Knowledge is power and preparedness is the key to success and survival. This is not a report on religion, however, it may include some spiritual thoughts to help remove some confusion.

Even though we are fully aware of others on our planet, most of the words in this report will be aimed at Americans. If people from other countries read these words, then please understand most of these words may or may not apply to you.

### **A Few Definitions of Words and Thoughts**

**Free Will:** Free will is the freedom to make choices for yourself.

**Brainwashing:** Repetitive indoctrination, a form of mental conditioning. May involve deception and maneuvering in order to bypass free will.

**Anti-Semite:** Semite means a family of languages spoken primarily in parts of western Asia and Africa. **Anti means** - to oppose or against. So, anti-semitism means Against Languages? Confusing question: Why do Jews choose the word Anti-Semite to mean - Against Jews?

**Minion:** A serious follower.

**Eugenics:** Often eugenists such as Bill Gates call for the extermination and sterilization of people in order to improve humanity. Many people believe it should start with the extermination of Bill Gates.

**Enemy:** one that is antagonistic to another. especially : one seeking to injure, overthrow, or murder an opponent.

**Humanity:** the whole collection of human beings both past and present.

**Slave:** a person who is forced to work for and obey another and is considered to be their property; an enslaved person.

**Slaves on Plantations:** Slaves work on large farms and obey orders. In return they receive shelter, food, water and medical treatments.

**Corporation:** Usually Corporations mission is to earn profits. Employees of a corporation trade their labor for money. Corporate slavery is the secret slave system. Slaves get money to pay bills such as shelter, food and water. Examples of Corporations are: Walmart, Amazon, HomeDepot, Target, Kroger.

**Blackmail, Bribery and Extortion** - All three include keeping secrets for payment or benefits or the release of damaging evidence. Ex: Keeping illegal business practices secret in exchange of goods or services.

**Communism:** In a Communist system, individual people cannot own land, factories, or machinery. Instead, the government or the whole community owns these things. Most communists worship the state. In a communist country it is highly illegal to criticize the Communist leaders. Punishment is enforced.

**BLM - Black Lives Matter.** A Marxist non-profit group. Funded by wealthy communists. Co-founder, Patrisse Khan-Cullors, 38. Patrisse and her communist minions brag about being trained Marxists. BLM is a non-profit organization, however, she purchased a Six-Million-Dollar mansion.

**Globalism:** No borders. Negative effects are: **Income inequality:** Economic globalization can exacerbate income inequality, as it can lead to job losses and lower wages in developed countries.

**Satanism:** the worship or veneration of **Satan**, a belief who is also commonly known as the Devil or Lucifer. Satanic rituals are held in private and usually not available to guests or visitors. Oftentimes, Satanism is handed down for several generations.

**Gaslighting:** A type of manipulation where the manipulator tries to get a group or one person to question their own reality, memory or perception. Example is: Insisting something never happened. "I never said that. You must be imagining things. You're always making things up."

**Woke / Wokeism:** Woke is supposed to mean "Aware". Modern day "Marxists" ' disguise the word "Communists /Marxists" ' as Woke or Wokeism. It is another example of deceit and hiding the mission of our enemy. Marxists seek to create chaos, separation, criminal upheaval and an immoral society.

**Zionism:** Are those who believe that Israel has a right to be a county. Zionists removed the Palenstinians from most of their homeland to create the land of Israel. Zionists are the Satanic rulers of Israel. They are not orthodox Jews. Zionists are a death cult who usually start most of the wars in the world. Zionists usually hide behind the sympathy and victimization of

the Jews. Most of the common people within Israel are not fans of the Zionists. Zionists hold much power over America. Many members of Congress are Zionists.

**Adrenochrome:** is adrenalized blood. When a human is fearful, the body produces a hormone called adrenaline. When this blood is harvested it is called Adrenochrome. It is expensive and highly addictive. It produces a euphoric “high”. Usually wealthy Satanists drink this solution on a regular basis. It is usually harvested from the blood of fearful children.

## **Why Do Evil People Exist?**

On earth, everyone is born with **FREE WILL**. This means you have the FREE WILL to “think” or do anything you want. If you want to believe and worship God, then you can. If you want to worship Satan (Lucifer) you can.

If you want to be a liar, pedophile, rapist, killer, thief and criminal, then you can. If you want to strive to be an honest, kind and loving person, then you can. Both Evil and Good people have FREE WILL.

**God is not a control freak.** God is about Freedom.

If you want to HATE God and Honor Satan, then you can. According to God, he is everywhere - all the time! God observes all people every second of every day. He knows what you “think” and he observes your actions. He listens to you. You can't hide from God.

Nearly all countries have accountability for the actions of others. According to God, after you die, ONLY “he” will decide who will enter his Kingdom for eternity. Inside God’s Kingdom, evil does not exist. God’s Kingdom is pure light, peace and love.

## **Let's Talk about Brainwashing**

Where do most of the children and young adults learn about WOKE or Wokeism? Most of generation-Z learn about wokeism before or while they are in School and Universities. Brainwashing works! Some young

people simply follow the leader - as many lose a portion of their FREE WILL to think on their own.

### **Brainwashing mission is to remove FREE WILL.**

Brainwashing was invented by the communist chinese many decades ago. (After WW2) They were experts at managing millions of people to do what was requested by using proven brainwashing techniques.

Brainwashed people usually lose portions of their **FREE WILL**. They are unable to “think” logically about brainwashed topics on their own. It could be topics such as; politics, climate change, population control, sexuality, social justice, abortion issues, male toxicity, feminism, religion, white privilege and good vs. evil....plus more.

### **Brainwashing works!**

Brainwashed victims usually will not quickly change “how” or “what” they believe - even when a ton of evidence proves their “thinking” is wrong.

What techniques did **communist China** use to brainwash? Techniques include indoctrination, "struggle sessions", propaganda, criticism and self-criticism, plus more.

Someone who is brainwashed rarely questions things that they're told by their leader or the person they respect, and **they often don't have their own opinions**. Helping someone who has been a victim of brainwashing can be challenging, and they may require professional anti-brainwashing methods to remove deeply rooted thoughts and beliefs.

Victims of brainwashing often internalize their anger which leads to depression, anxiety and sometimes suicide. Many professionals also call brainwashing as **Thought or Mind Control**. It is almost similar to hypnosis.

## **Communists Target America.**

(1950 -1954) Senator Joe McCarthy of Wisconsin, a Republican, launched a series of highly publicized probes into alleged Communist penetration of the State Department, the White House. His investigations also discovered heavy communist influence in **Hollywood** among actors, directors, writers, etc. McCarthy died soon after his investigation started, however, he let it be known that communists were infecting America.

Nikita Khrushchev became leader of the Communist Party in 1953. Nikita once said in a popular speech. **Communists will take over America without firing a single shot from a gun.** It was a warning, but it was almost true.

Communists utilized the Democrat party to mobilize their communist agenda. Communism has infiltrated many aspects of America. Communist Brainwashing has been used to indoctrinate children and young adults (Universities). Communists are nearly controlling our school systems.

