pants, then his boxers.

I couldn't believe my fucking eyes. He had the biggest dick ever. He hung down about 6” and it was thick with a large head. I was trying my best not to look too shocked.

I got on my knees and put my face right in his crotch. He was sitting up – I pushed his shoulders back – motioning him to lay back. I wanted this big black cock all to myself.

This is the first black cock for me and I wan to enjoy it. I stroked and sucked his big cock head – I could barley get my mouth around it. It was huge.

I kept stroking, squeezing and stroking on his big dick – finally it was full size – and what a sight it was. It was about 10” and almost as thick as my wrist. It was one gorgeous black cock. I looked over at Jack and he was already jerking off. I said, “I hit the jack pot baby.” He said, “No shit.”

I stood up and laid on the bed. Bedford immediately moved in between my legs to suck on my nicely shaved pussy. He was good at eating pussy.

He spread my lips apart and licked and suckled on my clit – his thick tongue felt so good. He even lifted my ass and sucked my asshole. That felt good, not many men do that.

My hands were gripping his face – my pussy is so wet. I pulled him up to me - I wanted his big cock inside me. I spread my legs wide and up – I knew he was going to be big and thick. Bradford was very sensitive with me.

He first inserted his cock head and let me get used to it – then he inserted about 3 or 4 inches of his cock to see how I handled that – he moved it in and out a few times.

Damn, it felt good.

I wanted the entire 10”. I was wondering if I could handle it though....its all a mystery right now.

He asked if I was OK. I said, “Yes, more than Ok – I’m feeling very good – fuck me Bradford.” That’s all he needed to hear. He shoved all 10” inside me. My legs were up high, so I could handle the extra length and girth.

His powerful body thrust his huge cock in and out and pounding his big black balls on my ass. He began slowly but speeded up when he knew I was enjoying it. Oh my god, it was fucking incredible.

I was about to cum.

He was hitting all the good areas of my pussy. I was heaving my hips up and down to meet him – while he was driving that big dick inside. I can’t hold it – I screamed – I’m cumming – keep fucking me. Oh my god – it’s so good! I lean up to kiss his mouth while I was cumming. I could barely breath because of the powerful orgasm.

Bradford slowed his motion down to allow me to recuperate from the orgasm.

Bradford said, “Mandy I’ve been watching your great ass at the gym all these months. I have to turn you over and fuck you from behind.

I said, "I though you would never ask." I immediately turned over and pushed my ass up so he could fuck me good. I laid my head on the mattress.

Bradford felt my wet pussy, he ran his fingers in and out – he even used one finger and played with my asshole – hmmm...it was good. He reached down to grab his big dick and put the head up to my pussy.

I wiggled my ass to let him know I wanted him.

I pushed my body towards his cock – it eased inside and it filled me up again. All 10 inches was hard and Bradford gave it all to me.

I reached underneath between our legs so I could massage his big balls. Each time he gave me his full length – I was able to massage his balls. I loved it.

He fucked me for at least 15 or 20 minutes – non-stop. He was in such good shape with lots of stamina.

My pussy was so wet and I was cumming again. I said, "Bradford, I'm cumming again – please keep fucking me! He kept up the same rapid fuck and I released a big cum.

"Oh fuck – I'm cumming!" I squirted pussy juice all over his cock. He took his cock out and laid me on my back. He licked off all the pussy juice I released from my orgasm. I thought, he's such a gentleman and a great fuck.

He straddled my chest. His cock was rock hard and about to explode. I never tasted cum from a black cock – I'm wondering what it will taste like. I wanted to find out. I want to make him cum a huge load for me.

I am sucking the head and stroking the rest of his cock. I can only suck a few inches of his cock because its too thick. I used both hands to stroke his cock while I sucked his cock head. I was feeling his tight balls too.

He started fucking my mouth and moaning – then he said, "Mandy, here you go sweetie." He unloaded a hug amount of cum into my mouth – it was like a faucet.

He moaned and each time his cock pulsated it shot more cum into my mouth. I loved it. I swallowed every drop.

His cock went limp and I'm still sucking it. "Damn, that was a great fuck, I said." Bradford said, "It was the best, Mandy."

Jack said, "Well, more wine for my friends?" Jack pours us all another glass of wine. We all sat around naked for about 30 minutes or so.

We laughed and talked about all kinds of things. Bradford said, "Well, I have an early morning shift at the hospital – so, I better scram."

I said, "OK, I understand." Bradford put his clothes on and I walked him to the door and gave him a hug. I said, "I'll see you at the gym next week, right?"

He said, "absolutely, Mandy."

I walked back to where Jack is sitting and sat down to finish my wine. Jack said, "Damn, he was certainly one of the better ones – he gave you a damn good fucking."

I said, "Well, certainly no complaints here. Damn he had such a big fat cock – I could barely take it."

Jack said, "Well, it appears you took it just fine. He sure made you cum good."

I said, "Oh I know – my orgasms were intense, damn."

Jack said, "Well, when you started cumming the first time, I couldn't hold it – I shot my wad. Then I watched the rest of the show with a limp dick and a glass of wine."

I asked, "Did you really enjoy the show?" Jack said, "Well, that was our first big black cock and I must say it was pretty hot."

I said, "Yeah, it was – wasn't it?"

We finished our wine and we spent the night in the hotel room. I laid in Jack's arms and said, "I love you baby."

Jack said, "I love you too darlin."

Story Six

An Unexpected Day

The day started just like most days. It's Saturday morning. I didn't expect anything of any big consequence to happen today. My teenage boy and girl left early this morning for a church camp retreat.

It's summer and they always have lots of activities for the kids. So, I figured Mandy and I would just have a quiet weekend.

Mandy is in the kitchen cooking breakfast for us. She is looking sexy as usual. I love looking at my wife, even after all these years. She's wearing her typical short shorts with a sexy T-shirt with tennis shoes. I'm sitting at the breakfast table having coffee and reading the paper.

Mandy serves us breakfast and said "It's chow time!" It was my favorite – cheese and mushroom omelet with hash browns and whole wheat toast. Yummy! Mandy is a great cook.

While were eating breakfast, Mandy said, "So, it appears it will be just you and me this weekend. It might be kind of nice, you know?" I said, "Yeah, it might be a little too peaceful."

Mandy said, "Well, we could go out somewhere, if you want."

I said, "Naaa...not in the mood to go out, are you?"

She said, "Not really."

My phone rang and it was a a friend of mine. We met him and his wife as being part of the "Hotwife" lifestyle. He and his wife have become good friends since we already have certain things in common.

He said, "They had made friends to go out of town – but forgot about making plans to fuck a bull they met." He was wondering if we would be interested.

He and his wife have great taste in men and I was almost sure Mandy would be interested. I asked a few questions, then I said, "Let me consider it and I'll get back with you – thanks for thinking of us."

I said to Mandy. “That was Tommy. He and his wife are going out of town and forgot about making plans to fuck a bull they met and were wondering if we would be interested?”

Mandy said, “Well, we do have the house to ourselves and I would love a big cock, so, I would be a fool to say No.”

I said, “Great, I’ll call Tommy back.”

I called Tommy and said, “The answer is an astounding YES.” He said, “That’s great – let me give you his phone number.” I wrote it down.

I said, “Thanks Tommy and we hope you and Judy have a fun and safe weekend – oh, and I’ll let you know how it goes tonight.”

Tommy said, “Sounds good my friend – and I’ll call Jordan to let him know you’ll be calling.”

I said, “That’s great – bye.”

Mandy said, “Hey, do you want to have a little cook-out this evening and invite our new friend?”

I said, “Sure, that sound good – we can watch you prance around in your short-shorts.”

Mandy said, “Or maybe, I’ll cook with nothing but my barbeque apron on.” (giggle) I said, “Oh my god – that would be so sexy.”

I called Jordan (bull). He answered. I said, “This is Jack, a friend of Tommys’ – he told me you would be expecting my call.” Jordan said, “Yes, Hi Jack – and I’m glad you called.”

I said, “Mandy and I are planning a small intimate cook out this evening and Mandy and I would like to invite you over for good food, drink and Mandy.” Jordan laughed.

I said, “What I mean is – Mandy is anxious to meet you and she’s hoping for a little frolic time – naturally I love to watch – hold on, I’ll send you a quick pic of Mandy.”

Jordan said, “Yep got the pic- and I must say Mandy is hot. By the way, here’s my pic as well.”

Jordan sent a nude pic of him and his huge cock hanging down. I showed the pic to Mandy. She said, “Oh my god – what a gorgeous cock and he’s good looking too.”

I said to Jordan, “Ok, we’ll see you about 8pm and I’ll text our address.” Jordan said, “Sounds good man, I can’t wait to meet you guys.” I said, “Ok – see you then.”

The Cook Out

Mandy went to the store and picked up all the necessary items for the cookout. She bought some nice steaks, potatoes and some asparagus.

We usually do not invite strangers to our house. However, Tommy said that Jordan (bull) was a business owner. He’s a local contractor in the area. He builds custom homes and he’s 38 years old. His father started the business and Jordan took it over and is very successful.

Mandy and I felt safe inviting him for fun and frolic.

Mandy and I have a nice patio –it is secluded and very private. There is a brick built-in barbeque grill and a large table with chairs. Plus two lounge chairs for sun bathing. Two large mature trees are in the back yard with large sprawling limbs. There is also a high redwood privacy fence that surrounds the back yard.

It’s about 7:45 pm and Mandy has the steaks ready for the grill. She wrapped the potatoes in aluminum foil. She will cook the asparagus on the inside stove.

Mandy is ready – just one more thing. Mandy runs into the bathroom – takes a quick shower. She puts on her barbeque apron. It covers up her front – but her back and ass is fully exposed. She went back outside to take care of a few things.

DING DONG – the door bell rings. It’s about 8:10 pm. Perfect. I hope the front door and Jordan walks inside. We shook hands and I showed him around. I said, “Mandy is outside.”

When we walk outside –Mandy is facing us wearing her apron. Jordan has no idea she’s totally naked under it.

I introduced Mandy to Jordan. “Mandy held out her hand and said, it’s a pleasure to meet you Mac and I’m glad you could make it.” Jordan said, “Me too – you have a beautiful home Mandy.”

Mandy said, “Thanks and you have something quite gorgeous yourself.” (giggle) Jordan said, “hmmmm....well, I guess saw my pic, huh?” Mandy said, “Oh yeah! And I have two words for you – I LIKE”

I said, “While you guys were getting acquainted, I got us some cold beers here you go Jordan.” Jordan and I sat down at the red wood table with our beers. Mandy turned around at the grill for the first time and Jordan saw Mandy’s naked ass. I thought his eyes were going to pop out of his head.

He looked at me and said. “Very nice.” I said, “Yeah, Mandy has a great ass – she works out with a trainer about 3 times a week.” Mandy said, “Are you guys talking about me?”

I said, “Jordan likes your ass.”

Mandy said, “Well, that’s a good thing – sorry, I didn’t have time to put much clothes on before you arrived. (giggle)

Jordan said, “Mandy that’s perfectly alright with me.”

Mandy walks back into the house to get something. Jordan turns his head to watch her ass.

“Jordan said, “Damn, you’re a lucky man Jack.”

I said, “Well, maybe you’ll get lucky later on as well.”

Jordan said, “She’s a beautiful woman, Jack”

I said, “Well, the best part is, she loves to swallow and any position is good for her.”

Jordan said, “hmmmm.....that’s great.” And he takes a swig of his beer. Mandy returns with a bowl of hot asparagus and lays it on the table. She turns the steaks and the potatoes are about done – they’ve been heating for about 45 minutes.

Mandy stands in front of the men with her beer. Mandy said, "It's a great night – the stars are out and it appears it might be a full moon." Mandy looked at Jordan and said, "I'm always horny on a full mood." Jordan said, "Well, let's hope for full moon tonight."

It's about 9:15 pm.

I helped Mandy with the steaks and potatoes. Mandy holds the large serving tray while I place the steaks and potatoes on it. Mandy turns around and lays the tray on the table.

Mandy lays a towel down for her to sit her bar ass on. We're all three sitting at the table – and Mandy and I are sitting across from Jordan. Mandy grabs my hand and reaches across and holds Jordan's hand.

Mandy gives grace, *"Dear heavenly father – thank you for the food we're about to eat and the nutrition it will provide. Dear heavenly father thank you for Jordan and the many blessings he will bring us tonight. Dear heavenly father we're asking you to please provide all of us with much pleasure and friendship. Thank you father. Amen."*

Jordan said, "Well, Amen to all of that – thank you Mandy."

Jordan's BIG Performance

We all began eating and it was great. We told stories, laughed and Mandy is liking Jordan's personality. He's kind, gracious, polite and Mandy finds Jordan to be very sexy.

Mandy said to Jordan, "Jordan, I'm glad you were able to come see us – I'm enjoying your conversation." I said, "Me too – you're a real treat for an evening we thought was going to be very low key."

Jordan is wearing a pair of nice casual pants with a draw string. He's well built about 6 ft. He's wearing black Nike tennis shoes and has a dark tan. Jordan obviously spends a lot of time out doors.

Mandy gathers up all the dishes and trays and takes them to the kitchen – Jordan and I help. We get three more beers and return to the patio. Mandy sits down and as Jordan is about walk past her at the table – she stops him.

She turns his hips towards her and pulls on his draw string - it loosens his pants. She pulls down his pants and his boxer shorts. His big cock sort of falls out – it’s massive – about 5 to 6 inches (limp) and he’s all nicely shaved. Mandy looks up at Jordan and says, “Very Nice, Jordan, May I kiss him?”

Jordan simply smiles.

Mandy holds his cock and places about 3 inches in her mouth. She sucks gently. Jordan is holding his beer and looks at me. I give him the OK sign. He smiles.

Mandy is starting to get a mouth full as Jordan’s cock grows and grows. It’s now fully hard. Mandy is enjoying the evening air and sucking cock. She sucks his big thick cock and licks pre-cum from the tip of his big head. Jordan gasps, “Damn Mandy – that’s good.”

Mandy holds his big dick up so she can suck his balls. She sucks one ball at a time while stroking his cock. He’s a full 8” or more. Mandy said, “Damn, you’ve got a big thick dick.”

Mandy does not stop sucking his cock – she continues – she loves sucking dick. She keeps sucking and stroking. Mandy takes his cock from her mouth and said in a low sultry voice, “Are you ready to fuck me now, Jordan?” Jordan said, “Yes, Mam, just tell me where and when.”

Mandy said, “I want your big dick inside me now – right here.”

Mandy untied her apron and laid it on the chair. She stepped over the chaise lounge. Jordan kicked off his shoes and slid off his pants.

Mandy wanted him doggie style. She laid on the chaise lounge – pushing her ass up – her head laying on a pillow. Mandy’s ass was right at the end of the lounge chair. Jordan simply walked up and felt her wet pussy. Mandy always gets wet sucking cock.

Mandy feels Jordan's fingers inside her wetness. She moves her ass slightly and moans. He takes one finger out to taste her juices – that turns Mandy on.

Jordan takes his big hard cock and places the head inside Mandy's pussy. She moans and wiggles her ass. Jordan pushes his cock further inside of Mandy – he's almost got his full cock inside. Mandy said, "Oh love to feel your big dick."

I love it when Mandy talks dirty - it makes me hard. I'm stroking my cock while Mandy is getting fuck. I love the visual of her naked ass. I especially like it when she's moaning with a big cock inside her.

Jordan begins to move faster – "Mandy says, "Oh my god that feels so good – fuck me harder Jordan." Jordan picks up the pace and fucks her good – he holds her hips and pushes his cock inside fast and hard. Over and over and over.

Mandy is panting and moaning. "Oh, I'm cumming Jordan, keep fucking me!" Jordan obeys – and keeps slam fucking her. Mandy cums good – Jordan slows down and gives her time to recover. Mandy's body is quivering from a powerful orgasm.

Jordan pulls out. Mandy gets up and removes the large chaise lounge mattress and lays it on the patio – right in front of me. Mandy lays with his legs spread wide. Jordan takes his cue – he crawls down on the mattress and plunges his big cock into Mandy.

She squealed, "Oh my god that's deep – I love to feel my pussy stretched."

Jordan said, "Yeah? – Let me give you some more."

Mandy said, "Oh please do, baby." He plunges his massive cock inside and bangs her hard.

Their bodies are slapping together and Mandy is moving her hips up to meet him on every stroke. She's heaving her hips and her legs were rocking up and down. She was craving more and more his thick cock.

Mandy is cumming again."Yes, Yes, Yes, I'm cumming!" Jordan keeps pounding her faster and faster. Mandy said, "Oh my god – that is so

fucking good!” Jordan sits back with his big fat cock. Mandy lowers her legs and leans up so she can suck Jordan’s dick.

Jordan is about to explode. Mandy sucks his cock – stroking his cock and massaging his balls. Jordan is leaning back and enjoying the suck fest.

All of a sudden without warning – Jordan explodes hot cum into Mandy’s mouth. She guzzles it down – each time his cock pulsates it spews more cum for her. She keeps swallowing. Jordan is in a total pleasure zone. Jordan’s massive dick begins to soften, but Mandy keeps sucking. She wants every last drop of cum.

Mandy pulls his cock from her mouths and says, “Damn that was good – yummy!” Jordan said, “Well, I can’t argue with you – it was the best I’ve had in a long time.” Mandy said, “Well, you are a great fuck and you made my pussy very happy.” (giggle)

I said, “Great show guys – I loved every minute of it.” Mandy said, “Well, I’m glad you enjoyed the show – did you cum good, honey?” I said, “Oh yeah, I came right when you did, sweetie.” Mandy said, “Oh, I love it when we cum together.”

Jordan slid on his shoes and pants.

Mandy didn’t bother to put on any clothes or the apron. She hugged Jordan and thanked him for a great fuck and he thanked us both for great food and fun evening.

I shook his hand. Mandy walked him to the front door, naked. Opened the door and said good bye to him.

Mandy asked me if I wanted another beer. I said, “Yes, if you are.” She returned to the patio with our beers. We were both naked sitting in comfy patio chairs – drinking beer under the night time stars.

It’s about 11:30 pm

Mandy said, “Jordan was a good fuck –he had a wonderful cock.” I said, “Yes, I agree – he fucked you good.”

Mandy said, “I wouldn’t mind fucking him again sometime.”

I took a swig of beer. “Well, my little cock hound – maybe we’ll get a return performance one of these days.” Mandy giggled.

Mandy said, “And people wonder why I love you so much.

Laughing, “I said, I love you too Mandy.”

Story Seven

Joggers

I found this story in my diary. I'll just write the story as it almost appears in my daily dairy because I wrote it almost after the occurrence happened.

Dear Diary –

I got up a little early today, which is not like me. I decide to go for a little jog in the park that is near us. There are lots of lush green grass, trees and there is a golf course next to the park as well. The area is a nice relaxing place to jog and just hang out. There are several picnic tables and people are walking dogs and enjoy their lives.

I jogged on one of the trails and two men passed me. One man smiled and said, "Thanks for this beautiful day." I giggled, "You're welcome – It's my mission to bring pleasure to all."

He laughed. They were both very in-shape men and very polite.

I jogged almost have the length of the golf course and I was almost done. I looked to my right and both men were sitting on one of the picnic tables talking. I stopped. It was a long picnic table and I said, "Do you guys need all this real-estate – meaning do you need all this table?"

The other man said, "No, not all all – jump up here." We all three were now sitting on the table top and our feet are on the seat.

I said, "So, is it safe to assume you both live around here?" One spoke up and said, "Well, I do, but this is my best friend and he is just visiting me for a few days."

I said, "My name is Mandy."

One man said, "I'm Carter and this is Greg." I shook their hands. One man kissed my hand and I thought that was just sweet.

He said, "I can see you're married, huh?" Carter was fishing. I said, "Well, yes, I am. I'm married to a very special wonderful man."

He said, “A woman as beautiful as you should have a good man.”

I said, “Oh, you’re sweet, thank you – but you’re right.” I giggled.

Greg was one of the strong but silent types.

I said, “Well, I’ve got to go home and cook breakfast for my family – it was great meeting both of you. We have cook outs all the time in the back yard – maybe you both can come visit us sometime.” I handed him my phone and he inserted his phone number. I instantly called him – giving him my phone number.

Carter smiled. I jumped off the picnic table top and jogged back home. I got back to the house about 8:30 am. It was Saturday morning and Jack and the kids are still asleep.

Getting to know the Joggers

About 30 minutes later – Carter texts me. His text said, ‘We got back to my place and we’re scrambling some eggs.’ I text, ‘I will be cooking pancakes this morning and bacon.’

Carter said, ‘yummy sounds good.’ I said, ‘So, what are two handsome men, like you guys, up to today?’ He said, ‘We are two single men without worries – without dates – poor us.’

I said in my text back, ‘That sounds so untrue – there are plenty of beautiful women in this city that would love to jump both of you.’ Carter said, ‘Actually, you’re the first woman we both met that was likable and sexy at the same time. Your husband is a lucky man.’

I said, being flirtatious and to get a reaction. ‘Got any pics?’ Carter said, ‘What kind of pics?’

I said, ‘hmmm...let’s just say I have a kinky side to me.’

Carter said, ‘Ok, I get it – I like you even more.’

Carter took a pic of Greg’s cock and Greg took a pic of Carter’s cock. He text, *‘Here you go – guess which one belongs to who?’* I text back. .
‘Wow, you’re both hung like mules.’

He said, *“Yes, that’s what we hear.”* I text – “Two handsome well hung men with nothing to do on a Saturday night.”

He texted back, *“I know, it’s a damn shame.”* I said, *“That’s a lot of cock to go to waste, you know?”* Carter said, *“Don’t we know it!”*

I text back – “Got to get breakfast going – talk later.”

It’s about 9 am. Michael just came down from upstairs. I said, “Good morning - Any sign of your sis?” He said, “Oh yeah, she was last seen in the bathroom getting ready – said she she was going somewhere today.”

I mixed some pancake mix and I poured some on the pancake grill. I asked Michael, “Are you hungry?” Michael said, “I’m starved.” Good morning Mom, said Shelly, “Well, good morning my darling daughter.” Shelly said, “I love the smell of bacon cooking.” Bacon was sizzling in the skillet.

I quickly cooked six pancakes and laid three down on two plates along with three strips of bacon each and laid the plates in front of the kids. They both said, “thanks mom.”

I was standing at the counter and Jack walks into the kitchen and gently puts his arms around my waste and said in a very low voice, “Good morning beautiful.” And kissed me on the neck.

I said, “Well, good morning handsome.”

I fixed Jack and I plate of pancakes and bacon and we sat down with the kids. We had a fun conversation. I mentioned I met two male joggers on the trail this morning. I said, they were both very handsome.

Shelly said, “I really my age?”

I said, “No, not your age, much older – probably in the 30s.” She said, “Darn!” I said to Shelly, “You have plenty of time for boys – you should maybe focus on school and your piano, you think?”

Mandy said, “Yeah, I guess.”

Michael and Shelly ate fast and rushed back up stairs leaving Jack and I at the breakfast table.

Jack said, “So, tell me more about these two joggers you met. Knowing you, there is more to the story.” (smile) I said, “Well, you know me too well. The rest of the story is they are best friends, very good looking and both are hung like mules.”

Jack said, “So, were they jogging with their talleywackers waving in the wind or what?” I said, “No silly, we all had a quick conversation in the park and thought they both seemed like nice good looking professional men – and we exchanged phone numbers.” Jack said, “OK, I’m still listening.”

I said, “Well, when I got home – he sent me a text and we began to start kind of flirting – then I asked for some pics – they both took pics of each other’s dicks and text them back. And they are both HUNG – and that’s about it.”

Jack said, “Well, I hope you can make it happen – it’s been awhile. I’d sure like to see you get a good fucking.”

I said, “Well, I was thinking the same thing – I wouldn’t mind TWO well hung men at once.”

Jack said, “Now, that would be a treat for both of us.”

I went upstairs to take a shower and change clothes. We are planning to go visit two people we know in the hospital. Aunt Susan and Jack’s friend, Carl.

Jack and I also plan to have dinner at one of our favorite restaurants later this evening. The kids have plans too.

DINNER

As were driving to the restaurant, Carter texts me. “What is my favorite jogging friend doing?”

I text back, “Jack and I are on our way to have dinner at our favorite restaurant.”

Carter texts back, “Oh, such a lucky man.”

I said to Jack. “It’s Carter, you know the joggers I met?”

Jack said, “Well, do your magic – we can always meet at a hotel bar or something after dinner.”

I text Carter – “After dinner we are having a few drinks at the Enclave lounge inside the Broadway Inn – you and Greg are welcome to join us about 9:30 – no worries, I have a very understanding husband.”

Carter text back – “We’ll, be there.”

I text back, “Great –see you then.”

Jack and I had a great dinner - We both had steak and lobster and it was excellent. The waiter was nice and the entire meal and service could not have been better.

Hotel Lounge – The Enclave

I’m wearing a short black skirt and a pink blouse with black high heels. I like to wear gold accessories. I’m wearing gold ear rings, gold necklace with a gold bracelet. Jack loves gold too – anytime it’s my birthday, anniversary or any special occasion, he usually buys me gold.

We’re sitting at the bar listening to a live band. It’s a small combo that we like to listen to on occasion. They play all kinds of music. They have a guitar player who sings, piano player and a bass player. We’ve talked with them before and they are always very nice to us.

It’s about 9:40 – Carter and Greg walk in. I waved at them and point them out to Jack. They worked their way back to us. I introduced them to Jack – they all shook hands. Jack said, “Let’s get a table, shall we?”

I sat next to Jack and Carter was next to me and Greg. The waitress came over and took order for Carter and Greg – Jack mentioned to the waitress to put their orders on his tab.” Greg said, “thank Jack.”

Carter said, “This is a great place – I have heard of this place but never been here.”

I said, “Well, we have a couple of nice little places like this that we visit – we try to choose a lounge with live music.”

Jack said, “So, Mandy says, you met her jogging?” Carter said, “Yes, Sir, I won’t lie – we did meet on the jogging trail – well, actually it was on top of a picnic table where we were sitting.” (smile) Jack smiled, “Well, knowing my wife, I’m surprised she didn’t run after you and force you to introduce yourselves. Mandy can be very assertive sometimes.” I laughed, because that comment was almost true.

I grabbed Carter’s hand and said, “Come on, dance with me.” It was a fast song. Carter was a good dancer. The next song was fast too. I took Carter back to the table and I grabbed Greg’s hand and lead him to the dancer floor too. We had a good time. Greg doesn’t laugh much, but I made him laugh.

We all had a good time – laughed and told stories about our youth. I’m drinking red wine. I’m getting kind of gitty. I whispered in Carter’s ear, “When was the last time you fucked a married woman? And I walked off to the restroom. When I came out – Carter was standing in the hall way outside the restroom.

Carter said, “The answer to your question is ‘never’ – but there is always a first time.” I said, “Well, Jack and I are a little different than most people you’ve met. First, we’re very private about our sex life. Second, I am very selective who I fuck. Jack allows me to enjoy my sexual freedom while he watches.

Why don’t you, me and Greg have some good sexy fun tonight in a hotel room? Do you think Greg would be up for it? Carter said, “Hell yes!” Would Jack being in the room and issue? I asked.

He said, “Heck no, I prefer him to be.”

I said, “Ok, let the good times roll.” (giggle)

We walked back to the table. I gave the OK sign to Jack. He got up from the table and got a hotel room. He also stopped by the bar and ordered two bottles of wine and four wine glasses.

The Hotel Room and Two Well Hung Men

We walk into the room and I giggle, “Double your pleasure – double your fun – fuck two men, instead of just one!” Everyone laughed.

It was a great room. Jack has good taste. He always tries to get an outside room with a view.

The three men walk over to the table. Jack lays down the bottle and the four glasses. Jack said, “I assume everyone wants a glass of wine?”

I said, “I know I do.”

Carter and Greg said, “Yep.” Jack pours the wine. Carter said, “Thank you Jack.”

Greg said, “This is very kind of Jack.”

Jack said, “It’s my pleasure men.”

I walk off towards the bathroom with my glass of wine. I tell them that I am taking a quick shower and I shall return shortly. I told them, “You better not have clothes on when I return.”

Jack said, “Oh she means it too.” (smile)

Carter and Greg strip. Jack removes his clothes as well. Jack said, “You guys don’t mind if I watch the show, do you?” Carter said, “I feel so lucky to be here and I don’t know how to thank you Jack.”

Jack said, “You and Greg give Mandy a good fucking – that’s all the thanks I need. OK?”

Jack, Carter and Greg sit at the table and are drinking their wine. They are all three naked. I walk out of the bathroom and over heard their conversation very clearly. I’m wearing a beige hotel robe and I’m naked under it.

Carter and Greg are sitting on the same side of the table and walk in between them. Their chairs were turned out. I looked down at their big dicks. Greg is stroking and his cock.

I opened my robe and leaned into Greg and let him suck my nipples. He gently holds my boobs with both hands and sucks and licks my nipples. It was just what I wanted. I love my nipples sucked. It makes me wet.

Carter wants some too. He moves closer and sucks one nipple and his hand goes down and feel my pussy. It is so wet. He brings his fingers up and tastes my pussy juice.

He puts his hand on my ass and squeezes. He says in a soft voice, “Mandy, you have a great ass.” I smile. I felt his hard cock on my leg, I reached down and stroked his cock. Carter has a big dick too. He also has a large head. I like that.

I leaned in and told both men, “Take me to the bed and fuck me.”

I turned around – I let the robe drop. I walked to the bed. The men got up and followed. I laid on the bed – each man laid on each side of me. Greg was feeling my breast and sucking my nipple. Carter was feeling my juicy pussy. I had a big rock hard cock in each hand and I was gently stroking.

The whole scenario was so sweet, gentle and relaxing. We were in no hurry. It’s a different low key sexual frenzy.

I scooted down and sucked Carters cock while still stroking Greg’s cock. I gently licked and sucked. I even suck Carters big balls. I turned around and sucked Greg’s cock – it was a big cock – I tasted precum and licked it off. I was thinking – two cocks in bed at once is amazing.

I told them, in a soft voice. I want a cock in my pussy and I want a cock in my mouth pretty much the entire time we are fucking. You two men can cum any time you choose, but make sure to cum in my mouth. You can put me in any position and you can switch and take turns. This is the only instructions I will give – unless I’m cumming. The rest is up to you.
(smiling)

Carter said, “Greg, did you get that my friend?”

Greg said, “I did and I like it – let’s begin.” Carter put me on my back – Greg kneeled down so I could suck his dick while Carter fucks me. Carter’s big dick is hard.

He gently inserts his big cock head inside. I let out a soft whimper while I was sucking Greg’s big cock. I was taking about half of Greg’s cock.

My mouth was full of cock. I like how his cock tastes. I took Greg's cock out and said, "Carter fuck me –give me all your big dick."

Carter shoved his cock inside – all the way. I can feel his balls on my ass. I said, "Geeze you have a big dick." Carter starts to slam fuck me – just how I like it." Greg is stroking his cock – Carter is rocking me so much – I can't keep a cock in my mouth.