Most of the educators inside our most prestigious Universities are Communists. The CCP (Chinese Communist Party) provides large amounts of funding into these Universities. They know within a generation or two, with enough brainwashing, America will become a communist country run by Communist Leaders.

Capitalism is slowly eroding due to big government interfering with private businesses. One of the biggest benefits of capitalism is healthy and legal competition. Competition makes everyone better. When companies compete for business, they're forced to provide a better variety of services or expanded services and give better customer service. Competition encourages growth. **Communism does not allow competition!**

Our Enemies adopt the communist ideals because it involves the elimination of certain groups of people and it involves complete WORLD DOMINATION. A One World Government. Hence; **The New World Order.**

## **Our Enemies Use the Word “Unite” They Want us ALL to be United!**

**Really? If you do your best to live a healthy moral life void of criminality and evil . . . . .** then do you really want to unite with Marxists or Communists or evil criminals? Do you really want to unite with pedophiles and child rapists? Do you really want to unite with drug dealers and child sex traffickers? Do you really want to unite with those who continuously lie, deceive, steal, cheat, rape and murder?

It is suggested that you NEVER unite with evil. Only unite with those of like-minds. If you're a good, honest and loving person, then UNITE with people like you. Remember, the enemy is a deceiver and a liar.

## **Our Enemies are Arrogant and Incompetent - However, they are very DANGEROUS!**

Unfortunately, most children and young adults seldom ever learn the basics of “LIFE” and they seldom question WHO their most dangerous enemies are. No, we do not mean poisonous snakes, mountain lions or stinging insects. We mean evil “Humans” who hate humanity.

**Our enemies and their minions hide in plain sight. Beware.**

Our “enemy” purposely OMITTS certain classes and training from public schools and Colleges such as; survival, healthy self image classes, integrity classes, nutrition classes, entrepreneurial classes, martial arts plus a variety of subjects that are vital to living a safe and enjoyable life.

The curriculums (classes) are usually full of nonsense subjects - most of which will never be used in real life, unless it is meant to be destructive to the human race. Naturally, the course will be placed in a positive light. The enemy is very clever and highly deceitful. Most American children can barely read and write or do math when they graduate. Our school system is pathetic!

Millions of Americans have had their minds conditioned by a corrupt education establishment, billionaire tech oligarchs, an unelected bureaucracy and an army of professional (CIA) deceivers in the mainstream media.

Eventually, they create a society in which the people not only believe the lies but get angry at anyone who tries to convince them of TRUE facts! DO YOURSELF A FAVOR - unless you're a well trained psychologist, then do not try to change these people. It will most certainly end up with two angry people. It is futile.

**What happens to these mentally damaged people?** The majority of these people lose the ability to "think" critically and they will not protect their constitutional freedoms, the bill of rights, resist TYRANNY and they welcome their own ENSLAVEMENT!

Communists are hard at work. They are persistent and very consistent with their attempt to capture America, then the entire world (without firing a shot). Marxists (communists) are liars, very deceitful, thieves, criminals and do anything to obtain control of the people. Their mission is to replace GOD and control or eliminate FREE WILL.

Marxists invented **brainwashing**. They are experts. Communists have stolen elections, not only in America but almost every country that is under Communist control today. They will also murder or imprison their opponents. Keep in mind, communists have infiltrated many of the most

powerful positions in America. Americans have been asleep.

**Have you noticed?** There are literally thousands of people all over the nation who are scared to death to remove their masks even though **ALL mask rules are gone** and all the information about the unhealthy hazards of wearing a mask are readily available.

Not only that but there has been plenty of evidence that the COVID 19 virus was fake - it never existed. These people keep wearing masks while they shop, at their jobs, while they ride a bicycle and while driving a car with the windows rolled up.

These people have been mentally damaged and have been brainwashed by the fake news media and an elaborate plan to slow-walk 200 million Americans right into their own early graves.

### **What is a Globalist/Communist?**

Communist ideology to most people means - a person may not own land, a factory, a business or equipment and there is an absence of religious freedom. Communists worship the "State". Atheism is prevalent among communists.

They usually believe "Capitalism" is bad. No person should have the ability to improve their lives more than the common person.

Freedom of speech is limited. People who use "Words" to criticize the "State" will usually find themselves in prison or murdered. Owning firearms is prohibited.

**Note:** Satanists, Communists and Globalists leaders and their minions - mostly want to control and remove the freedoms of humanity. Our enemies want to control and limit speech, control "travel", remove the

ownership of land and use technology to censor and control ALL behavior of humans on earth.

## **Some Communists, Globalists and Satanists can be Spotted in Public.**

Simply look at the obvious signs. Some of these people like to **advertise** who they are. Brainwashed Globalists and communists come in all races. Blacks, hispanics, asians and caucasians.

Many radicals or strongly brainwashed people may still be wearing “masks”, some will dye their hair bright colors such as; pink, orange, blue, purple, etc. Many will be wearing tattoos (signs of their belief system). This seems crazy and not sure why this is; but it appears that most of these people are also physically undesirable.

Those who wave the LBGQ multi-color flag are sure to be Globalists/Communists. **What is a Drag Show?** A drag show is an event usually inside of a local library or homosexual club. Mothers take their children to these “drag shows”.

What happens inside?

Obese homosexual men dress up like “hideous” women will dance around in scantily dressed clothing and shake their “private parts” in the faces of children while the mothers encourage the event by giggling, laughing and clapping.

Most Globalists/Communists are brainwashed to be proud of their belief system. Their toxic speech is usually tyrannical (**their way or the highway**), highly defensive about their belief system and will usually defend their communist belief system by **gaslighting** “you” or repeating the LIES they’ve been told over and over again.

Karl Max is the father of communism. Since then many people have adopted many of his ideals. You may recognize a few of these tactics in order to turn America into a Communist country.

**#1.** Overwhelm the system with debt, chaos, entitlements.

Communism - two classes of people are The Super Rich and the Poor.

**#2.** Marxists fool the public by calling themselves a ‘Uniter”. They use **gaslighting** methods in conversations.

**#3.** Marxists call their opponents evil, extreme, radical terrorists, greedy . . . **the very things they are.**

**#4** Marxists believe they must lie about their true intentions. Never tell the truth.

**#5.** Marxists change language for confusion and deception. This is Satanic.

Many brainwashed communists appear to be unkempt, many are physically undesirable, many appear to be obese or not healthy. Some people say that MOST homosexuals, lesbians, transgenders and pedophiles play a big part in the communist movement. There is a reason for this. **Read on . . .**

It appears about **60% to as many as 75%** of children and young adults become brainwashed by our school system and Universities.

Brainwashed Adults (25 to 55) fit into nearly the same categories - most of them came from the same or similar schools and Universities.

It is not wise to confront or try to change these people. Brainwashing is a psychological weapon used by our enemy. In many cases, it took years of indoctrination to achieve a toxic and well brainwashed person.

**Our enemies are experts at brainwashing.** Unfortunately, over the past few decades, most of our public schools and Universities have been infiltrated by well trained communist educators.