Carter slows down – Greg shoves his big dick back in my mouth. I love it. I'm massaging his balls too. Carter's cock is still rock hard. He motions for me to roll over. I push my ass up for Carter. I can't wait to feel his big cock in this position. His cock is long and hard and it will go deep.

Carter inserts his cock – he pushes hard. I gasp. Yes, just like I thought – his cock penetrated deep – his cock is massaging areas of my pussy that are seldom touched. Damn, it feels good. He's fucking with long strokes. Greg is sitting in front of my face – I'm sucking Greg's big dick. He's holding his dick for me to suck. All of a sudden, I could feel myself starting to cum. I said, "Carter, don't stop baby – Oh geeeeeze! I'm cumming! Oh my god, it feels so fucking good." Carter keeps fucking – then he slows his pace.

I was still out of breath from cumming. I was panting – my heart was racing. Greg rolls me on my back. Greg moves between my legs and Greg just forces his big dick inside.

I could feel my pussy stretch even though I had just been fucked. I love to feel my pussy stretch. He drove all his cock inside and was giving me a good fuck. He had a unique way of fucking.

I could feel his cock massage my pussy more on one side then on the other – then he would switch it. It felt really good. He reached down and massage my clit while he was fucking me. That sent me over the top. I screamed, "Oh my god, that's it, keep doing what you're doing." I came all over his big dick.

With me cumming it excited him too – he raced up to cum in my mouth. "Uggggghhhh! Oh god!" I sucked and suck and stroked his cock

until I got every drop. Damn he gave me a load. He's cock was still rock hard. I massage his big balls.

Carter was ready to fuck some more. I raised my legs and opened wide for him. I softly said, "Please fuck me Carter." Carter's cock was hard and he wanted my pussy. He quickly jumped into action and fucked me and fucked me. Oh damn it was good. I whispered in his ear. "Damn, I like how you fuck." He pounded me hard.

Suddenly, I had an idea. I rolled him over and got on top of him. I fucked his big cock good. He moaned and I knew this might be how I will taste his cum. I rocked on his big dick and I could feel it way up inside of me and it felt good. I didn't count on cumming in this position – but I was cumming. I said, "Oh damn, I'm cumming again - damn you have a nice cock!"

I slowed down – and Carter began fucking me really good – I laid on his chest while he fucked me.

He said, "Oh, I'm cumming – I can't hold it any longer." I rushed down to take his load in my mouth. I kept stroking his cock while he exploded in my mouth. I stroked his cock fast and massaged his balls. Carter gave me a good load. I loved it and I swallowed it all.

Greg recovered – I guess my naked ass excited him. While I was sucking the cum from Carter's dick – my ass was near the edge of the bed. I was on my knees. He just plunged his big dick inside for more fucking. I love it. My pussy is so fucking wet from all the fucking.

Greg is fucking me hard – damn it's good. I said, "Greg fuck me, fuck me. Damn your cock feels good." I whimpered – damn you're going to make me cum again..... Oh my god, I'm cumming! Oh – it's soooo good!

Greg suddenly stops and pulls out. That is my cue – I quickly turned around sitting on the edge of the bed and sucking Greg's cock. Greg gave me another big fucking load of cum – and it was good.

I'm stroking and massaging his balls at the same time. Each time his big dick pulsed it gave me more delicious cum. I looked up at him. I said, "Damn, I love sucking cock." (giggle)

Greg crawled up on the bed to relax.

I slowly walked over to where Jack was sitting. I walked behind him and kissed him on top of the head. “I said, “That fucking wore me out – I came so many times.”

Jack said, “I know honey, I loved it – it was hot.”

Jack said, “I thought I could hold off for awhile – but after you came the second time – I couldn’t hold it. I blew my load.” I said, “ I think I came about 4 or 5 times – I lost count.”

Greg and Carter had another glass of wine, then put their clothes on and we all said our good byes. I told them, “No worries, I’ll see you guys on the jogging trail soon.” They both hugged me.

It was about 2 am. Greg and Carter fucked me for over two hours. I took a shower. Jack and I laid in bed. I kissed Jack on the lips. He said, I love you Mandy.

I said, “I love you too Jack.”

Story Eight

The Resort

Mandy and I took a small vacation. It was our first time attending a clothing optional hotel and beach. Naturally, we had been to nude beaches, but not a resort where most the people were nude inside and outside of the hotel. It was very erotic.

Mandy and I loved it. We learned that most of these couples are not swingers or wife swappers or anything other than being nudists. Almost all the guests were obvious couples. Most of the people are simply nudists who enjoy sharing their nudist lifestyle with like-minds.

‘Most’ . . . but thankfully, not all.

Being surrounded by naked people was an unusual experience. Mandy loves being naked, so she was in hog heaven. Plus she enjoyed all the sights.

Mandy said, as we were walking the beach, “I did not know that big cocks were so rare – there doesn’t seem to be very many.” (giggle) I said, “Well, if big dicks were plentiful, then you would not appreciate a really big dick when you finally get one.”

The service people at the hotel all wore clothes and they were very polite and were more than willing to provide a helping hand when requested.

We stopped by the front desk and Mandy asked if we could have more towels delivered to our room – they said, “absolutely.” The towels were on the outside of our hotel room door, before we got there.

Great service – a note was left on top of the towels – *if we can be of any more service – just let us know.*

The Pool Bar

The following evening, Mandy and I were hanging out at the outside bar by the beautifully lighted pool. There were palm trees and you could hear the ocean waves crashing on the shore. The weather was perfect – about 75 degrees.

Mandy and I are sitting at the bar (naked) sipping on our umbrella drinks the bartender made for us. We asked him to make us something he would like – surprise us. And he did – they were strong drinks but were very good and he gave them to us at no cost – on the house.

The bartender was named, “Jason”. Jason is about 28 years old. He was shirtless with an athletic body, but was not over built. He was wearing tight spandex type of shorts – the shorts gripped his body, showing almost everything he has to offer. Get my drift?

Yes, Mandy noticed as well. Matter of face, she leaned into me and whispered – Jason has an impressive package. I said, “Yeah, I noticed, but wasn’t sure if it was for real.”

Mandy said, “I’d sure like to find out.”

I noticed Jason wasn’t wearing a wedding ring so, I said, “What does your girlfriend think about you hanging out with all these naked women all day or evening?” Jason said, “Well, I’m currently in between girlfriends at the moment – my last girlfriend kicked me to the curb because of this job – it’s funny you should bring that up.”

Mandy said, “Well, a good looking man like you working in an environment like this might be a little intimidating for most girlfriends.”

Jason said, “Yeah, but most of the guests here are couples – not too many singles – darn it.” (smile)

Mandy asked, “Do you live here at the hotel – I noticed that many of the service people live here.”

Jason said, “Yes, I do, I’ve been here for about a year now.”

I said, “Well, you should stop by our hotel room for a drink sometime and let us reciprocate your good service and this delicious umbrella drink you gave us.”

Jason said, “Well, I’m going to close this bar down in about one hour, maybe I can drop by later.” Mandy said, “That will be great –we’ll see you then – here is the room number.”

I said, “Mandy and I are going to take a midnight stroll on the beach – we’ll see you soon, Jason.”

As we are walking hand in hand on the beach, Mandy said, “Damn, I sure hope his cock is big as it looks.” Jack said, “I’m sure Jason will not disappoint you – besides he may not be up for what we already have planned.” (laughing)

Mandy said, “Well, we’ll have to play it by ear – I sure do not want to scare him.” (giggle)

We finished our walk on the beach – we strolled into the front hotel lobby and took the elevator up to our room. Mandy walked into the bathroom and took a shower. While Mandy is in the shower, Jason is knocking on the hotel door.

Jason Keeps His Word

I answer the door. I said, “Hey Jason, come on in.” We walked over to the table and sat down. I had Red Wine, Tequila, Scotch and Vodka and a few mixers. We made our drinks.

I said, “Mandy is in the bathroom taking a quick shower.” Jason said, “Mandy is sure in great shape for her age – she looks better than most women my age – you’re a lucky guy.” (smile)

I said, “Well, Mandy likes you, she mentioned that she is very impressed by your attitude and your looks – Mandy and I have a very trusting and loving marriage. Mandy is free to do whatever she feels like doing without feeling shame or guilt. I hope I’m making sense.”

Jason said, “I believe I’m getting your drift and takes a drink of his vodka.”

I said, "I guess what I'm saying, we are very private people and whatever happens inside this room should remain private." Jason said, "I understand – are you straight?"

I said, "Yes, I'm a straight guy, just not wired that way, I simply love to watch Mandy have her fun."

Jason said, "I've never performed in front of anyone like this."

I said, "Well, just pretend I'm not here." Jason said, "I'm a little nervous."

Jason said, "Well, that's understandable." (smile)

Mandy walks out of the bathroom wearing a white robe. I gave her the 'OK' sign – meaning all systems are a go. Jason is sitting down – she said, "Hi Jason". Mandy leans down to Jason, her robe parts – she hugs him with her firm boobs almost touching his face – said, "I'm glad you're here – I thought I heard some talking out here."

Mandy sits down in a chair across from Jason – I'm sitting on the other side of the table. Jason said, "My turn for the bathroom and walks away."

As Jason is in the bathroom – Mandy asked, "So, is he up for this?" I said, "We talked, but I don't know – he says he feels nervous. She said, "Well, I'll see how nervous he is when he returns."

Jason Reveals Mr.Big

Jason returns and before he sits down, Mandy is sitting down and says, "Stop and turn around." Mandy looks up at him and said, "I'm curious about what is hiding inside."

Jason laughed and said, "OK." Mandy pulled down his tight shorts – he's not wearing underwear – his very healthy thick cock fell down.

Mandy said, "Oh my god, Jason, you're hung like a horse."

Jason said, "Thanks, I guess that's a compliment." Mandy gripped his pole and it got hard almost instantly.

Mandy said, "Wow, I like your big dick Jason, may I?"

Jason said, “Be my guest Mandy.” And with his permission, Mandy shoved a mouth full of cock into her mouth and began to suck and stroke his big dick.

Jason is standing up and sort of leans back holding his hips. Mandy is in full control of his massive dick. Mandy reaches around and puts her hands on his ass – and Jason gently fucks my wife’s mouth. Her lips are stretched – she can barely fit his cock in her mouth – she sucks the head as much as she can.

The curtain is open and the night time moon is shining in. I could see Jason’s cock glimmering – it was wet from Mandy’s spit. Jason was shaved too – Mandy likes that. His balls are shaved clean too.

She’s holding his big cock up – she takes her time while she licks and gently sucks each of his balls. Jason is feeling good – he puts his hands on Mandy’s head and says, “That’s so good Mandy – most women forget about the balls.”

Mandy stands up – puts her arms around his neck – she looks right into his eyes and smiles, “Would you like to fuck me? – my pussy is so wet for your cock.” Jason just nodded.

I sat in my chair – sipping slowly sipping my scotch on the rocks. My cock is hard just watching Mandy sucking his big dick.

Mandy walks towards the bed – she turns to Jason. She asks, “This is your night Jason, how would you like to fuck me?”

Jason said, “I would love to watch your ass – as I’m fucking you.”

Mandy said, “Oh boy, my favorite.”

She turns around and climbs on the bed – puts her knees to the edge of the bed – arches her back – pushing her ass up – face lying on the bed. Mandy said, “Is this good?” Jason’s hard cock is feeling it’s way to Mandy’s wet pussy.

Jason said, “This I better than good, Mandy.” He plunges his big thick meat inside.

Mandy gasps – “Ewwwwwww – so good, I like that – fuck me slowly at first Jason, let my pussy get used to your big dick.” Jason moves in and out slowly. She moans - Oh that is so good – I feel my pussy stretching.”

I moved my chair – so I could see my wife’s pussy being fucked. I love to see a big cock stretch Mandy’s pussy. This is one of the most erotic aspect of watching Mandy getting a good fucking.

Mandy says, “I want to fuck you on top!” I want to ride your big dick. Mandy is getting used to his big dick and rides Jason like crazy and has several min-orgasms.

She said, “OK, push me on my back and fuck me good, baby.” I want to feel all of your big dick and slam those big balls against my ass – this way I know your big cock is all inside me.” This is all Jason needs to hear – he gently lays Mandy on her back, then he mounts her.

Mandy said, “OK, baby, give it all to me! He fucks presses his big dick inside and Mandy groans with delight. Jason rams his hard dick inside giving her every inch of his cock. Jason grips Mandy’s hips and slam fucks her pussy – bam, bam, bam, bam,bam, bam!

Mandy is panting and letting out squeals of joy. She’s liking Jason’s incredible pole. Without warning – Mandy raises her head and says, “oh my god – I’m Cumming big – oh keep going – it’s sooo good!” Jason pounds her pussy hard.

Jason slows down – pulls out. Mandy rolls over on her stomach. She lays with her legs together – Jason crawls on top and plunges his cock inside. Mandy lets out deep groans. Sometimes Mandy enjoys just laying there and letting the man slam fuck her. Mandy said, “Jason fuck me baby – fuck me good.” Jason fucks Mandy feverishly. Jason is a good fuck and knows how to use his tool. Mandy is having a great time. Jason is young and has lots of stamina. He fucks Mandy with hard good consistent strokes for about 15 solid minutes.

Mandy is panty and lets of squeals of delight and cums again. She said, “I’m Cumming!” Jason keeps pounding her pussy. Mandy says, “Oh that is soo good, Jason, keep fucking me.”

Jason said, "I can't hold it any longer – where do you want it?" Mandy quickly said, "In my mouth." Jason pulls out – Mandy grabs his cock – quickly putting her mouth over the head – stroking his cock quickly. Jason said, "Here it is!" Mandy sucks and strokes his cock and Jason unloads.

Mandy swallows every drop – she keeps sucking and swallowing. Jason grabs her head and plunges his cock deep inside Mandy's mouth – she massages his big shaved balls. Jason is Cumming.

She sucks the head and tightly squeezes his cock making every last drop seep out– she licks it off the tip of his cock. Mandy looks up "Damn, I love the taste of cum".

Jason said, "I'm so glad." (smile)

Jason is feeling very comfortable. He rolls off the bed and sits at the table with me – he picks up his vodka drink. I held up my drink to his and said "Cheers, well, done my friend." He said, "That was great Jack."

Mandy gets up from the bed and walks over to the table – sits down. "What a great fuck you are, Jason – you won't have any problems finding another girlfriend." Mandy asked, with her great sense of humor, "So, does my hair have that freshly fucked look, honey?" (giggle)

I said, "No matter what, you're gorgeous darlin."

We all three sat around the table for a few more minutes. Jason reached down and grabbed his shorts. He excused himself and went to the bathroom.

I said to Mandy, "Danm, he gave you a great fucking. I had some amazing visuals." She said, " Yes, he has a great cock and he knows how to use it too. He had a few motions – most do not have – it felt great. I had a few tiny orgasms and I came big twice."

Jason returned. He said, "Well, this was something I did not expect and no worries – it will remain private." I said, "thanks Jason. He said, I'm going to head down to my own bed and get some sleep. Mandy stood up and gave Jason a hug. She walked him to the door. Mandy said, "Good night Jason."

Mandy walked back to the table – she said, “He’s a good guy – I like him.”

Jason was the only hotwife sexual experience that Mandy and I experienced at this resort. We had a great vacation. Many delicious meals, met lots of nice people plus we enjoyed lots of long romantic walks on the beach. Mandy and I had great sex every day – sometimes twice in a day. I love Mandy.

Story Nine

Grocery Store

It's Saturday about 10am. Jack is meeting with a couple of his friends for coffee at a local coffee shop. I slipped on my sweat pants, a t-shirt, my cap and tennis shoes. I wasn't out to impress anyone. On the way out, I put on my sunglasses – I am headed to the grocery store.