## Why Does Brainwashing Work?

Brainwashing is accomplished by repeating an agenda again, and again and again . . . while convincing the students their ideology is best for the planet and those who DO NOT follow their beliefs should be shunned, isolated and or imprisoned.

Brainwashing has been used by our enemies for many decades - poisoning the minds of the youth creates obedient “adult slaves”. The TV news and programs are owned or controlled by the ENEMY. They use the TV news and programs to reinforce the brainwashing.

These beliefs are expertly inserted into young developing minds. Usually, their brainwashing is psychologically “LOCKED” into place. It may require professionals to UNLOCK the brainwashing that has been sadly done to millions of Americans.

### **Our High Level “Enemies” call Brainwashed Americans Useless “Idiots” Behind their Backs.**

Our enemies are not loyal to anyone - especially to the very brainwashed people they created. These brainwashed people are “ONLY” a tool to carry out the enemies selfish and “evil” agendas.

In other words **without** millions of these (mentally damaged) brainwashed people, the enemy would NOT succeed. These lower level minions do all the protesting, speaking out on social media and unfortunately millions of young brainwashed useless “idiots” also become voting age. Obviously, they will vote for a Globalist/Communist. What the useless “Idiots” do not know is this; when it comes to extermination and detention centers, they will also be rounded up and murdered.

Brainwashed communists (minions) are NEVER RESPECTED by either side. Communist dictators known as Mao and Stalin utilized many techniques to conquer China and the Soviet Union. Both combined, used brainwashing techniques along with starvation to murder about 100 MILLION people who were their “minions” and those who would not follow them. Human life means nothing to Tyrannical “Satanic” Communists.

Communist enemies want to capture AMERICA! They have been patient and they are persistent and consistent. **America is in trouble.** America is no longer the most powerful “Patriotic” country it once was. It is the patriots that keep the American concept alive. You must be smart and fight for America.

## **Our Enemies want Humanity Unhealthy and Just Smart Enough to Push Buttons.**

Most children and young adults grow up to be ignorant about health, nutrition, the basics of survival and other essentials required to live a healthy and prosperous life. They are forced to learn by trial and error.

They learn lies about our history and are never taught about our ENEMIES. Our lethal enemies are never or seldom exposed. American children consistently score lower on “tests” than most children in other countries.

Our enemy wants the majority of humans to grow up with zero to few morals, little to no integrity, unknowledgeable, atheist, dishonest, weak, obese, unhealthy with a poor self image.

**Humanity survived for hundreds of years without corporations or government assistance. Why do they require it today?** American children who graduate from highschool or College do not have a clue how to survive without utilizing government assistance or

corporations. **It is all by design.**

The less people know about survival or or being self-reliant - the MORE people must rely on government assistance (funds) and corporations. (plantations).

Our enemies want people to depend on corporations and gov't assistance. Don't forget - **WHAT THEY GIVE . . . CAN ALSO BE REMOVED AT ANYTIME.** This is how they control humanity. Government servants such as; Congress, House of Representatives and the President are NOT the government. They are simply servants elected by the people to represent "US". **WE ARE THE GOVERNMENT!**

Many people, especially in America, have been brainwashed into living a false reality. Communists lie to the public. We are not a Democracy. Democracies are dangerous. **We are a REPUBLIC.** Power is held by those who are elected by the people of the country. Presidents are elected. America does not have Kings and Queens.

## **DEMOCRACY**

**TWO WOLVES AND A SHEEP VOTING ON WHAT'S FOR DINNER  
LIBERTY IS A WELL-ARMED LAMB CONTESTING THE VOTE**

Imagine . . . Two Wolves and a Sheep sitting at a dinner table. All three are about to vote on what (who) is for dinner. Who do YOU believe will be dinner? **This is a DEMOCRACY!**

# Slavery is Nothing New

For hundreds of years, Kings, Queens and Tyrants have had a deep seeded desire to control all land and the people living on the land. In the past, when a “**Greedy**” Tyrant wished to control or steal another area or territory and if his minions were strong enough, they simply stole the land and ALL the resources. The leaders of the area were usually tortured and killed. The people were chained and became slaves. (mostly white people)

**THE SLAVE BUSINESS.** The Rothschilds earned massive profits by creating the slave trade in America. They purchased negro people from other negro leaders in African countries and owned the slave boats that brought them to the American shores.

Negro people were sold for huge profits to mostly southern plantation owners. These black slaves worked daily. They earned their “Masters” huge profits. In exchange they were given shelter, food and water. Many slaves reproduced, bringing their “masters” even more working slaves.

By the way, nearly all of our forefathers (Presidents) owned slaves.

**Abraham Lincoln was concerned about the negro slaves before, during and after the civil war.**

Lincoln was concerned that former slaves would not be able to assimilate in “white” society - it could be painful for them. The negro slaves were not educated. They could not read or write and could barely communicate.

Lincoln was right.

After the hideous civil war, former negro slaves had a difficult time.

Even though ALL **slaves were free to leave the plantation** and go anywhere they chose, many slaves didn't want to leave the plantation because at least they had shelter, food and water. If they left the plantation - how would they survive?

Many former slaves, who left the plantation, stole food from local farmers and white people's homes to feed themselves and their families. Many former slaves resorted to crime to survive. If caught, they were hung from a tree almost instantly.

Most negroes were unskilled, uneducated and a paying job was almost non-existent. Most former black slaves headed for the country and lived very impoverished lives and many died of malnutrition and disease.

### **White "Democrats" Created the KKK (Ku Klux Klan)**

The main goal of the KKK is to gain social, economic, and political control of the South. Why? Because black men, who vote, almost always voted Republican, because it was the Republicans who SET THEM FREE!

“Disguised” men in WHITE ROBES AND HOODS to hide their **cowardly** faces visited houses of blacks at night, confiscated weapons, whipped black men, and terrified families. Shooting became common as election day approached.

The KKK often said that their main objective and reason for starting the group was to protect Southern white womanhood from black men. They did not want the races to mix.

The KKK whipped and murdered Negroes suspected of being thieves, barnburners, and rapists” whether or not the accusations were true.

The **DEMOCRAT** KKK arose a third time during the 1960s to **oppose** the civil rights movement and attempt to preserve segregation. The Supreme Court substantiated civil rights in multiple rulings. Black people who could vote almost always voted Republican.

Democrats dangled many carrots for black people to get their votes - again black people became useless “idiots” for the democrat party.

Democrats seldom do anything to improve the lives of black Americans. Very sad to see black people used like this.

### **Why do so many blacks still vote Democrat?**

It is suggested that most black people over the decades have been deceived and are low-informed and are manipulated by black influencers (highly paid) people like Al Sharpton and Jesse Jackson and others.

Our enemies who own the TV news stations LIE to the black voter almost daily. Also, many blacks grow up with Democrat parents (mothers). Democrat voting is almost generational.

Communists (Marxists) have now infiltrated most of the Democrat party in Washington, DC and around the nation.

## **Can you Imagine our Multi-Billionaire “Enemies” Working to Survive?**

**What a joke.** Our enemies actually believe they are ROYALTY. And because they are multi-billionaires, they believe they have the RIGHT to rule over us! This is also a Marxist ideology.

Our enemies are usually generational - they accumulated their wealth from various **multi-billion dollar criminal activities** such as; slavery, stealing of resources from other humans and countries, human child trafficking, illegal drugs, harvesting children’s organs, selling adrenochrome, unethical taxation, plus various other secret crimes.

Most of our enemies’ billion dollar corporations are utilized to earn massive profits while they joyfully poison humanity. Much of their wealth is handed down generation after generation. It is no secret anymore.

Most people who study our enemies know they are SATANIC. And most are pedophiles and engage in sacrificial “occult” rituals. They believe that frequent Satanic rituals give them money and power over humanity. They believe that sexualizing a child reinforces their hatred towards God. Plus most pedophiles “lust” for the bodies of children.

**Our “enemies” are mostly Luciferian or Satanists.** They hate Humanity and God. They are highly religious, they believe in God, but they HATE him. They side with the Serpent (Lucifer, the Devil or Satan) It is all the same thing.

Spirituality has almost disappeared within many circles of society.

Although Satanism is not widely accepted, it is being used and recognized more and more and most Satanists remain quiet. Satanism has always been an underground cult ritual.

## **Hollywood Has Always Been a Deviant Culture**

Hollywood has always been Satanic - only hidden. However, their Satanic beliefs are being promoted. Pedophilia has always been part of Hollywood. Satanism and many celebrities appear to be adopting and using many of the Satanic symbols and rituals. Hollywood has always been a deviant culture and used for propaganda by our enemies.

### ***Believe it or not, our ENEMY has a silly code of ethics.***

They must warn humanity of their next “evil” agenda and HOW they plan to harm us. Many times they insert their agenda into a movie. In their minds, this is OUR warning. If we sit back and do nothing to stop their plans, then we are GIVING them permission to harm us.

## **Most of the Entertainment Industry is Controlled by the Enemy. Nearly all movie scripts must be approved by the CIA.**

Movies, false documentaries and the Music Industry have become incredible propaganda tools for our ENEMIES.

Seldom will any entertainer (actor or singer/musician) become super successful “**Rich and Famous**” without a meeting with the enemy. If the entertainer has talent and sex appeal, then they may become highly successful . . . **if they follow orders.**

They must say what they are **told** to say in interviews and in public. They must use hand signals in public to show their loyalty. They must attend certain parties and rituals that may include sexual orgies.

Most **“Rich and Famous”** entertainers will have a “handler” that will instruct and provide conditions. Anytime the entertainer decides not to fulfill their agreement, then they may slowly or quickly disappear from public view. Their popularity will decrease.

Their cash might be removed from their bank accounts, all assets (houses/vehicles) are sold and liquidated and the person may be convicted of a fake crime, sick with a disease or they might be found in a hotel room dead from a drug overdose.

### **Satanism is Increasing in Popularity**

Young adults are being introduced into the “cult”. There are now after school “Satan” clubs. Most satanists say, “do what thou wilt”. In other words, do what you want. No boundaries. No morals. No ethics.

Keeping their “slaves” in fear and forcing slaves to live stress filled lives encourages sickness and eventual death. Financial stress, lack of food and water and biochemical weapons are just a few of their concepts.

### **Starvation “Famines” are Tools Used by Our Enemies**

Mao, the communist Chinese dictator murdered at least 50 million Chinese people by STARVING them. Stalin, the communist Russian dictator, also murdered millions of Russian people using STARVATION. **Our Enemies know full well how to starve millions of people.**

In America, it would be fairly simple to starve multi-millions of Americans. How? **Simply turn off the electricity.** (Our enemies control the nation’s power grid.) This will stop almost everything. No grocery stores, no restaurants, no fast-food, no gas stations, no flushing toilets, no water, no hospitals, no medicines.

If this happened. . . **Most Americans would die within 90 days.** Some

will turn to cannibalism. This report is not meant to scare you, but you must prepare because our enemies are about to create a FAMINE. THE WRITING IS ON THE WALL, FOLKS!

**Our High Level Enemies and their Families want Planet Earth for themselves. Robots will run most of the required work force.**

They want total control of the population - they will decide who lives, who dies and who becomes personal slaves. They only require a few performing slaves to run their extravagant resorts (being planned),

America is planned to be a gigantic nature park, their highly nutritious and elaborate International Restaurants will be created - plus they want a few slaves to reproduce (mother's milk) and give birth to children. Many of the children will be sex slaves for their Satanic pedophile fetishes. Our enemies have it all planned out.

**Guess What? We are not invited . . . or would you want to be?**

In the past couple of years, thousands of farm lands have been purchased by our enemies to keep food from being grown. American farms and ranches are being burned and destroyed. Fires by "Arson" are destroying the grain industry. Farmers are revolting in America and all over the world. Millions of chickens and cattle are being killed. Many people in America are preparing for a famine. (Long term starvation)

For hundreds of years, millions upon millions of people survived and raised families WITHOUT electricity. Unfortunately today in modern America, most intelligent people do not know how to survive without electricity. **Most people depend on electricity for their key survival.**

## **HISTORICAL AND BIBLICAL LIES**

There are HUNDREDS OF LIES and disinformation handed down by

those who DO NOT have our best interest at heart. The history books have been rewritten to hide certain pivotal points in history. **Most unethical historians and biblical scholars (Pope) are hiding the true history of planet earth.** The bible was re-written about 200 years ago. Please do research on your own. You will be surprised.

There have been amazing super intelligent civilizations who lived on Earth before us. They left behind several artifacts, some are hidden. Their massive structures are almost always hidden under mounds of dirt. **They left behind massive evidence of their past existence.**

Why are our enemies hiding all this incredible knowledge and hidden world? Where did ALL these millions of highly intellectual people go - how did they disappear? Why wasn't there highly advanced technology passed down to us? Why don't we know MORE about them? The evil powers-at-be do not want "us" to know the truth. Why?

### **Our Enemies have been Slowly preparing humanity for a POST-HUMAN earth.**

Our enemies are preparing people that humans may not be very useful in years to come and 90% may become extinct. Did humans become extinct for the same reason in years past? Are our enemies simply repeating "history" over and over and over? We are being pulled away from God, nature and the human experience.

Transgenderism is simply a method to make children and young adults question who we are and ignore "God" - the next step is to convince us to combine our human body with machines. They have a name for it, it is called Transhumanism.

Unfortunately, our planet has been controlled by very evil "Satanic" tyrants for thousands of years. Humanity is constantly at war with our almost invisible enemies - daily.

Their nickname is “**The Invisible Empire**”. Why don’t they want us to know exactly WHO they are or their exact home address? Because if we knew, we would hang them from the nearest tree! Our enemy causes many problems and disasters and it’s been a continuous struggle for humans to survive.

Our enemies utilize “**Blackmailed Puppets**” to speak and do their dirty deeds for them - while protecting most of their fragile identities. Our high level “enemies” are cowards. Meanwhile, humanity dodge their bullets every day. Sometimes we win and sometimes we get sick and sometimes we die.