I need lots of groceries – the cupboards are getting bare. I don't like to be out of everything, but we live busy lives and I have to find time to grocery shop. As usual, I shop for vegetables first.

I grabbed a bag of celery, some big plump tomatoes and some fresh mushrooms. I twisted around to pick up a few cucumbers. There was one nice big cucumber and I wasn't sure I wanted it – it actually triggered me to think very sexy thoughts.

There was a man standing next to me as I was thinking and kind of stroking that big cucumber – it was like I was in dream land. He said, “fresh cucumbers that size are unusual, aren't they?” His words woke me up.

I giggled and said, “Oh, my mind went down memory lane there for a little bit.” The man was a gentleman and he said, “I can only imagine.” He said, “Hi, I'm Paul and held out his hand.

I shook his strong hands and replied. “I'm Mandy, Paul – it's very nice to meet you.”

I said to Paul, “You have strong hands.” Paul said, “I'm own a landscaping business and I'm outside a lot. I may love my work too well.” I said, “Well, it sure keeps you in good shape.”

Paul said, “Well, you look in good shape yourself.”

I said, “Well, I work out with a trainer about 2-3 times a week – I really have to work at it – it's not easy.”

Paul appears to be in his late 40s. About 6 ft tall and 185 lbs, dark tan and is dressed in shorts and tennis shoes. I'm attracted to his body

and his personality. Paul is a very rugged man and strong too. He probably has lots of stamina and will fuck like a machine.

He's very easy going and flirts with me easily. He is very down to earth. I don't see a wedding ring. I couldn't help but notice – but he also appears to have a nice package too.

I'm wearing my "hotwife" ankle bracelet. I'm sure he hasn't noticed. Very few men understand it's significant, but some do. Paul looks away – I drop my keys on purpose.

I place my right leg with my very obvious gold ankle bracelet next to my keys. Paul turns and immediately drops down to pick up my keys for me. He stops and looks at my ankle bracelet.

Paul says, "Nice ankle bracket, Mandy." He stood up.

I said, "Oh, I'm glad you noticed – most people never notice it." I was at a party once and a few of the ladies wore similar ankle bracelets. I said, "Wow, what type of party was it?"

Paul said, "Well, I'm not sure how to say this – but it was a swinger sex party."

I said, "Nice, well, at least you know what the bracelet means, huh? – Did you get lucky at the party?"

Paul smiled and said, "Well, the truth is – I had a great time and it was my first party of that kind."

I said, "Well, I'm sure you made the ladies happy."

Paul said, "I'd sure like to make you happy sometime." I said, "Paul, you may get your chance – maybe we can make each other happy, you think?"

Paul said, "Mandy you took the words right from my mouth."

I giggled and said, "I'd like to have something else in my mouth – if you know what I mean" I gaze down to his crotch.

Paul smiled and said, "Let me send you my cell phone number." I gave him my number."

I said, "Ok, got it – thanks."

Paul said, "Do you have plans today or this evening?"

I said, “Not that I know – I’ll check with my husband.”

I’ll call him right now. *“Hi honey, what’s up?” I’m at the grocery store talking with a very handsome man named Paul. We are having a good time talking and I wanted to see if we had any plans today –hint-hint. (giggle) Ok – I’ll see you soon.”*

I smile and look up at Paul, “Well Paul, this might be our lucky day – we have nothing planned which means you and I can play- we just need to make a time – come on, walk with me while I do some more shopping.”

Paul said, “No problem would love to.”

I said, “I’m headed over to the meat department.”

Paul said, “I’m going to pick up some bread and I’ll meet you over there.”

A few minutes later – my phone rings. I look at it. It’s Paul and he’s attached a photo. He standing with his big hard cock. He has one of those big fat mushroom cock heads. It was magnificent.

I text back – *“Very nice – love it - can’t wait.” I text back my naked ass. He texts back – “hmmmmm nice ass.” I text back – “this is making me horny – I want to fuck you.” Paul text back “me too- I want to stretch your pussy.”*

I look up and he’s standing in front of me. I said, “My gosh, I was about to have an orgasm right here in the grocery store.” (giggle) Paul laughed.

We walked through the grocery store and my grocery basket is filling up. We laughed and got acquainted. The more we talked, the more I wanted to fuck him.

Our shopping spree was over. We are walking in the parking lot towards our cars. I said, “Call me in a couple of hours and we’ll have a better idea of a time to meet.”

Paul said, “Sounds good Mandy – it was great getting acquainted with you. I’ll talk with you soon.”

I said, "OK – later gator." (giggle)

Lamb Chops

I'm at home and Jack returns from his visit with his friends. Jack said, "So, you met a bull who might be fun?"

I said, "Oh yeah, it's been about two months since we had a 3rd and he was in the right place at the right time – God, knows, I'm fucking horny too."

Jack said, "Great, I'm up for it too – you know I love to watching you get a good fucking."

I said, "He's got one of those hug mushroom cock heads too." Jack said, "Oh Wow- you haven't had one of those in awhile."

I said, "I know – I can't wait to fuck him."

Jack said, "Well, if you trust him – we can arrange to invite him here, if you wish – the kids will be away most of the weekend."

I said, "I feel pretty good about him – he's a business owner and I think he's fine." Jack said, "Ok – well, let's fuck this stud right here then."

It was about 2pm. I placed all the groceries away and Jack and I had a late lunch together. He watched a golfing show and I was reading my book. I'm always reading a book.

My phone rang. It is Paul. I said, "Hi Paul." I invited Paul to our home and I gave the address. I'm going to cook dinner for all of us. I told him to dress very casual because it's coming off anyway.

Paul arrived about 6:30 pm. He was wearing nice but very casual clothes. I introduced Paul to Jack. They shook hands and Jack offered him a drink. Paul had a vodka on the rocks. Jack was sipping a cold beer. I'm drinking red Merlot wine.

Jack and Paul are in the den talking. I'm in the kitchen cooking. We're having broiled lamb chops, sweet potatoes, green string beans plus green salads. Jack and Paul appear to be getting along very well. I heard a few chuckles.

Paul comes into the kitchen and lightly rubs his big cock on my lower back. I turn around and kiss him – I reach down to squeeze his plump cock. His breath is sweet and I sucked his tongue. I'm wearing a short white skirt – a skimpy blouse and thongs. Paul reaches under my skirt and feels my moist pussy. I'm not wearing any panties.

I said, "Well, I think dinner is ready." Paul said, "I'll help you carry the food to the table." I said, "thanks."

Jack is already at the dinner table. We all sit down. I hold my two men's hands and said grace.

"Dear heavenly father, thank you for this delicious food and the nutrients it will provide us. Thank you for placing Paul at the right place at the right time. Jack and I are grateful for the fun sex we plan to enjoy this evening. Thank you father. – Amen"

I said, "It's not often people thank our heavenly father before having great sex." (giggle)

Jack said, "I agree to that."

Paul said, "that prayer meant a lot to me. I'm never a person who lives in guilt or shame for having great sex."

I said, "That is exactly how Jack and I feel."

We all began to eat – laugh and got better acquainted. Jack freshened our drinks. We are feeling good. Paul said, "This all tastes very good, Mandy, thank you."

Jack said, "Yes, you certainly out did yourself, darlin."

Let the Fucking Begin

We carried our drinks into the den. We have two large matching couches and two large chairs. A large oak coffee table. The fireplace is facing the couches. We have a very large area rug – lying over dark hard wood floors.

Jack started a fire in the fireplace. There is plenty of room for fucking in front of the fireplace. It's almost the only light in the room except for a small table lamp. The atmosphere is perfect for fucking.

Jack is sitting in one of the large chairs. Paul and I are sitting on one of the couches – facing the fireplace. We're all enjoying the moment – watching the fire and being quiet. It's nice – we all know what is going to happen, we're just not in a hurry.

I didn't say a word – I just walked into the bathroom. I returned naked – Paul look on his face was slight smile. I stood in front of him – I reached for his hand and placed it on my pussy. I took over from there.

I'm shave smooth – he gently inserts two fingers inside my pussy, then removes his fingers. His fingers are wet with my juices. He licks and sucks his fingers and reinserts his fingers. I look down and his cock is rock hard in his pants – it looks delicious. The fire is roaring and providing the perfect light.

I hold Paul's head and motion for him to stand up. I pull down his pants – he steps out of them. He sits down and I remove his socks and shoes. He takes off his shirt. We are both naked.

Paul's big fat cock is standing up at attention. I hold his cock in my hand. I get on my knees in front of him as he is sitting. I want his fat dick in my mouth. I move my face close to his big mushroom cock head.

I look at it with wonder – I admire the beauty of his nasty big fat cock. I softly move my mouth over his big cock head. Paul gasps. I love to suck cock – especially, a nice big fat cock like this. Paul secretes some juicy precum – I suck it up. I love cum. I like to swallow cum too – it is so sexy to me.

I look over at Jack. He's slowly stroking his cock while watching me have fun sucking Paul's cock. Jack thinks its hot when men truly enjoy my mouth on their cock.

Paul's cock is wet from my mouth. I stroked his big dick softly. I like to put my mouth over the head and gently suck while slowly stroking his cock. Paul is loving it. His cock and balls are shaved.

I'm glad – I like a smooth shaved cock. His big full balls are so sexy. I lick and suck each one. I look up at him – he's looking down at me. Your big fat cock is turning me on. It's incredible.

Paul softly said, "I think you're hot too, Mandy."

I stand up and straddle Paul's body. Paul quickly grabs his cock and holds it up so I can sit down on it. I slowly move down on his huge mushroom cock head – it slowly penetrates my wet pussy. It feels so good. I move down more – I have at least half of his big cock inside me. I move up and down.

Paul grabs my ass and slowly rocks me. I move down more – I want all of his big cock inside me. His big dick is filling me up – I can feel my pussy being stretched.

I'm able to slowly move only my ass up and down – allowing his big cock to stretch my pussy while giving me full strokes. Paul is enjoying the ride while kissing and sucking my nipples.

I feel the sexy warmth from the fireplace. I remove Paul's cock. I stand up and take his hand – there is a comfy bear like rug in front of the fireplace. I lie down on the rug and spread my legs. Paul does not waste time.

He mounts me. He plunges his big fat dick inside me with one big thrust. I gasped and said, "Damn, you have a big dick! – I love it." Paul fucks me good. He's very gentle at first, but then he speeds up.

He's banging my body. I feel his big full balls slapping my ass. I'm about to cum. I said, "ewwww don't stop, I'm cumming!" Paul pounds me – I love to hear our naked bodies slapping together. Damn, I came so good.

Paul turns me over. I raise my ass and keep my face on the bear rug. Paul's big dick finds my pussy again and enters. I said, "Oh my god, that big cock head feels so good.

Paul's just pops his big cock head inside and out, in and out, in and out – then he thrusts his entire thick cock inside. "OH!!!!!! That's good!" "Fuck me, Fuck me, Paul."

Paul fucked me and even slapped my ass a few times. I love that. He sticks his finger inside my asshole while he fucks me. That feels so good.

I want to get on top and fuck him silly. Paul moved over and I crawled on top and inserted his massive pole inside. I was still slippery wet. I rocked his cock! Paul is a great lover. I can tell he's about to cum. I said, "Paul, I want you to cum in my mouth."

He said, "oh my god, I'm cumming. He pulls out while gripping his cock. I quickly turn around. I shoved his big dick inside my mouth and sucked – while stroking his his cock.

He squirted a big load of cum and I swallowed – then he gave me another big load of cum and I kept stroking and swallowing. His cum was so sweet. I kept sucking – gently stroking his dick. Paul had a lot of cum! It was delicious.

We both sort of giggled – we had a great fucking time.

We moved over to the couch and sat down. I looked over at Jack. I said, "How was the show honey?"

He said, "I loved it – I wouldn't mind seeing more."

I looked at Paul. "What do you think?" I'm up for it whenever you are.

Paul said, "Hell yeah!"

We all sipped on our drinks. I got up and got myself another red wine and sit down back on the couch. Paul said, "So, do you guys do this kind of stuff often?"

Jack said, "Well, not near enough." Mandy is too picky."

Paul said, "That's a good thing, I suppose."

I said, "Yeah, I like handsome, clean, polite men with big dicks."

(giggle) It's tough to get all four in one man.

I holding my wine glass with my left hand and I'm playing with Paul's big dick with my right hand. I like feeling his fat mushroom cock head in my hand. My hand also finds their way down to Paul's full balls – massaging them feels good to me too.

I'm not trying to make Paul hard – I just enjoy playing with this big thick dick – however, his fat cock is swelling. I take Paul's hand and we move over to the other couch.

I sit him down, then lie him on his side with his back against the back of the couch. I lie down too – we face each other. I'm sucking his cock while he sucks and licks my pussy.

Jack can get an eye full too. It's good for all three of us. I'm moving my pussy – Paul is sucking my clit so good. I'm cumming!!! “Oh! Oh! I'm cumming – I keep sucking Paul's big dick.”

I move around because I want his big dick inside me. Paul is still lying on his side behind me. I'm on my side – I raise and open my leg so he can insert his big fat cock head inside my pussy.

He pushes and I can feel his big dick stretching my pussy and it feels good. I'm in total ecstasy. Paul thrusts his cock in and out – in and out.

His arm is around me. I can feel him kissing the back of my shoulder while he fucks me. My legs are wide open so Jack can see Paul's big cock moving in and out. My soft screams are getting louder.

I can feel that I'm about to cum again. “OH! Ewwwww, I'm cumming Paul – keep fucking me! – Fuck I love it!”

Jack is stroking his cock and is liking the visual me getting good and fucked.

Paul moves me onto my back – he moves up and straddles my body and inserts his cock into my mouth. I suck – stroke his cock and massage his big balls. I keep sucking more and more – I love stroking his big fat dick. His balls are slapping my chin.

Paul said, “Ok babe, here you go!” UGGHHH – he lets out a manly grunt and unloads his cum into my mouth. I swallow and keep sucking and stroking. He gives me one more big load. I swallow and keep sucking. His cock is slowly going limp – but I keep sucking. I'm holding his balls.

He looks down at me and smiles. He says, “Mandy, you're the best.”

I took his cock out of my mouth and said, “Well, thank you, I love hot sex with a big dick.”

Jack said, "I loved it too. I came about 3 minutes ago. I came when you came darlin. Damn it was hot."

Paul said, "Damn – that was the hottest sex I've had in years."

I sat up on the couch. Paul gathered his clothes and went to the bathroom.

I said to Jack, "Damn, he was a good fuck. I came soo fucking good – both times." Jack said, "You were hot darlin – that's for sure – thanks for the great show – I loved it."

I said, "Anything for you babe- I love you."

Paul returned fully dressed. Jack said, "well, it was great to meet you Paul, maybe we can meet again sometime."

Paul said, "I would like that."

I walked Paul to the front door and hugged him good-bye.

I grabbed my wine glass and freshened Jack's drink. I handed Jack his drink. I clicked our glasses and said, "Cheers honey!"

Jack said, "Damn, I love you Mandy."

Story Ten

Mandy often visits a local Irish pub. The small pub is decorated with lots of dark wood, a couple of bars and plenty of private booths.

Mandy usually sits in one of the small private booths, but she can see almost anyone who walks in and wherever they sit, they can see her as well. Mandy sometimes gets lucky. This bar is sometimes good for finding big cocks. Plus the booth is near the restroom. Nearly, every man in the bar will eventually have to visit the restroom.

Mandy usually drinks dry vodka martinis with an olive. Mandy, almost always dresses very classy, but sexy. She's about 5'4", 130 lbs, full rounded breasts and is attractive with a great smile. She has a soft out-going personality. She's never loud or obnoxious.