Our enemies **place a limit on our lifespan** by slowly poisoning our bodies. They enjoy using toxic food, toxic drugs, toxic water and toxic air. All the time “they” pretend to be our friends and want the best for us.

**Don’t Forget . . .**

***“Evil will always knock on  
the door as a smiling friend.”***

**Our Enemies created a Working  
Slave force called Humanity.**

Modern Daily Slavery are Humans of all Races. America has a very powerful “hidden” slave system. Most “working” people do not know they are modern day slaves. Most of the major corporations are owned by the enemy.

**Modern Day Slaves Live an Illusion.**

An illusion of “**freedom**” is created by the evil “Bankers” and rulers of our world. Most modern day “working” humans are born into slavery and do NOT know any other way to live - similar to the old plantation days. Modern day Humans do not want to leave the plantation. (the corporation) At least now, modern day humans can be slaves and receive shelter, food and water.

Our enemies created the school system and Colleges so, most humans are never taught how to survive without corporations or gov’t assistance. Most Americans are not taught how to be self-reliant or self efficient. Most humans will starve without money, jobs or government assisted funds.

For most humans, this is the only life they’ve known.

Millions of people work hard and our enemies earn massive profits from their hard work. We give back most or all the money we earn during our life to pay **their multi-billion-dollar profit making** corporations for schooling, shelter, utilities, food, water, legal and illegal drugs, and they also steal another portion in the form of many types of “illegal” and unethical taxes.

**We trade our labor in order to survive.  
This is not FREEDOM - it is SLAVERY.**

**We were all born into a secret slave system.** Most people just accept the life they were given and have no idea they will live their lives as slaves. For decades, most Americans have been nearly **brainwashed** into a certain 75 year plan. The mission for most people WAS this:

- 1) Get a high school diploma
- 2) Attend College
- 3) Party as a single person

- 4) Meet someone with similar priorities
  - 5) Get married and start a family.
  - 6) Most people will raise their children, work at "job(s)" for 30 or more years, then retire. Yes, they work as slaves for over 30 years!
  - 7) In a few years after a short retirement, they get sick and DIE.
- Millions of people followed this program for several generations.

In the past 10 to 20 years, this program has appeared to have slowly changed. The importance of starting a family and raising children is almost discouraged. Abortions are used as a form of birth control.

Homosexuals, Lesbians and Transgenderism are promoted to lower the birth rate - these people seldom, if ever, reproduce. These people are perfect for the depopulation agenda.

Today, our enemies are doing their best to make 'pedophilia' legal and accepted. Why? Because sex with a child almost always damages the child's self image and creates many psychological issues throughout life. Sometimes the mentally damaged male child grows up to also be a pedophile, and the young girl often has sexuality issues.

## **Professional Sports Are Rigged and Used as a Distraction**

Our enemies **laugh** when they **count the billions of dollars** they earn from their fraudulent and rigged Sports games. Choosing sports teams divides people even more. Sports is another great illusion of "Freedom". Sports also distracts people from the secret slave system. Our RULERS have used entertainment, such as the "Gladiators" (hundreds of years ago) to distract the people.

Professional Sports is Big Business. It is a 50 Billion Dollar per year underground gambling racket. All controlled by our Enemy.

**The Enemy will not lose. Professional sports are rigged.**

Millions of Humans have been brainwashed to think watching millionaires kicking, throwing and hitting balls is a great thing to admire and behold.

Meanwhile our enemies focus on their next big scam - maybe it will be another fake pandemic or possibly another war that destroys more infrastructures and murders many more innocent lives.

## **Slaves Take a Risk Sometimes**

Millions of people dream of a life without “work”. Work usually creates stress on the body and stress encourages many diseases to manifest. The slave lifestyle is not healthy. **It is all by design, folks!**

Thousands of people every year believe they can break away from slave life and start a self-employed business. However, many find out that starting a business is even more stressful.

**90% of start up businesses fail the first year.** Why? Mostly, because the system is created to keep people on the plantation (corporation). Most business failures are due to lack of business knowledge, competition, lack of funds or there is not enough market for the product or service. (lack of market research knowledge)

In a few weeks or months, the former business owner heads back to work at the plantation (corporation). It's no secret, most people hate their slave jobs. Monday mornings are the biggest day for suicides in Ameria.

## Is Debt a Good Thing?

Sometimes humanity 'plays' **Follow-the-Leader**. Our enemy brainwash the masses into believing - that going into debt is a good thing. Millions of people go into debt for a house, furniture, appliances, vehicles, designer clothes and credit cards.

Why did the Evil bankers (money changers) create the credit score?

The answer is obvious. They want their money paid back with interest. An average or high credit score means YOU can be rewarded with another "interest" bearing loan! It's that great?!!!

The Bankers smile every day getting FREE money - billions of dollars in daily interest. **Usery!** Being in debt causes extreme anxiety and stress for millions of people, while the Banksters get richer!

**Again, all by design.**

Americans are more in debt today than any other time in history. Have you noticed that most houses are sold with a small patch of grass outside so the people will feel like they own a bit of the lush greenery (countryside) beyond their financial grasp. **It's all an illusion, folks!**

### **Humanity are Slaves living a False Reality.**

**IMPORTANT READ:** If humans must "work for money" in order to provide himself and his family with a safe shelter, non-toxic food and clean water, then "HE" is not a FREE man or woman. If the man or woman is unable to move and travel anywhere at any time he chooses, then he is NOT free - he is either a prisoner or remains a slave.

**Our enemies created a secret slave system - they made “Money” the Chains that Binds and Controls most of Humanity.**

For hundreds of years humanity was nearly self-reliant. They settled on land and built their own shelters, grew food and raised animals for protein. They collected water from the rain, streams and rivers. They made friends with like-minded people. Once in a while they bartered amongst each other. Money was not known. They raised children and lived long healthy happy lives. Most worshiped God.

Today, most people are enslaved. MONEY is the invisible chain that binds people from leaving the plantation (corporation). If a person leaves the plantation (corporation), then their money is removed.

The person is FREE - however, they may lose their shelter, and unable to buy food and water. He or she will eventually starve, get sick and die. *FEAR of this happening, the slaves will usually remain on the plantation (corporation).*

## **Our Enemies Live Extremely “Lavish” Lives**

Our Slave masters do not live like we do. Their castle-like mansions sit on massive estates (hundreds of acres) with tall iron guard gates and plenty of bodyguards. Most of our wealthy enemies own massive yachts and are seldom seen in public.

One yacht can cost \$100 million up to \$500 million. Many of our Enemies “Rulers” live almost exclusively on their massive yachts.

Our **high level Enemies** travel the oceans in large yachts with a full crew, servants and dozens of body guards because it is safer. Many of these people have millions of enemies all over the world. The oceans are safer than land. Plus they can visit dozens of countries of choice.

They live a life of Freedom. They cruise the world’s amazing oceans and visit lavish SECRET resorts. They eat the best, most nutritious foods and seldom consume BIG PHARMA drugs - due to health hazards. They have access to technology at least 100 years or more ahead of ours. They also have access to advanced medical technology that they do **NOT** share.

## **What is a Human Farm?**

**Secret facilities:** Our dark “Rulers” (enemies) own massive acres of land and in the center of the land is a large building (without windows). There are several of these facilities around the world. There is a helicopter landing pad on top and an air strip for private jets to visit the facility. There are no roads that lead to the building and it is well guarded.

**What’s inside?** The facility is filled with young women and children. The large facility is equipped with a full kitchen and cooks. They feed everyone inside the facility with highly nutritious meals.

One large portion of the facility is a stable of pregnant healthy young women. 50 to 100 females are utilized. They are kept comfortable with plenty of hospital beds for giving birth with medical assistance or midwives. **Human milk** is the most nutritious food on the planet. (only slaves drink milk from a cow - dairy milk is NOT good for the human body.) Nutritious human milk is harvested from these pregnant young women and distributed to the Satanic families that rule over the planet on a regular basis. Each healthy woman will give birth to 20 to 30 children during her life at the facility.

**What about the children?** The children are removed from the mother right after birth. A section of the facility is for taking care of baby infants. Some of the children (from 3 to 5 yrs old) are sacrificed and murdered for Satanic rituals. Healthy organs and adrenochrome are harvested from some of the children and SOLD to wealthy Satanic families. Organ harvesting and the **sale of adrenochrome** is a multi-billion dollar business. Obviously, these children die and are cremated.

Many of the children remain as healthy as possible and are kept as child sex slaves and used (over and over) for the pedophiles within the Satanic families and their minions. Some of the **child sex slaves** remain as sex slaves up to about 15 yrs old.

Throughout each year, their child sex slaves are flown to wherever they are wanted. Some of the older female teenagers are impregnated and become harvesters of human milk - **and the cycle continues**. The women who can no longer get pregnant are deemed useless - they are often euthanized and cremated.

If this sickens you, then you're NOT alone. These are the monsters who RULE over us.

**Let this all sink in, folks!**

## **The Love of Money is the “root” of all Evil.**

Our enemies have an almost endless flow of money. They have multi-billion (trillion) dollar revenue streams plus ALL their profitable criminal activities allow them to control humanity. Their **money** is easily used for bribery, blackmail and extortion. Unfortunately, our enemies have manipulated millions of humans to “love” money like they do. Humans who “love” money benefit our enemies greatly.

### **Only Those Who Follow Orders Will Sit in a Powerful Chair**

The enemy will usually only allow someone to **sit in a powerful chair** IF they can be controlled, bribed or blackmailed into doing what he/she is told. Unfortunately, many people “love” money and they will trade their self-respect and their integrity for MONEY.

These lovers of money could be politicians, CEOs of massive corporations, Medical directors, Judges, DAs, Governors, Mayors, Police Chiefs, Religious leaders, etc.

They insert THEIR person (slave) into a political chair to make sure certain laws are created that benefit them. Our enemies control how we live, how much money we earn and they murder us anytime they wish.

**Our enemies are absolutely ABOVE the law! How? Because they RULE over the planet.**

Our enemies created a rather complex system - similar to the military hierarchy where there are different levels of power. Each control system gives orders to the lower minions. They utilize secret societies as front groups for specific meetings to arrange certain protocols and agendas. The use of “puppets” and front groups allows the high level enemy “plausible deniability”.

These organizations and puppets keep the masses from learning about or targeting the actual high level **international “Slave Masters”**.

## **Our Medical Industry is Mostly Fraudulent and Corrupt**

Notice the Medical Logo. Two entwined ‘Serpents’. A Serpent is often referred to as Satan, the author of lies and deceit. Much of the medical industry is evil and they do not mind advertising it in their logo.

Our enemies control most of the Medical Industry. The **evil Rockefellers**, in the early 1900s founded Big Pharma, the AMA and created the Cancer Research Foundation (a hoax). The Rockefellers also controlled the Medical Schools.

They learned early on that parasites were a potential and dangerous cause of Cancer. The removal of parasites was SIMPLE and NOT profitable.

One of our dangerous enemies is the Rockefellers. **They kept simple cures for cancer and most other diseases a secret.** In the early 1900s, the Rockefellers used their “money” and influence to hire their minions to write “disinformation” medical books and almost nothing about nutrition and nothing about the removal of parasites was or is taught.

Medical schools have not changed - they are still pumping out ignorant and incompetent medical doctors. They push their evil pharmaceutical drugs and many costly surgeries. Most surgeries are unnecessary. The body can usually heal itself with natural remedies.

There is NO profit in natural remedies, so they only teach future doctors the 'wonders' of their pathetic Big Pharma drugs. They only promote patented "drugs" that earn massive profits and the drugs are designed to treat but not cure - plus the drugs create short and long term illnesses. The more illnesses and diseases you get - the more profitable the criminal medical industry becomes.

Medical doctors receive gifts, kick backs and commissions for promoting their Big Pharma drugs. Most doctors are not completely stupid, most know what they are doing is WRONG. . . but they do it anyway. They invested so much money and time into their career to quit now. Most are scared to lose their medical license.

Unfortunately, most doctors are subject to bribery and MONEY and decide to harm humanity rather than lose their careers. For example: Most doctors were fully aware the Covid 19 fake vax was harmful and deadly but they said many times, "The vaxx is safe and effective". Shame on them!

Many people, during the Big Pharma early days, were very successful using nutrition and other natural healing methods (without drugs) to cure people.

**Thousands of people were cured of cancer.** However, the Rockefellers had the power and the money to discredit them and many were arrested and never seen again.

The Rockefellers and the Rothschilds are part of the “Enemy” cabal. The Rockefellers and Rothschilds families are evil. Their corporations and influencers are still alive and well. They are generational (Satanic) families doing their best to destroy and profit greatly from humanity.

Not all people inside the medical profession are corrupt. Honest and ethical medical professionals have proven that the average human body should live at least 200 years or more. The human body is highly resilient and miraculous in every way. However, our enemies prefer us to live with a **shorter lifespan**. (It is their way of controlling the population and to play God.)

Learn more honest medical info from Dr. Lee Merritt, Dr. Ardis and Dr. Jane Ruby. Find them online or in the resource section of this report.

**Our enemies create most or all the diseases.** They bombard us with a constant flow of toxic ingredients. Toxic chemicals are in many of our food products and toxic fluoride in drinking water. They even spray our skies with toxic chemicals. **The Enemy hates humanity and they hate God.** Most of these chemicals set up millions of people to potential diseases and eventual death.

**Covid 19 was another medical hoax and multi-billion dollar scam.**

Covid was another FEAR tactic. The so-called virus was never “isolated” or proven or seen under a microscope - which means it NEVER existed. The lying media hyped up the fear with fake videos showing packed hospitals and body bags. There is no such thing as a covid -19 virus. There are many forms of influenza and pneumonia. It’s been with us for a very long time. The PCR tests are also FAKE.

**The Covid pandemic was a total scam.** Our enemies utilized their “lockstep” system. They recruited their loyal minions such as; corrupt hospitals, doctors, nurses, celebrities and the TV media. They used their influence and caused enough fear that millions of

people rushed to get their “Poisonous” bioweapon injections.