Mandy is usually not very aggressive – she allows the man to take the lead, however, once she knows he's available and is interested, then she will let him know that she is available and ready. She is not shy, but is not aggressive in public. She turns into an animal in private.

Mandy notices a man who might fit her needs.

She catches him looking her – she smiles and uncrosses her legs slowly adjusting her skirt. He nods and smiles back her. He's sitting at the bar. He's about 6' and dressed in slacks and sport jacket – about 40ish.

Mandy slides out from her booth - she knows he will watch. Mandy slowly opens her legs and allows him to see she is not wearing panties. She stands up and walks to the restroom.

As luck would have it, when she comes out she runs right into him. Mandy says, "Nice bumping into you." (smile) He said, "Nice bumping into you as well." They share a giggle.

Mandy returns to her booth. He walks out of the restroom and walks to her booth and introduces himself. Hi, I'm Joe and holds out his hand. Mandy takes his hand and says, "I'm Mandy, very nice to meet you – would you like to sit down with me?"

Joe said, “Yes, I would and thanks for inviting me.” Mandy is trying to see an outline of his cock without being obvious.

The waitress came by and they both ordered. Mandy had another Martini.

Mandy and Joe exchanged small talk for about 10 minutes, such as; Do you come here often? The weather and a few likes and dislikes.

Mandy is feeling safe, which is important. Joe is an Engineer and is married. Mandy admits she’s married as well. He has not harsh words about his wife. They have something in common. Joe admitted he’s not loyal to his wife and Mandy admitted that she is not either. (Mandy is just telling him what he wants to hear.)

Mandy takes a sip of her Martini and says, “My husband has a tiny dick”. Joe already had a mouth full of his drink and almost spits it out. Mandy said, “Well, I didn’t expect you to say that ... my wife says my dick is too big.” Mandy said, “Well, that’s a good thing as far as I’m concerned.”

Joe moves closer to Mandy in the booth. She lays her hand on his leg and says, “I like you closer to me.” Joe looks into Mandy’s eyes and lays her hand on his crotch. Mandy takes the hint and begins to massage his cock. Joe says, “Feels good.” His cock begins to swell.

Mandy could feel his girth and his dick is big and thick, just like he said. (At least he’s telling the truth) Mandy said, “I think I hit the jack pot!” Joe said, “I think I did too.” Mandy whispers in his ear, “Where can we make this happen?”

Joe says, “I have the keys to a friend’s apartment – he’s out of town and it’s only about 2 miles from here.”

Mandy said, “Perfect! Let’s go.”

They pay their bill and leave the small Irish Pub. Mandy follows him to the apartment and they walk upstairs. Joe has his arm around Mandy.

They walk into the small apartment. The place was clean, sparsely furnished, but it did have a big king size bed and that is important.

Joe started unbuttoning his shirt. Mandy stands across the room, kicks off her high heels and undresses. She slides off her panties and

walks naked over to Joe. His shirt is off and his shoes and socks are off, but he still has his pants on.

She guides him to the bed. Mandy sits on the edge of the bed. She pulls down his pants and then his purple boxers. His big cock is already standing at attention.

Joe, then sits up on the edge of bed and Mandy drops to her knees and quickly has Joe's big dick in her mouth. Mandy sucks his cock while sliding her mouth and hands up and down. She massages his big balls.

Mandy says, "I bet you have a big hot load for me."

Joe said, " Oh yeah, I'll give you a big load."

Mandy giggled and said, "I hope so, just make sure it's in my mouth." Joe said, "Oh you like to swallow, huh?"

Mandy said, "You bet I do, every last drop."

Mandy stands up. Joe moves into the center of the bed. Mandy lays next to Joe, kissing his mouth and stroking his gorgeous big cock. Joe feels her wet pussy and knows she really to be fucked.

Joe opens Mandy's legs – she's shaved and he goes down for a taste. Mandy moans as Joe suckles her clit and Mandy orgasms quickly. Mandy said, "Joe give me your big dick, I want it now." Joe mounts her – squeezes his big thick cock inside. Mandy groans with pleasure.

Joe says, "My god you're tight."

She said, "You're so fucking big, I love it." Joe pushes his cock all the way inside – his balls are laying on her ass. Mandy said, "Oh geeze, it's soooo good, fuck me Joe, fuck me!" Joe bangs her pussy over and over. He has loads of stamina.

Mandy says, "Oh my god, you're a great fuck, don't stop, I'm about to cum." Joe fucks and fucks and Mandy screams, "I'm CUMMING!" Her legs are wide open, then she gripped his waste with her legs. Mandy's body is quivering. Joe slows down and allows her to recover.

Joe's cock is rock hard. Mandy said, "Fuck me Joe, give me your hot cum." Joe fucked her feverishly until he was about to cum. Joe rushes up to give his load to Mandy – she leans up to suck his cock.

Joe says, "Here you go baby!" Mandy sucks while stroking his cock. Joe let's out a big groan, "Ugghhhh!" Mandy keeps sucking. She sucks every drop from Joe's big dick. She licks the tip of his cock. Joe said, "Damn, that was good, baby."

Mandy said, "It was all good, I loved it, you're a great lover Joe." Joe said, "Thanks, I haven't heard that in a long time."

Mandy said, "I'm sorry, but it's true."

They lay in each other's arms for about 15 minutes. Mandy scoots off the bed and walks over to her clothes. Joe says, "Mandy, you have a great ass."

Mandy says, "thanks, that's good to hear."

Joe puts on his clothes as well. They walked downstairs to their cars. They hugged and said their good-byes.

Story Eleven

Mandy is walking inside a large shopping mall. She's looking for a new dress to wear at a special event next month. She goes from shop to shop, but can't seem to find the right dress. She's wearing casual clothes – tight leggings and boots. The leggings show off her great ass.

Mandy walks into one of the dress shops. She was the only person inside and it was about 5pm – closing time. She said to the manager, “Are you about to close?” He said, “Yes, I will lock the door and you can let me know when you're ready to leave – shop as long as you wish.”

Mandy said, “Thanks, I appreciate it.”

Mandy is trying on a few dresses – the manager asks, is there something I can help you with? He is young, about 30 years old, good shape and polite. He's standing next to Mandy. He was wearing tight pants and she could see the outline of his cock. Mandy is thinking, “If it's a big as it appears, then it will be huge on the outside.”

Mandy is not wearing panties. She allows the door to be cracked while she's inside dressing. There is a mirror inside and she could see him sneaking a peak, which is exactly what she wanted.

Mandy took a chance and stepped out – naked from the waist down. He was standing just outside the door. She asked him to hand her the dress that was hanging on the rack.

She stood there almost naked and he walked over and handed her the dress. Mandy said, “Thanks, I hope you don't mind a naked woman in your shop.”

He said, “Are you kidding me, not at all.”

Mandy was talking to him from inside the dressing room. She said, “My name is Mandy.”

He said, “Hi, I'm John”. Mandy said, “John do you have a girlfriend?” He said, “Nope, we broke up a month ago.”

Mandy said, “Oh, sorry to hear that.” John said, “Are you married?” Mandy said, “Ask no questions and you get no lies.” (giggle)

John said, "Oh, I see." Mandy comes out again almost naked and says, "so what do you think?" John says, "I think you're gorgeous."

Mandy said, "I think you are too."

She moves closer. John moves closer. Mandy puts her arms around his neck and kisses his mouth. John kisses her back. Mandy reaches down and feels his big dick.

John is looking out the window. Mandy says, "are you afraid of getting caught?" John said, "Well, I've never done this before."

Mandy said, "Well, first time for everything – can you keep this experience private?"

John said, "Oh heck yeah."

Mandy said, "then get those pants off and lets fuck."

John takes off his clothes and his big dick just flops down. Mandy is in shock because it's bigger than she could imagine. She drops to her knees and sucks his dick – first sucks the big head- she could barely get it her mouth...then it grew fast.

John had at least 9" and low hanging big balls. Mandy said to herself, "What a gorgeous cock!" She sucks and strokes it while feeling his massive balls.

There is a dressing stool inside the dressing room. Just big enough for Mandy to lean over. She guides John into the dressing room and leans over the stool. Mandy says, my pussy is wet and ready for you John. John inserts first the head. Mandy says, "hmmm...that's good."

He pops just the head in and out a few times, then he plunges his big cock inside. Mandy moans with pleasure...."Oh my god that's good, fuck me John". John slam fucks her for about 10 solid minutes – enough to make Mandy cum good.

Mandy turns around and sits on the stool. John's cock is rock hard. She sucks and sucks, stroking it over and over. She's says, "Cum in my mouth John, I love it." That comment alone made John hot.

He took her head in his hands and started gently fucking Mandy's mouth. "Ugghhh.....John cums a big load." Mandy keeps sucking slurping up all the cum.

John said, "that was great – damn what a day this has been."

Mandy said, "Yep, you never know what a new day will bring." (giggle)

Mandy puts on her clothes and heads for the door. John pulls out his keys and unlocks the door. John joking said "Come back and see us."

Mandy said, "Thank you so much for the great service." (giggle)

Story Twelve

Mandy is invited to a Garden Party. It was a neighborhood meet and greet. It was a summer evening and she had on a white backless dress.

She had a great tan too. It was an open bar and there was a bartender. She had her usually Martini with one olive. Most of the people there were couples, a few single men and a few single women.

It's been awhile and Mandy is super horny for a big cock, however, she didn't expect to find a man at the garden party. Mandy is floating around – there must be 50-60 people there. Mandy was talking with acquaintances and few strangers – just light chit chat.

There was a large barbeque station and they were cooking hamburgers and hotdogs. People were lined up getting their portions. Mandy did not eat, just a few pieces of watermelon. She was happy with her Martini.

Mandy walked inside the house to use the bathroom. On the way inside, she met a gentleman. They were waiting in line together. He said he was a dentist and was new to the area. He is starting a new practice.

Mandy thought he was a handsome man and he appeared to be very polite and gracious.

Mandy noticed his wedding ring. She said, so, are you here with your wife? He said, no, I'm freshly divorced – no violins please. They both laugh. Mandy introduces herself. "I'm Mandy."

The dentist says, "I'm Greg." It's nice to meet you. Mandy said, "the pleasure will be all mine, I'm sure." (giggle)

Greg went inside the bathroom but the door popped opened. It was just enough Mandy could get a gander at his cock. Mandy said to herself, "Damn!!!" Greg came out and Mandy went inside the restroom.

Greg was waiting for her when she came out. He said, "I hope you don't think I'm stalking you – it's just that I know very few people."

Mandy said, "No worries, you're in great company, because I don't know many people either." Mandy said, "I have an idea – we'll stand here

and act important and as if you and I have known each other for years.”
(giggle)

Mandy and Greg exchange chit chat, then Mandy decides to get serious. Mandy wants his big cock – she’s thinking how can I get a taste of that big dick and still be a lady?

Greg leaned over to get a napkin from the bar and when he did he brushed his cock against Mandy. This was Mandy’s big chance. Mandy said, “Is that a big stick in your pocket or are you glad to see me?”

Greg was bold enough to say, “Both my darlin.” They both laughed. Mandy said, “I like big sticks.”

Greg said, “Do you know?”

Mandy said, “Yep! Me and big sticks get along very well.”

Greg laughed and said, “Well, my big stick is always looking for somewhere to play.”

Mandy said, “Well, I think you found it.”

Greg said, “Well, that’s good to know.” They are not looking at each other, they are having the entire conversation looking straight ahead.

Mandy said, “Follow me Mr. Big Stick.” Greg follows Mandy into the house. It is practically empty, everyone is out on the patio. She walks down a hall and opens a couple of doors – looking for somewhere they can fuck in private.

Finally, she opens a door and the large closet is almost empty – all it has is an old chair. Mandy pulls Greg inside. Mandy asks, “Is this good for you?”

Greg says, “Hell yeah!” They close the door behind them. Mandy sits in the old chair and unbuckles Greg’s pants and pulls his pants and boxers down together. Greg’s big dick flops out. It is long and thick.

Mandy engulfs as much of his cock as she can. His cock grows fast and becomes rock hard. Greg said “Damn, you’re good.” Mandy sucks and strokes his big dick.

Greg grabs her by the back of the head and moves his cock in and out of her mouth. She stands up and sits Greg down on the chair. She straddles the chair and eases her pussy down on his big cock.

Mandy says, "Damn you're big!" Greg moves with her as Mandy rocks and grinds his big dick.

Greg said, "Oh baby slow down, you're going to make me cum too fast."

Mandy moves up and down several times and has a very wet orgasm...she says "I'm cumming...ewwwww." Mandy's body quivers during her intense orgasm.

Greg says, "I can't hold back, I'm going to cum." Mandy quickly gets off and grips his cock and starts stroking...with her mouth waiting for the cum.

Suddenly Greg's cock explodes. Mandy's mouth opens wide for his big cock head and she began to suck and drink his cum. Greg did not expect this and it was extremely intense. He said, "Wow..that was fucking incredible." Mandy said, "Good because I love to please." They relaxed for a few minutes.

Greg slid on his pants and boxers and Mandy straightens her clothes. Mandy opened the closet door to see if anyone was near. They both walked out as if nothing happened. THE END

Story Thirteen

Mandy was sitting in a restaurant. It was just an average restaurant – not too extravagant. She had an appointment with her accountant. He called and said he was sorry, but he would not be able to make it. Mandy didn't mind, it was just an excuse to get out of the house.

Mandy was sitting in the corner of the restaurant near a large bay window. She ordered soup and salad. She went to the restroom and it was nice. The stalls went from the ceiling to the floor and there were four.

Mandy returned to her table. Her phone rang and the man said, "Hey lady want to fuck?" Mandy wasn't going to pass that up...she said, "Well, yes, I do! Who is this?"

The man said, "Mam, I'm so sorry, I dialed the wrong number."

Mandy said, "Wait don't hang up – let's play – got some good cock pics?"

The man said, "Well, I most certainly do – check this out."

Mandy was surprised and didn't expect this...he had a gorgeous big dick." Mandy text back a pic of her ass and said not bad for 45, huh?

The man said, "Nope...you have a great ass – let's hook up."

She said, "I'm at Jupiter's Nest on Grand Ave."

He said, "I know exactly where it is – I can be there in 15 minutes."

Mandy said, "text me a face shot, so I will know who you are."

He said, "You got it."

She said, "by the way, "I'm Mandy."

He said, "By the way, I'm Nick the Prick".

She said, "Great, see you soon Nick the Prick."

Nick arrive on time. Mandy waved at him. He walked over and took Mandy's hand and kissed it. He said, "Hi, I'm Nick the Prick." Mandy giggled and said, "I'm Mandy, nice to meet you." Nick sat down in the booth.

Nick was not a bashful man, he was about 35 years old and was a bit unkempt, but handsome in his own way. Nick said, "I'm in sales and I love to meet people."

Mandy said, "Yes, I can tell." Well, I hope I wasn't too forward – I kind of go with the flow. Mandy said, "Well, you sound like my kind of man." (giggle)

Nick said, "So, are we going to my place or yours?"

Mandy said, "Neither." I want you to fuck me in the restroom. Are you up for it?"

Nick said, "Wow, never done that before." Mandy said, "I've already scoped it out – follow me."

They get up and walk to the women's restroom. Mandy says, "Hold on...let me see who is in here." She peeks out and says, "Come on in!" They rush to the back stall and step in side. Mandy locks the latch.

Mandy sits on the commode. Nick is standing in front of her. He's wearing gym pants. She slides down his pants and he's already hard. He is huge! Mandy says, "Wow, you were not lying!" She takes his cock in her mouth slowly sucks.

She wants to enjoy his cock.

He secretes precum and she licks it off the tip of his dick. He has a large mushroom head. She feels his balls and they are shaved smooth. She lifts up his cock and licks and suckles his balls. His cock is rock hard. Mandy says, "I think this guy is ready to fuck."

Mandy is wearing a skirt. She unzips it and slides off her panties. She stands and bends over the commode so Nick could have easy access to her pussy. She spread her legs. Nick moves into position.

He hold his dick and puts it right at the entrance of her pussy. He presses and it pops inside. Mandy, "Oh god that feels good!" He kept pressing and finally his entire cock is inside. Mandy, "Damn, you have a big dick."

Nick says, "Yep, that's what they say."

Mandy is letting out soft moans. Nick fucks her slowly and could feel Mandy's wet pussy. Mandy says "Faster Nick – I like to feel my pussy stretch." Nick plunged his cock inside – in and out – in and out- in and out. He's slamming her pussy good.

Mandy says, "God, I'm cuming, I'm cuming...it's soo fucking good!" Nick keeps fucking her. Nicks says, I'm coming too! He pulls it out and strokes out a load of cum on Mandy's ass. She loves it.

Mandy's body is still quivering from her orgasm. Nick, being the gentleman he is, takes tissue paper and wipes of her ass and his cock.

Mandy stands up and puts her panties on and her skirt.

Mandy walks out first and checks to see if the coast is clear. One lady was inside but just left. She motioned for Nick to come out of the stall. They both walk out of the restroom and back to the table.

Nick said, "Well, hate to fuck and run, but I have an appointment in 20 minutes and I'll barely make it." Mandy whispered in his ear, "Thanks for the cock, Nick the Prick." They both laughed. Nick left with a smile on his face.

Mandy was smiling too.

Story Fourteen

Mandy often attends Church. Somehow church and Mandy's lifestyle doesn't seem to go together, but who are we to judge, right? Mandy says she enjoys the music and I have to admit she is very spiritual. She does believe in God. I believe God created sex for a reason and it wasn't just for reproduction purposes. He wants us to have sexual pleasure as long as we can as long as it is with consenting adults. This is my opinion.

Mandy is sitting near the front row, in church – it's her favorite place to sit and listen to the music and the sermon. The music is great.

She's sitting next to a casually dressed man. The minister asked everyone to stand up and meet the person next to them. Mandy stood up to her right and the man said, "Hi, I'm Rob."

Mandy said, "I'm Mandy, nice to meet you."

He said, "I'm a hugger are you?"

Mandy said, "Absolutely" and she moved close and hugged him. Mandy thought – Oh my god, I could feel his cock against me.

Rob said, "I don't come to church too often, but I'm glad I did today."

Mandy said, "I understand, I come when the mood strikes." Rob said, "Well, my wife and I are separated and I'm sort of going through some rough times." Mandy said, "Oh, I'm sorry."

Rob said, "Well, it's actually a god-sin, we are not meant to be together." Mandy said, "I understand, it is what is is – life goes on. I'm sure you'll find a woman to make you happy."

Rob said, "Would you like to have coffee with me after the sermon?" Mandy said, "Yes, I would like that."

The church services came to an end and Rob and Mandy walked to the church coffee shop. They sat next to the window. There were gobs of people in the lobby area, however, they were able to have a private conversation.

Rob asked, "So, I see you're married." Looks down at her wedding ring. Mandy never takes it off.

Mandy said, “ Yeah, I’m married and I have three grown children.”

Rob says, “I’m glad you have a great marriage.”

Mandy says, “Well, my husband and I have never had a serious argument in twenty five years, however, he is seldom home. He travels a lot.”

Rob replied, “Oh that’s too bad.”

Mandy said, “It’s probably why we get along so well.” (giggle)

Rob said, “Yeah, I’m not too sure I would be able to stay away from a woman like you, after all you’re in great shape.”

Mandy said, “Well, thank you, my husband and I do not discuss our extra curricular activities, if you know what I mean.”

Rob said, “I think I understand, you sort of have an open marriage?”

Mandy said, “I guess that’s what you call it.” (giggle)

Rob said, “Well, whatever works, you know?”

Mandy said, “Believe me, It works very well, so, what do you do for a living?”

Rob said, “I’m a Contractor. I build custom homes. I travel too, but just out to small towns. I own a custom van, I spend a lot of time in it – to save on Motel expenses.”

Mandy said, “That’s a good idea – would love to see it sometime.”

Rob said, “Well, I’d be glad to show it to you right now, if you like?”

Mandy said, “Yea, I would like that.

Mandy and Rob walked out to the parking lot. Rob parked his van on the other side of the parking lot.

Rob opened the doors to allow Mandy to peek inside the cab.

Mandy asked, “So, where is your bed.”

Rob said, “Oh walk around here.” He opened the panel door and there lays an almost full bed. The inside was clean and neat with pillows and sheets.

Mandy said, “”The bed looks so comfy.”

Rob said, “Yes it is very comfortable, Care to lay down?”

Mandy said, “I’d love to try it out.”

Mandy climbed inside. Rob climbed inside with her while closing the panel door. Mandy thought laid down and thought now what?

Rob laid next to Mandy – laying on his side, supporting himself on his elbow. Mandy was laying flat. Mandy said, “Wow, this is very comfortable – I could start to like this.” (giggle)

Rob said, “I hope I’m not too forward, but I’m very attracted to you.”

Mandy said, “Thank you Rob, I think you’re a handsome man.”

Rob asked if he could kiss her. Mandy didn’t answer she just leaned up and kissed Rob and slipped her tongue inside his mouth.

Rob kissed her back and they slowly French kissed each other – sucking each other’s tongues and lips. Mandy was thinking – this is so erotic and he is such a great kisser. She is hoping to get his cock soon.

Rob is just an inch from Mandy’s face. He said, “What should we do now?”

Mandy said, “Well, what do you want to do?” Rob said, “At the risk of sounding desperate, I’d sure like to hmmm.” Mandy said, “Don’t be shy just because we’re in a church parking lot. Just say it that you want to fuck.”

Rob said, “Ok, I’d like to fuck you right now.”

Mandy said, “Now, don’t you feel better. (giggle) I want to fuck you too! THERE we both said it.”

Mandy said, “God only knows I’m fucking horny!” She leans up and takes off her blouse and slides her skirt off and removes her bra. Rob removes his clothes as well. The van is plenty large enough to move around. Mandy is still not sure, but is hoping Rob has a nice big cock.

They are both naked now and laying side by side. It is actually very romantic, unlike many of Mandy’s other sexepades. She feels very close to Rob. He seems to be a very good man.

Mandy is tasting Rob’s lips with her tongue. She reaches down to feel the goods and she was totally shocked at what she found. Rob was not only hung but very HUNG.

She stops and says, “let’s give thanks to our heavenly father, shall we?”

Rob looked a little surprised, but he went with the flow.

Mandy began the pray by saying, *“Dear heavenly father ... we are grateful for this meeting between and we are grateful for the pleasure we will bring to each other . Thank you so much for this experience. – Amen”*

Rob said, “Wow, prayer was great Mandy.” Mandy said, “Yeah, let’s fuck, shall we?” (giggle)

Rob’s cock is hard and very thick. His crotch is well manicured and his balls are big but tight. Rob finds his way to Mandy’s spot as well and inserts his middle finger.

Mandy is wet – very wet. He gentle massages her pussy. Mandy does not expect this, but he brings his finger up to taste her. He sucks the juice off his finger. This act turns Mandy on!

Mandy scoots down so she can suck his big dick. She suckles his dick while slowly stroking. She massages his balls. Mandy is big on massaging balls. Rob said, “Darlin, be careful, it’s been awhile I might cum too quick.”

Mandy said, “I don’t mind I love to swallow cum.”

Mandy keeps sucking his cock – Rob suddenly explodes in Mandy’s mouth – she keeps stroking. Mandy said, “Yum, that was good.”

Rob said, “I’m sorry Mandy, give me a a few minutes and Mr. Happy will certainly get up again.”

Mandy said, “No worries, I’m glad you came. This means I will get a longer fuck session before Mr. Happy comes again.” (giggle)

They lay in the van, told a few stories. They laughed and got acquainted.

Mandy is holding Rob’s cock in her hands. She feels it start to grow. She pets and gentle strokes his cock. She said, “I think Mr. Happy is almost read for action, what do you think?”

Rob said, “I think so too!” Rob is hard.

Rob moved up and mounted Mandy – he spread her legs, rubbed the head of his cock on her clit and on the lips of her pussy...he barely inserts his big head inside.

Mandy said, “oh my god, that is so good Rob. I love your big cock.” Rob’s cock is throbbing and wants Mandy’s pussy. She heaves her hips up. That was Rob’s clue to give her his cock. He thrust his cock inside. Mandy groaned with pleasure – “Oh, fuck me, fuck me now.”

Rob fucks her slowly, then faster. He’s giving Mandy’s pussy all his cock. His balls are laying on her ass on every stroke. Mandy says, “I love to feel your balls against my ass!”

Mandy’s words excite Rob even more.

He fucks Mandy like crazy....Mandy says, “Oh my god, you’re making me CUM, rob? I love your big dick.” Mandy cums big and her body shakes.

Rob slows down and Mandy recovers from her amazing orgasm. Mandy said, “OK, it’s my turn, I want top.” Rob thought, she is the most exciting woman, I’ve ever met. Mandy gets on top and reaches for his cock. Robs cock is hard and ready for more.

She inserts Mr. Happy and slowly sits down – totally engulfing and burying his cock inside. She moves back and forth so she could massage her pussy with his cock – Mandy knows how to move to make herself cum on top. She fucks his cock faster when she finds the spots. Rob is totally turned on by Mandy and her sexuality.

Mandy fucks Rob’s big cock faster and faster – “OH my god, I’m cumming!” She lays her head against his and Rob fucks her good while she’s cumming.

Mandy whispers, “Oh my god that was fucking incredible. Rob is about to cum – Mandy moves down to take his load in her mouth. She quickly strokes and he’s staring to cum.

She jams his big cock inside her mouth – Mr. Happy gives Mandy a mouth full a cum. She swallows with delight. Her lips and chin are wet with cum. She wipes off the cum with her fingers.

She looks at Rob and licks her fingers clean. She said, “I want every drop of your cum I can get.” (giggle)

Rob and Mandy cuddle each other in silence. Both are totally satisfied.

Soon, they decide to put their clothes on. Rob said, "I enjoyed you very much."

Mandy replied with a smile. "Ditto." They hugged and said their good byes.

Story Fifteen

Mandy has a gentle blonde Labrador retriever. She walks her daily.

One day she got “Blondie”, her dog ready for her walk. Mandy lives next to a wooded area. Nobody hardly goes into the woods except for teenagers who use the privacy of woods to drink a can or beer or smoke a joint, but that’s usually only late evenings.

It was about 6pm (the sun was setting) on a Sunday early evening. Mandy and “Blondie” rounded a corner and met another Labrador retriever and a man.

He is a handsome man about mid 40s. They surprised each other as they rounded the corner. Both dogs were on leashes. The dogs smelled each other to get acquainted and seemed to get along well. Mandy said, “Hi, I’m Mandy and this is Blondie.”

He said, “I’m Brad and this is Banger.” I call him banger because he always trying to bang the babes. Mandy giggled.

Mandy said, “Well, it appears he is well equipped to do a lot of banging!”

Brad replied, “Yeah, he takes after his master.”

Mandy wasn’t going to let that pass. “Oh yeah, that’s good to know.”

Brad was somewhat aggressive but not obnoxious. He said, “So, I see you’re married.”

Mandy said, “Yeah, I am when he is at home.”

Brad said, “Oh I see, one of those, huh?”

Mandy said, “Yep – I get lonely and horny.”

Brad is taking the hint. “I know how you feel – I stay horny, my wife will seldom give me any.”

Mandy replied, “Well, we should two horny consenting adults do about our dilemma?”

Brad said, “You tell me.”

Mandy said, “Well, I’m attracted to you. Are you attracted to me?”

Brad said, “Are you kidding? You’re the sexiest neighbor on the block.”

Mandy said, "I don't want to fuck at my house and your house is probably off limits."}

Brad replied, "How about fucking in nature."

Mandy said, "You mean in the woods?"

He said, "Yeah, why not? It will be fun."

Mandy said, "Well, I'm not going to turn down a good fucking."

Brad said, "Great, my kind of woman."

Mandy (giggled) and they headed into the woods.

They walked about a 1/2 mile into the wood, it was just enough light to see. Brad is looking for a private location. They decide on a great place to fuck. There was a big log about 6 feet long and a nice flat dry area. They removed their clothes.

Mandy looked at Brad's cock and said, "Wow, you weren't kidding. You're huge! Nice cock Brad."

He said, "you're pretty yummy looking yourself."

Mandy said, "I feel like Adam and Eve."

Brad said, "Yep, and you're about to get the big snake."

Mandy said, "God, I hope so!" They both laughed.

They stand facing each other, both totally naked in nature. Brad grabs Mandy around the waste and kisses her passionately. Mandy loves passionate kisses with lots of tongue. Brad is a great kisser.

Mandy reaches down to feel his big thick pole. Brad says, "Careful, it might bite." Mandy giggled, she likes his sense of humor.

Brad is hard. Brad spreads out his heavy shirt on the log and planted Mandy down on it. She sat while Brad stood in front of her. She sucked his big dick, hoping to get some precum. She loves the taste of cum.

She strokes his big dick. Brad says, "Damn, you can sure suck a dick." Mandy says, "Yes, I love cock."

Brad lays down (length ways) on the log. It was perfect. Mandy straddles the log and lowers her wet pussy down on his cock. Mandy hasn't fucked in awhile, so, she eases herself down on his powerful big dick.

Mandy moans, "Damn, you're so fucking big."

Brad says, "too big?"

Mandy replied, "Oh hell no, I love a big cock, I just have to get used to it."

She slowly moves up and down. Her pussy is flooding with juices. She moves faster – grinding his big cock all over her favorite spots. He pushes his cock up and they slowly move in unison. It's driving Mandy wild.

She's about to cum. "Oh fuck I'm cumming!"

Brad quickly fucks her pussy. Mandy's body is shaking from the massive orgasm. Brad slows down his strokes and Mandy finally recovers. She's out of breath. Mandy said, "Damn that was a good fuck."

Brad said, "We're not done yet, babe." They stand up and Mandy lays over the log. Brad's heavy shirt is there and it is quite comfortable.

Her ass is up and ready for another fucking. Brad's cock is massive and rock hard. He squats and inserts his cock inside her wet hole. Mandy is letting out soft moans. She's enjoying his big cock and being fucking in nature is exciting.

Brad softly fucks Mandy from behind. Brad says, "God, you have a great ass. Just looking at it makes me want to cum." Mandy whimpers, "Please fuck me Brad...I want to cum again!"

That excited Brad and it motivates him to fuck her good. He slam fucks Mandy. Her pussy is wet and stretched from his big cock.

Mandy is moaning and loving every stroke his big dick gives her. Suddenly Mandy let's out a major moan. "Ewww, I'm cumming again, don't stop fucking me!"

Brad aims to please – he keeps fucking and he could feel Mandy's body shake with a big orgasm – her pussy tightened and it was fucking incredible.

He's about to cum. He pulls out and Mandy quickly turns around. She takes his cock into her mouth and strokes his cock fast. Brad unleashes a massive amount of cum into Mandy's mouth.

She swallows each pulsating squirt. She keeps sucking until his cock starts to go limp.

She looks up with cum on her lips. She takes her tongue and licks the cum off. Brad leans down and kisses her and says, “damn, you’re good.”

Mandy said, “thank you and I enjoyed your gorgeous cock.”