Fortunately, the Americans woke up and discovered that hospitals, doctors and nurses knew about the scam, but followed orders to murder as many people as possible. Our enemy planned to murder billions of people on the planet. However, they are not done yet!

**They lied to the public.** They promoted the fake vaccines as healthy and effective but were actually a deadly bioweapon. **FACT:** The patented name for the Covid bioweapon (injection) is called **LUCIFERASE!** Hello????!!!! The covid bio weapon has killed more people than any time in history. More people have died because of the corrupt big pharma weapon than those killed in wars!

Hospitals and medical doctors all over the nation received MILLIONS of DOLLARS to inject people with the ‘**Luciferase**’ bioweapon. Many medical doctors and nurses knew they were injecting dangerous and lethal shots. The Department of Defense (DoD) and Big Pharma teamed up to murder people all over the world.

Our enemy duplicated the same method used during the Spanish Flu hoax in 1918. It was also a SCAM. BIG pharma drugs are designed to slowly kill or quickly kill and create a cascade of illnesses. Beware.

## **Do Not Be Fooled by the Enemy's Many Hoaxes**

Our enemy spreads lies such as; the world is overpopulated and “Climate Change”. They use propaganda to spread their lies. The Overpopulation theory is a huge hoax. Matter of fact, planet earth is under populated.

There are millions of Chinese men in China without a female mate - not enough women means no new children. **Fact:** China and Russia

are paying their couples to have children! Visit west Texas sometime. You will drive hundreds of miles and not see a building or another human being. Over-populated? There are multi-millions of acres all over the world that are **not even inhabited**.

Again, More Bullsh\*it!

**Climate Change is a multi-billion dollar SCAM.** The goal of Climate Change is to remove carbon from planet earth. Guest what? Humans are filled with carbon atoms. Yes, our enemy wants to remove most of humanity from the planet. Climate Change has been a lie from the very beginning.

Remember, Al Gore, the con-artist, was screaming at Americans (while he was jetting around the country) in 2006 . . .he warned that America will be overwhelmed by our oceans by 2012. He warned of Global Warming . . . . . that the Arctic Ice is melting fast and it will be horrific! That was 12 years ago!!! **Nothing happened Mr. Gore!!!!**

The Marxist minions hope you don't remember many of their LIES. The Climate Change multi-billion dollar scam's intention is to use 'carbon tax' to steal billions of dollars from innocent Americans.

Anyone with two brain-cells realize this is and has always been a SCAM. Climate changes happen all the time - however, the ever changing climates do not provide a threat to humans. The climate has been changing for billions of years. God created a self-sufficient planet for all humans.

**The enemy spreads gloom & doom.** They want humans to be in a constant state of fear. Fear creates a low level frequency and also stresses the human condition. **Don't buy their hoaxes.**

Millions of tyrannical minions are amongst us. They are the brainwashed minions of the dark tyranny. (sometimes referred to as the Deep State). The public school system and Universities are spitting out loyal "Marxist" minions by the thousands.

**Again, brainwashing works!**

Most of these low level minions will be murdered once the Marxist (New World Order) gang reach their objectives. The tyrannical minions who take orders from the enemy have infiltrated ALL aspects of our lives.

### **Is Bill Gates a "Criminal" Eugenecist?**

He works an agenda of eliminating certain types of people. Bill Gates used poisonous vaccines on the negro population in Africa and murdered thousands of people. Bill Gates has more than a dozen bodyguards protecting him 24/7. He lives in fear because millions of people despise him. Bill Gates is a Monster.

(See our Bill Gates video proof link in Resource Section)

Bill Gates promotes the Depopulation Scam. Bill Gates wants to depopulate the planet using “unsuspecting” poisonous vaccines. He admitted this in a lecture.

However, Mr. Bill Gates has no desire to KILL himself . . .why not, Bill?  
Have you noticed that if you’re a multi-billionaire democrat and part of the criminal “cabal”, then you’re above the LAW!

## **The Secret is out. Our Enemies are Replacing Humanity with AI Robots.**

The secret plan is to replace 80% of the human workforce with AI robots. These AI robots are secretly being invented and manufactured as we speak. Thousands and possibly millions of robots are being used today.

Soon, human dentists, doctors, nurses and attorneys will be AI. Thousands of manufacturing jobs, construction and farming will be robots. Service oriented jobs will also be AI robots.

All human policemen will be replaced by AI robots. Teachers and most gov’t jobs will be replaced with AI. These are just a few of the planned replacements. The plan is to implement most or all of their replacement agenda in the next 5 to 10 years.

**What do they have planned for 80% of the human slaves?** Naturally, this plan will be implemented in all countries. Example: In America, what will happen to the 160 million people in the workforce?

How will the system change? Or do they plan to exterminate 160 million (American) “useless” eaters? Most of the human slaves will not be required any more. AI robots will also repair robots and

manufacture additional AI robots for various types of work when needed.

## **Rigged Judicial System**

**The enemy controls much of our judicial system.** It appears that many of our courts are becoming more unethical. It appears many Judges, DAs and even juries are subject to bribery today, more than ever. Many people within the judicial system are unethical.

Always question any and all people within the judicial system. Do not be gullible. Hundreds of people are not achieving justice in our court system - however, recently it appears criminals have been the winners! Are many of our courts run by criminals? You decide.

## **Our Enemies FEAR Exposure!**

**The greatest trick the DEVIL ever pulled on humans . . . was to convince the world “he” did not exist. Most people seldom research or KNOW about our Enemies.** Why? Because most people do not know our Enemies exist! Most people are low-informed and NOT knowledgeable. The Enemy HIDE in the shadows.

Unfortunately, sad but true, millions of people in America and around the world are "**sitting ducks**" just waiting to be harvested by our Enemies. Many people are simply apathetic and do not care. And it is this attitude that helps the enemy to prevail. All of us have taken this evil tyrannical system for granted - as a way of life.

We all try to survive the best we can **without** acknowledging we are modern day slaves and secretly controlled by our masters. (money is the secret chains)

**If most of humanity ever woke up to these facts, then it would be all over for our Enemies!** There are many more of us than there are of

them! Our enemies FEAR exposure! This is why their secret slave system must remain a secret.

## **What is the Agenda of Our Enemy?**

Our enemy is working daily to remove our FREE WILL. They are using technology to control humanity. Technology allows our enemies to pretend to be God.

Our enemies want to be God - they want to watch everyone-all the time. **However, not for the same reason. They fear the people and for good reason.** Our enemy worships Satan (Lucifer).

Our enemies are enacting their massive surveillance system to watch all Americans. Spying on Smartphones, thousands of cameras with face recognition in nearly all cities, Internet, 5-G towers, Listening devices in home appliances and TVs. Beware.

**Our enemy's mission is to control the lives and actions of all humans.** They want to control what you do and what you can't do. They want to limit your speech and your ability to travel.

They want to challenge GOD. They want to limit your FREE WILL. Our enemy hates God and they hate Humanity - they hate God's children.

## **Beware - will the Invisible Empire Succeed with their New World Order?**

For the first time ever, the secret agenda of the planet's ruthless Super-class is exposed in detail. Men of power and influence have worked in **stealth** for centuries to establish an oppressive world government.

The global oligarchy will control the populace through drug trafficking, money laundering, staged terror attacks, media propaganda and debt. The criminal controllers have successfully dominated the globe and are now in the final phase of consolidating power.

**Invisible Empire:** A New World Order is here. Are you ready? Worldwide tyranny isn't coming – **it's here**.

This isn't a conspiracy theory, it's a conspiracy fact. The New World Order is out in the open. Unelected bureaucrats are alive and well.

Global tax and a cashless surveillance society in which every man, woman and child will be microchipped at birth.

***“Evil Can Only Prevail When  
Good People Do Nothing.”***

We worked hard to provide this free report for humanity. Please help by spreading this Powerful **FREE report**. Please help this report to be read by thousands - maybe millions of people. Let this report do the talking for you! This **FREE Report** is a gift to humanity.

Until these evil tyrannical enemies (Communists, Globalists and Satanists) are incarcerated or exterminated, then we must always be aware of their existence and learn how to protect ourselves on a daily basis.

**Nearly EVERYTHING YOU ‘THINK’  
YOU KNOW IS A BIG FAT LIE.**

# WHO CAN WE TRUST?

## Let's Quickly Recap!

**Do NOT Trust History books or most (blackmailed) scientists.**

Most so-called historians or “scholars” have an agenda to purposely HIDE our history. Most of them are “Liars”. **Even the bible has been altered.** Most scholars are blackmailed to keep secrets.

There have been many highly advanced civilizations that lived on earth before “us”. There is plenty of evidence.

**Do Not Trust Religious Leaders.** Our churches have been infiltrated by the enemy for many years. You do not need to worship in a religious building. Example: The current POPE is ‘Luciferian’.

**Do Not Trust Law Enforcement.** Do not answer their questions. They are not your friends. Their job is to create or find evidence. Your words will not help you - they can **only** hurt you.

**Do Not Trust the FBI.** FBI is a criminal organization designed to protect the “Elite” and their pedophile fetishes - mostly inside the USA. The FBI was started by Edgar Hoover (a crossdressing pedophile). The FBI can and will legally LIE to you but it is highly illegal to LIE to them. Do NOT answer their questions.

**Do Not Trust the CIA.** They are criminals. The CIA is an international crime syndicate who work exclusively for the International Tyrants.

The CIA is mostly involved in bribery, blackmail, extortion, election fraud, drug trafficking, spies, creating wars for monetary gain, child

sex trafficking, assassinations and murder. The CIA is loyal ONLY to our Enemy.

**Do Not Trust NASA.** NASA is a FRAUD. The funds that are freely given to NASA goes into a multi-billion dollar SLUSH FUND and is cleaned-up and goes out to various criminal organizations.

All astronauts are 33 degree masons. The moon landing was a FAKE. NASA has NOT been back in decades – in their words – **“We lost all the technology we had back then!”** How stupid do they think we are? NASA SCAMS! Humans have never left the planet. There is NO evidence of aliens from other planets.

Another LIE. Satellites ARE NOT launched into outer space, they are inserted into our own atmosphere using large helium balloons. They crash to earth all the time - but it is kept secret as much as possible.

**Be Cautious and Very Leery of Many so-called Conservative (Video) Pod Casters.** It is not wise to trust most of the conservative podcasters. The truther movement has been infiltrated by the enemy for the last few years.

Be leery of those who repeat the mantra **“the white hats are in control or we’re simply watching a movie.”** This causes the people to relax and believe that they do not need to be concerned.

Stalin, communist dictator, used almost this exact method while he and the Bosheviks stormed into Russia and changed the country into a communist dictatorship. Stalin (starved) and murdered millions of people before and after taking control of Russia.

**Many fake patriots are spreading lies, disinformation and misinformation.** A few of these people tour around the country in

million dollar 'touring buses' and charge \$200 up to \$300 per ticket to listen to them and others speak "live".

**Are they grifting hard working patriots? . . . you decide.** Several popular people within the "truther" movement refuse to show their "face" and often use "fictitious" names and seldom reveal their "background". **BEWARE of grifters and fake conservatives.**

**Still Believe We All Live on a Spinning Ball?** This spinning ball theory has been completely proven to be a total hoax and a LIE. We live on a motionless flat earth. It's a FACT. The firmament has never been penetrated.

There has never been a photo of the planet. Again, the NASA photo is a LIE. (several photoshop experts revealed this round ball earth **photo hoax** long ago.)

Some people believe that NASA was created to keep us convinced we live on a spinning ball and keep allowing NASA to steal billions of dollars from US citizens. This silly spinning round ball hoax is almost laughable. Nearly all commercial airline pilots admit we live on a flat earth!

**Do NOT Trust Banks.** The Rothschilds control the banking system and the banks can close their doors anytime. Since 1913, banks have become another tool of our enemies. The banking criminal cartel has secretly stolen millions from customer safety deposit boxes. Banks nor FDIC will protect your funds in the event of bank insolvency. An insolvent bank will steal your funds. Utilize credit unions in your area.

**Do NOT Trust most CPS (Child Protective Services), DAs, Judges and most state Prosecutors** – many of them are involved in child trafficking. Many are criminals and earn massive profits selling children for nefarious reasons.

**Do NOT Trust Government Parasites or Politicians.** Congress is completely controlled by Zionists (AIPAC). Which means America is controlled by Zionists as well. Zionists are not all Jews - but many people call Zionists ruthless Satanists. Zionists also control Ukraine, which was a major hub for laundering illegal funds and many banks in Ukraine were used by many criminal politicians and others.

Congress will be giving the Zionists (Israel) and Selensky (Ukraine) **100 BILLION DOLLARS.** Why? So, they can kill more people, of course! No oversight or accountability for where the money goes or how it is spent.

Guess what? Thousands of Americans and veterans all over the country are homeless and hungry. Congress does NOTHING! Thousands of Americans are rejected for food stamps. Congress does NOTHING!

Millions of illegal migrants and criminals are invading America - Congress does NOTHING! Congress gives each illegal migrant \$2,000 per month each!! Free housing and free food! **What is wrong with this picture folks?**

The secret bank accounts of each congress person must be packed with cash. **It appears . . . America is run by criminals.** Most US politicians are subject to bribery, blackmail and extortion. They Lie and Deceive while collecting “hefty” paychecks!

Many US politicians have felony convictions - in other words the people elect criminals into public office. **Most politicians are greedy and do the dirty deeds ordered by our enemy.**

**Do NOT Trust our Election System.** It is highly corrupt and most elections are not honest. Elections are another “Illusion”. Elections

help convince people they are free and have power. The truth is, most of humanity believes the illusion.

Most elections are dishonest locally and nationally. The CIA has been selecting many of our elected officials and presidents for many decades. If any elected official, including presidents, get out of line, then they suddenly get sick, disappear or are killed.

**None of Our Current Elected Officials Have Taken an