They sat down naked on the log and enjoyed the evening sky and the trees. Mandy said, “This is one fucking evening to remember, right?”

Brad said, “You got that right, it was great.”

They put their clothes on and untied the dogs from a nearby tree. They walked the dogs back to their neighborhood. Mandy said, “It was great meeting you Brad.” They both laughed.

Story Sixteen

Mandy is sitting at a well known coffee shop. She's on her laptop. She posts her profile on a private [adult website](#). She says, "Dangle a hook with some enticing bait and you never know what you will catch!" She does not pull any punches in her ad. She spells out exactly what she wants so there is no surprises.

Here is the ad:

I'm a mature woman (45). I'm married and not seeking long term dating. My picture shows I'm in good shape and I expect you to be as well. I enjoy big thick cocks. I'm easy going and sexually exciting. I enjoy a long lasting fuck and I love to swallow. I'm selective. I only fuck gentleman. Your polite and gracious personality will go a long ways. Let's get acquainted.

Mandy is very upfront about what she wants.

One day, she checked her messages and whaloo! She caught one! She checked his profile and it was exactly what she likes. His appearance is neat and clean. He included several pics with him holding his cock – so you can see it is him and the cock belongs to him. This is one thing Mandy looks for. He says his name is Frank.

The man is handsome. About 8" and super thick with a large mushroom head. The thickness is just a little less than a coke can! It's huge.

Mandy says she loves to feel the stretch! I guess most women do. A big dick massages all the areas of her pussy. I have to agree with Mandy.

Anyway, Mandy writes the man back. She said in the message - "Hi Frank, I must say, we could be a good match. Let's find out. I'm available to meet most anytime – Mandy"

Frank writes back. I'm available to meet tomorrow about 2pm. How about you? She writes back -that will work for me. They set up a meeting place at 2pm.

Frank is early and sits at a table. Mandy walks in, he notices her immediately. He motions for her. Mandy smiles and walks to the table. Frank stands up and kisses her on the cheek. He says, "I'm Frank, nice to meet you."

Mandy smiles and says, "I'm Mandy."

Frank is casually dressed in jeans and a nice shirt. Mandy is wearing her leggings. It shows off her great ass. Frank says, "I have to admit, you have a great looking ass."

Mandy said, "Thanks."

Mandy glances down at his crotch. She could tell he lays his cock to the left. Mandy is very attracted to him and he's such a gentleman. It's a big turn on. Gentlemen are usually the best lovers. They want to please.

Frank quickly got to the point and said, "You should know that I'm married." Mandy said in a very low sultry voice, "Good, so am I, now that we got that out of the way . . . wanna fuck?"

Frank smiled and said, "I like you."

They stood up from the table and walked out of the coffee shop and into the parking lot. He said, "Follow me down the street."

Frank lived in a nice house – his wife was out town on business. They parked in the back of the house. They walked in through the kitchen door.

Mandy was horny – she already saw his cock in his profile and had been hot for it every since. She want his big dick. Frank is also hot for Mandy.

Mandy wastes no time. She standing in the kitchen and removes her leggings and her top. Kicks of her tennis shoes. Franks removes his clothes as well.

Mandy gets a good view of his cock. She immediately starts to get wet. Frank moves close to her and they embrace. He softly kisses her neck. She reaches down to hold his massive dick. "She whispers, "your dick is so thick."

He said, "Yeah, I hope you enjoy it."

She goes down on her knees and he's the perfect height for cock sucking. He is uncircumcised. She folds back the foreskin and it reveals a massive mushroom cock head.

She tries to put it in her mouth – but he is too big and she can only suck on the sides. Mandy strokes thick log.

Mandy is thinking – what a gorgeous cock. His balls were low hanging and shaved smooth. She massages his balls while she stroked his cock.

This is the biggest cock she's ever seen and played with. She is curious if her pussy could handle it.

She asked, "Have women had a difficult time with your size?"

Frank said, "Some do and some don't - My wife does not like my cock and will seldom fuck me because of the size – she says it hurts her."

Mandy reaches for her purse. She always carries coconut oil as moisturizer. Today she is going to lubricate his cock with it. She pours it on his cock. He sits down on a kitchen chair. She straddles Frank and the chair. This way she can control the insertion.

Mandy slowly places his cock head at the entrance of her pussy. She slowly inserts his oiled down cock head. She eases down ever so slowly allowing her pussy to stretch to his size. She is determined to fuck Franks gorgeous cock.

Franks says softly, "Oh that feels good Mandy, it's been a long time." Mandy eases all the way down and takes his entire cock. She moves slowly. She grinds her clit against his pelvic. She could feel the terrific stretch and likes it. She is now able to move up and down.

His massive cock is filling up her pussy and the grinding motion is causing Mandy to orgasm. "hmmmmm, I'm cumming! Oh my god you're a good fuck! My body is quivering from such an intense orgasm – can you feel me?"

Frank says, "Oh yeah, I'm so glad you're enjoy this babe."

Mandy said "Oh Frank, it was incredible – I have another idea."

Frank is so polite and she could tell he is a good man.

Mandy said, "Frank, come over here. I'm going to bend over on this bar chair. It has no back. Come fuck me from behind."

Mandy bends over exposing her incredible ass. She reaches around and spreads her cheeks, so Frank can squeeze his freaky massive cock inside.

He saturates his cock with coconut oil again and slowly squeezes his big mushroom head inside and slowly enters her pussy. Mandy groans and gasps – it's so fucking big, but I love it Frank!" Frank gives Mandy's pussy soft gentle strokes and slowly speeds up.

Mandy is loving his big dick and says, "Fuck me, Frank." He fucks Mandy faster and faster. Mandy's pussy has fully adjusted and is enjoying every stroke of his huge dick. She is having mini-orgasms one after another.

Mandy softly screams...."Oh Frank I'm cumming big again." She moves her as from side to side and her body shakes and quivers. She is panting from her major orgasm. Frank is about to cum too and pulls out.

Mandy drops to her knees. "Give me your sweet cum, Frank." She strokes his cock over and over...finally he spills his load into her mouth. "Ugggghhhh!!!! Fuck that was good!"

She reaches under and massages his balls. Frank, "Ugggghhhh." He lays his hands on her head. She sucks the tip of his cock trying not to spill his cum – she wants every drop. She keeps sucking until she can feel his cock get soft.

Frank, "Damn, that was the best ever, Mandy."

Mandy says, "Ditto, I love your big cock!"

She stands up and gives Frank a kiss on his mouth. She said, "Frank, I'm so glad to meet you. You're a good man."

Mandy slid on her leggings and her top. She sat down and Frank put on her tennis shoes for her. Mandy said, "You're such a sweet man, Frank."

Mandy left the house with a smile.

Mandy is making a quick deposit at the Bank. She has a small problem and asks for the Bank manager. He is a handsome man in his late 40s with sexy dark hair. He asked me to come into his office.

We entered his office and he shut the door behind him. He sat at his desk and we discussed my issue. He said, "No worries, I can correct that easily."

Mandy said, "I bet you can correct most anything." She giggled.

She stood to view his computer and noticed on his computer, that he had been watching porn before she came into his office. Mandy said, "hmmm...been watching anything interesting on your computer? She also noticed his belt was not quite fastened, which probably means he was jerking off.

He said, "Well, I won't lie to you, if you can keep a secret."

She said, "what's your big secret?" He said, "I'm guilty, I was watching some good porn." Mandy is not going to pass that up. She said, "I love good porn, especially if there is a big cock involved."

The bank manager is sitting behind his desk and reaches into his pants and pulls out his cock. He said, "walk around and you tell me if this is big enough?"

She said, "Damn!" It was not a long cock but it was a THICK too. She liked it. "Is that door locked?"

He said, "Yes, I locked it when you came in."

Mandy said, "Good because you need to cum." He said, "Yes, I do." Mandy removed her panties, she climbed up on his chair and lowered her wet pussy down on his extra thick meat.

She gasped ..."Fuck you're big!" He said, "Yeah, you like it?"

He starts heaving his cock in and out of Mandy's tight pussy. Mandy said, "My god yes, I love it – fuck me, fuck me good." She moves her pussy up and down. She fucks his big cock faster and faster. "Oh....I'm cumming all over your big dick."

He says, "Good because I'm about to give you a big load." Mandy says, "I want it in my mouth." She gets off and gets on her knees. She quickly strokes his cock.

He heaves up "Ugggghh....and she grabs his big thick head in her mouth- he floods her mouth with hot cum. He cums huge loads.

She strokes and swallows each load. His thick cock was pulsating in her hands. She said, "Wow...you had one big load...you needed to cum bad."

He said, "Oh my god, baby, you made my day!"

Mandy said, "Well, let's just say, we made each other's day."

Mandy put on her high heels and smiled – then she walked out of his office.

Story Eighteen

Mandy was invited to a Birthday Party at a local restaurant/pub. There were about 30 people in the room. They reserved a special room with several large tables for the party. There was two guitar players and it was quite a festive party.

Mandy had fun and was dancing with everyone. She had a couple of Martinis and was feeling no pain. Mandy seldom gets drunk, but she was feeling good.

She got to know the fun musicians and when they were on break, she had a good time laughing and dancing with them. Even though they were younger, they seem to be very attracted to Mandy.

The party ended about 10 pm and most of the people were leaving. The guitar players were putting up their guitars and equipment. Mandy wasn't ready to stop partying. This is a rarity for her. She's usually not a party girl.

She asks the musicians, Wayne and Jordan, where they were going from here. They said, well, there is a place we like to go to listen to other musicians ...want to meet us there? Mandy said, "Hell yes, I want to go."

They said, "Great, it's just down the street ...met us there."

Mandy meets the Wayne and Jordan. The all sat at the same table together. Mandy orders the first round of drinks for everyone. The drinks arrive and Mandy raises her glass to theirs and says, "Cheers!" They are all tapping their feet to the music. A great live combo.

Mandy takes turns dancing with her newly found friends. She even slow dances with Wayne – she could feel his cock when they danced. Mandy hasn't been fucked in weeks, so barely feeling his cock was a hot turn on for her.

When Wayne pressed his cock on her – she pressed back to let him know she can feel it and likes it. At least that's her intent.

Wayne is taking her clues well. Mandy whispers in Wayne's ear, "I'm a little tipsy, but I'm enjoying you and Jordan a lot." Wayne said, "We are happy you came with us, Mandy."

Mandy said, "I hope you don't think bad of me, but I'm super horny right now."

Wayne said, "I understand, Jordan and I were talking about you earlier. You have become a fantasy to us." (smiling)

Mandy said, "Really?" Well, you're older and you're super sexy. You know what they say about older women...right?" Mandy said, "Well, I'm sure in most cases, it's probably true."

Mandy said, "May I ask you a silly question – just between you and me?" Wayne said, "Sure, Mandy." Do you and Jordan have a private place?

Wayne said, "Yes, we are roommates – we live about three blocks from here."

Mandy said, "Oh my god, this so not like me, but what do you think about the three of us going there now." Wayne is going with the flow.

He said, "Let me talk to Jordan."

Mandy walks to the bar and orders a glass of water. She's feeling good but is not drunk. Wayne and Jordan come over to the bar. Jordan said, "Mandy, Wayne and I are going to take care of you tonight. OK? Trust us, we will not let you down."

Jordan is about 34 and Wayne is about 30 or so. Very handsome men. Mandy feels good about them and they leave the pub for the apartment. Mandy is hoping the place is clean. They arrive at the apartment complex.

All three walk into the apartment and much to her surprise, the place was organized and very clean. She said, "Well, you guys get 4 stars for cleanliness." They all laughed.

Wayne turns on some music. Jordan puts the equipment in the closet, then heads into the kitchen to fix a few drinks. Jordan says, "Here Mandy....a vodka tonic for you and a beer for Wayne." Mandy is dressed in

a short black skirt and is dancing in the living room. Her moves are so sexy. Wayne is already aroused.

Mandy said, "Do you guys work out, you're both in such great shape." Jordan said, "Yeah, we work out at the gym about 3 times a week."

Mandy said, "Well, I think you need to remove some of those clothes and show it off – whoops, is that too naughty sounding?" (giggle) I want to see your bodies.

Wayne is just going with the flow. He pulls off his shirt to reveal his chest, shoulders and abs. Mandy leans down and kisses his stomach. Jordan removes his shirt and his pants. Wayne removes his pants as well.

Mandy is standing in front of both men. They are standing in their boxers and she is super horny. She moves close and each hand feels their cocks.

She massages each cock until they grow in her hands. She stands looking each of them in the eyes. She softly says, "I can feel you're cocks getting hard."

Wayne and Jordan do not move. Mandy is thinking What are the odds that both men would have nice size dicks? Wayne's cock was very thick and Jordan was big too.

Mandy said, "Don't move." She slowly kneeled down. She pulled Wayne's boxers down to his knees. His hard dick sprung into action. She pulled Jordan's boxers down and his hard cock was incredible.

She took Wayne's cock into her mouth while she stroked Jordan's cock. She also sucked Jordan's cock while she stroked Wayne's dick. Both men were in heaven. They were quiet and enjoying the sucking and stroking. Mandy was getting hot sucking their meat. She reached inside her pussy for some pussy juice. She reached up and let Wayne suck the pussy juice off her fingers. This was their signal that she was ready to fuck.

Mandy stood up and removed her skirt, her blouse and her panties. She walked over to the couch. Wayne said, "Mandy you have an incredible butt."

She said, "Thanks, but I'm sure you say that to all the ladies." (giggle)

Wayne said, “No, contrary to public belief, we do not get much action - you are a delicious treat for us.”

Jordan said, “That no kidding.”

She sat down with her legs open. Mandy said, “I want you guys to relax and just take turns fucking me. I’m so fucking horny!”

Jordan dove between her legs and sucked her clit and pussy. Wayne was feeding Mandy his cock.

He is slowly moving his cock in and out of her mouth. Mandy took his cock out for a second. “Oh don’t stop Jordan, that feels so fucking good.”

Jordan is good at licking pussy. “Oh my god, I’m cumming Jordan.” She lets out little small muffled screams – while her mouth is filled with Wayne’s cock.

Jordan wants her pussy. He brings Mandy’s ass to the edge of the couch. He is on his knees and is able to perfectly insert his thick cock in Mandy’s pussy. Mandy moans....”Oh fuck, that feels good....fuck me Jordan, fuck me!” Wayne is still enjoying Mandy’s mouth.

Jordan is long lasting. He fucks Mandy for about 15 minutes. Mandy has several small intense orgasms.

Jordan pulls out. Mandy gets on all her hands and knees and puts her hands on the back of the couch for support. Her ass is the perfect fucking position. Wayne comes around and plunges his cock inside Mandy.

She gasped big, “HMMMMM that’s good babe. He fucks her like a mad man. Wayne is like a machine. He pumps her full of cock.

He is banging her and Mandy softly screams.”Oh my god, I’m cumming...it’s so fucking good – keep fucking me!”

Wayne keeps fucking and fucking Mandy’s tight pussy.

Finally, Wayne pulls out. Jordan takes his place. He feverishly fucks her – slapping her ass with his body.

His big thick cock is giving her pussy a good stretch. Mandy said, “oh...I like men who can share – Damn, love to fuck!” Jordan is excited and says, I’m about to cum. She turns around and quickly takes his cock into her mouth and drinks his load.

She said to Wayne, "Please fuck me. I want to feel your cock inside and I want to cum again." Wayne's cock is rock hard. She lifts her ass and Wayne enters and fucks her silly.

She knows he's about to cum too...she turns around and strokes his cock until he spills his cum into her mouth. She licks her lips. Mandy said,"Damn you guys had some sweet cum for me – I loved every drop."

Jordan said, "You are, without a doubt, the sexiest woman I know.

Wayne said, "I'll have to agree with Jordan."

Mandy replied, "Oh you guys make an older woman feel so good and wanted. You're both sweet hearts."

Mandy had an exciting evening with Jordan and Wayne. They were gentleman and they took care of her.

They talked, listened to music, relaxed and had another round of drinks. Mandy fell asleep on the couch. The men placed a pillow under her head covered her with a blanket. Wayne kissed her on the forehead.

Mandy woke up early before the men. She left a note that said.

Thanks for taking care of me guys! I had a great time.

XOXO - Mandy

She creped out of the apartment and drove home.

Story Nineteen

It was an early Wednesday morning. It was a great jogging morning for Mandy. Not too many joggers on the nature trail and she can take her time or run as fast as she wants. She's wearing her shorts, t-shirt and tennis shoes.

She drives to the trail and before she begins, she does her usual stretches. Mandy is not a fanatical jogger – she jogs about three times a week. She sure isn't a daily jogger, however, there are many who are.

Mandy discovered, as a jogger, she should be able to talk while jogging without being out of breath. So, she sings or talks to herself. She begins her journey of only three miles.

She jogs down the trail about one mile. She slows down to a fast walk. There is a man sitting on top of a picnic table right behind a big tree.

He smiled and she said, "Hi, beautiful day, huh?" He replied, "Not as beautiful as you." She stopped and turned around. She said, "Do you always contradict people." (giggle)

He replied, "Just telling the truth."

She said, "That's the right answer." He said, "Good, because I like to be right."

She walks towards him. She likes what she hears.

She walks over, extends her right hand. "Hi, I'm Mandy."

He said, "Great name, I'm Tom".

Mandy replied, "Nice and easy name."

Tom said, "Be careful there could be a serial rapist out here?"

Mandy said, "Oh, I am not that lucky." (giggle)

Tom said, "Yeah, I get it, you're like me, it's tough to rape the willing, huh?" Mandy laughed.

Mandy was having a tough time looking at Tom in in the eyes, because she could clear see his big dick laying in his tight jogging shorts. She's hoping she's not being obvious when she stares at his crotch. It sure looks yummy.

Tom said, "I like the early morning hours during the week, not many joggers are out. I almost brought my dog to keep me company. I'm glad you showed up Mandy."

She replied, "I'm glad you're here as well – I love meeting new attractive people." (smile)

Mandy said, "Do you mind if I hop up on the table and sit down."

Tom said, "Nope, be my guest – I'd be honored to share the royal table with you."

Mandy said, "I like how you think – you appear to have all the right answers." (giggle)

Tom said, "I'm now considered a professional bum." Mandy said, "You do not appear to be a bum to me."

He said, "Well, I'm officially unemployed and my wife hasn't spoke to me in weeks – my life is sort of upside down right now."

Mandy patted his leg and said, "Oh Tom, nothing is ever as bad as it seems. It's only temporary."

Tom said, "I like how you think – you appear to have the right answers." They both laughed.

Mandy said, "My married life is perfect. My husband travels and is seldom home. He calls about twice a week to remind me that I'm married." (giggle) So, my sex life is only what I make of it.

Tom said, "Yes, I know what you mean. I've been spending several hours per week watching porn with my right hand." Mandy smiled, "Yes, sounds very similar to my sex life."

Mandy looks at Tom and gazes into his eyes. Tom does not look away. She parts her lips. Tom gazes down to her mouth and leans in.

Mandy leans towards his mouth and they kiss passionately. Mandy slides her tongue inside his mouth – his tongue is there to meet hers.

They slowly kiss and suck tongues. Mandy nibbles on his lips. Tom lays her hand on his cock that is fully aroused. His cock is stretching down his leg. She massages his cock and feels his firmness. His cock is big and thick.

Mandy says, “Do you mind if I suck your wife’s cock?” Tom says, “Hell no, she doesn’t use it much anyway.”

Mandy moves down and sits down on the bench of the picnic table. She tugs at his shorts. Tom helps her slide his shorts down and off.

His cock is gorgeous and is big, thick and standing to attention right in front of Mandy’s mouth. Mandy can’t wait to suck his incredible thick piece of meat.

She grips his pole and slides her hand up and down while massaging his balls which were hanging off the edge of the table. It was the perfect and comfortable situation for sucking cock. She takes her time and enjoys his cock.

She inserts his big head into her willing mouth. She sucks and slurps his cock like an expert cock sucker – which she is. Tom said, “Oh my god you’re good.”

She doesn’t say a word – she is focused on stroking and sucking his cock. She even sucks one ball, then licks and sucks the other one.

Mandy is horny and hot – she’s wet and needs his cock inside her pussy. She looks up at Tom and said, “Tom, I want you to fuck me.” Tom remained silent. He hopped off the table and took Mandy’s hand and stood her up. He slid down her short-shorts. Mandy simply got on her knees on the bench of the picnic table and she is supporting herself with her arms on the table top.

Tom said, “Damn, Mandy. You have a great ass.” She pushes her ass up. Tom takes the hint and feels her wet pussy – he massages her clit.

Mandy said, “Oh...that feels good Tom. Give me your big dick.” Tom holds his cock and pushes his big dick about 2 inches inside her pussy. Mandy gasps big. “Oh my god you’re thick.” Tom kept pushing and finally he’s always inside. He fucks Mandy slowly.

Mandy reaches under and massages his balls while he’s fucking her. Tom picks up speed – he’s hot, cock is rock hard and Mandy’s ass is really turning him on.

Mandy moves her ass from side to side and pushes her ass into his body. Mandy can feel his cock stretching her pussy and it's incredible. "Oh my god, I'm cumming, Tom." Her pussy is tightening and Tom fucks her faster. She is quivering and her body is shaking.

Tom said, "I'm about to cum too, babe..where do you want it?" Mandy quickly moves down to the picnic table bench – his cock was about to explode.

She gripped his big dick and engulfed his cock with her mouth and she sucked – stroking his cock and massaging his balls. "Tom – Uggghhhhh!!!! He explodes a load of cum in Mandy's mouth.

She keeps sucking and stroking. There is so much cum she can't swallow fast enough – cum is dripping down down her chin. She looks up and wipes the cum off with her finger and sucks it clean.

Tom smiled. "Fuck, that was good, Mandy."

She said, "thank you, you were incredible as well – you're a great fuck Tom and I enjoyed your big dick."

She stood up and slid on her shorts. Tom slid on his shorts as well.

They sit down and relaxed for a few minutes. Mandy said, "I'm glad I got up this morning. My day is already better and you were able to forget your problems." (smile)

Tom said, "You're a wonderful woman, Mandy.... Thanks."

Story Twenty

Mandy is in the pharmacy picking up a prescription for her daughter. It is just another day and hadn't expected any surprises. She is casually dressed but showing off all her best assets, as usual. Her incredible ass is hard to ignore. It attracts lots of attention, especially when she wears leggings.

It's a nice fall day and the sun is shining. She's about to leave the pharmacy when she accidentally dropped her small bag. A tall black man in a lab coat bent down to pick it up.

He smiled and handed her the bag. "Mandy said, "Well, thank you, that was nice of you."

He had a great smile. He said, "It was my pleasure."

She said, "Do you work in the pharmacy?" He said, "Yes, I do. What was your first clue? (smile) I'm new here."

She said, "Are you new to the pharmacy or new to this city?"

He said, "Both." She said, "Are you about to leave the store?" He said, "Yes, I'm off work and headed out."

She said, "OK, well, if you'd like a guided tour of the city, I'd love to show you around sometime."

He smiled and said, "I'm Jason." She replied, "I'm Mandy." Here . . . plug in my phone number 555-9055. Text me sometime. OK? Mandy smiles and walks away.

Jason is watching her ass as she walks away.

Mandy, never, in a million years, thought he would accept her invitation. He is a very attractive black man, but never thought about fucking a black man. It wasn't that she did not fantasize about it, she just never had an opportunity.

It wasn't 20 minutes and Jason text messages Mandy. His message said. "I have know where to go but home and I can't get you out of my mind. I would love to take you up on your guided tour, if you're not busy."

Mandy texts him back. “You’re in luck – meet me at Tony’s Pub on Royal and Neptune. It’s easy to find.

Jason texts back. “Great, I know where it is. I pass by there on the way home. See you there.”

Mandy is sitting in a booth at Toby’s Pub in about 10 minutes. She’s a little nervous and orders her usual vodka Martini. Jason is about 6’4” and will not be hard to spot. It was happy hour. Not too many black people hang out in this bar.

Jason walks in. She sees him instantly. She waves from the booth. He spots her and smiles. She stands up and he gives her a short brief hug. Mandy said, “Well, I didn’t expect your text so soon, but this is great. I had no plans.”

Jason replied, “Well, there is something about you – I just couldn’t get out of my mind.”

Mandy said, “Oh yeah, and what would that be?”

He said, “I don’t know, I hate to be so flirtatious when I barely know you.”

Mandy said, “Oh, go for it!”

Jason said, “Well, Ok, here it goes. You have an incredible ASS.”

She said, “Oh, thanks Jason and you’re a handsome man.” Jason smiles.

Jason orders a scotch from the waitress.

Mandy said, “So, is it true what they say about black men.” Jason said, “You mean that they make good pharmacists?” Mandy giggled. “No, you know what I mean.”

Jason said, “I have no idea – but I’ve played sports and have been in the locker room with lots of men and I’m usually the biggest.”

Mandy said, “Oh my god, it really is true?”

Jason replied, “Again, I don’t know – just what I’ve observed.”

Mandy’s mind is racing with thoughts of fucking his big blackcock.

Mandy boldly said, “Jason, I must tell you the truth, I’ve never fucked a black man, but I’ve thought about it many times.” (smile)

Jason said, “Well, I will not disappoint you – if we head in that direction.” Mandy said, “Jason, I like you. You’re very polite and you’re without expectations.”

Jason said, “I’ve learned to want everything but never expect anything – that way I’m never too disappointed.” Mandy replied, “Wow, that’s a great philosophy.”

The booth is Mandy’s favorite place to get acquainted. Sometimes she can play under the table.

Mandy said, “Jason, scoot closer to me.” He scoots closer and puts his right arm around her. Mandy said, “This is more like it.” She puts her hand on his right leg. She lucks out, because his cock is just laying right there. It must be huge.

She looks at him and smiles. Mandy said, “Do you mind if I pet him?”

Jason said, “Of course not...what is mine is yours for now.” Mandy giggles.

Mandy slowly pets his growing monster cock. It’s growing past her hand. She grips his cock through his pants. She says. “Oh my god, you’re huge!”

Jason replied, “Yeah, that’s what they say.”

She said, “How big is it?”

He said, “I don’t know really, never measured it.”

She said, “I bet it’s 9 or 10 inches long!”

Mandy said, “Well, one way to make sure – we must test drive this monster cock sometime – are you up for it?” She looks at him. Jason said, “Well, I only live about 3 miles from here.” Mandy said, “I’m ready – let’s go.”

They scoot out of the booth and pay their check.

Mandy follows Jason to his condo. He lives in a nice condo complex. They park and walk across a grassy lawn – well manicured and past the pool area. He lived on the bottom floor.

She walks in and the apartment is immaculate – well furnished and very clean. She wasn’t surprised. It was about 7pm. The sun was starting

to set. Jason said, “Mandy, all I have is a bottle of red wine – would you like a glass?”

Mandy said, “Yes, that would be great.”

Jason hands Mandy her glass of wine and walks over to his entertainment center and turns on some soft jazz music. Mandy says, “I love that kind of music.” They sit close on the couch and sip their wine.

Mandy says, “I’m so relaxed with you.” She puts her feet up on the coffee table.

Jason said, “I feel good about you too Mandy.” He places his feet up on the coffee table too.

Mandy says, “There is something you should know. I’m married.”

Jason said, “Yeah, I know, I saw the wedding ring.” They did not discuss the subject anymore.

Mandy finishes her wine. She stands up and says, “I need to use your bathroom, Jason.” He said, “Ok.”

Five minutes later, Jason looks up and Mandy is standing at the doorway leading into the bedroom. She’s wearing nothing but a white towel wrapped around her. Jason smiles and walks over to her – she takes his hand and guides him inside.

Jason slides out of his shoes. Mandy unbuckles his pants. Jason takes his shirt off. Mandy slides down his boxer shorts. Jason’s cock hangs down about 6” and very thick.

He has an athletic strong body. Mandy strokes his long monster cock. She says, “Wow, exactly as advertised.” (giggle) Jason smiles.

Mandy keeps stroking his cock. Jason leans down to kiss Mandy she accepts his mouth and thick tongue. She sucks his tongue. Jason’s cock grows more and more. Mandy said, “Oh my good – it is huge.” She reaches under his cock and massages his massive black balls.

Mandy said, “I’m not sure I can take all of it.” Jason said, “No worries, just take what you want.” She giggles. Mandy heads for the bed. She’s so wet for his big black cock. She lays flat on the bed, spreads her legs and

holds them open with her arms. Her pussy is twitching and wants is big cock.

Jason mounts and plays with her clit and pussy with just the head of his big cock. Mandy leans up and looks down at his massive big cock. She said, "I'm ready, Jason – I want your big dick."

Jason inserts slowly – gives her about 5" or so. Mandy moans, "oh...you're so fucking thick, I can feel your cock so good." He gives another three or four inches. Mandy said, "hmmmmm.....it feels so fucking good, Jason."

Jason can feel that he is about to hit rock bottom – any more and she may feel discomfort. He fucks her gently, then speeds up gradually. Mandy's wet pussy is loving his girth and the length.

Mandy whimpers "I love how you Fuck – it is so gentle and I'm about to cum big." Jason replied in her ear, "Come for me baby."

Mandy gently screams. "ewwwwww....moaning ...I'm cumming and squeezes his cock with her pussy. She tightens her legs around his waste. Mandy said out of breath. "Geez that was so fucking good."

Jason said, "Let's see if you can take me on your hands and knees." Mandy is quick to respond. She rolls over and pushes her ass up to meet Jason's big cock.

Jason inserts his cock head inside her pussy. She moves her ass from side to side. "Jason said, "You have an awesome ass."

Jason pushes his cock inside Mandy. He said, "You just took my entire cock, baby." Mandy said, "Really? Wow...it feels fucking good too." Jason fucks Mandy's pussy at a nice pace – just in and out. He gives her all his cock each time. Mandy says, "Damn, I love your big dick and you fuck me so soft and good.

Jason keeps fucking her and an even pace, his big balls are swinging and slap her clit on every stroke. Mandy says, "oh, I'm cuming again, Jason." Jason does not stop – he keeps his steady pace of fucking her pussy.

Mandy lays her head on the bed”Oh my god it’s so fucking good...I’ve never been fucked so good.” Jason said, “I’m about to blow, baby.”

Mandy turns around ...sits up and holds Jason’s big dick ...she opens wide and just puts the cock head in her mouth – Jason squirts a huge load of cum in her mouth. She strokes his monster cock until he releases every drop. She looks up at Jason and smiles.

His monster cock hangs down.

Jason flops down on the bed next to Mandy. He says, “That was the best sex I think I’ve ever had, Mandy.”

She said, “It was great and I must admit – I enjoyed your big cock more than I thought.”

They relax and take a short nap. Mandy gets up and walks to the bathroom and returns with her clothes on. Jason is still laying in bed with pillows behind him.

His big cock is laying between his legs. Mandy walks over - sits on the edge of the bed. She pets his big long thick black cock. She says. “God....he’s beautiful.”

She stands up – blows a kiss to Jason. He starts to get up, she says, no, don’t get up. (smiles)

She walks to her car with a big smile on her face.
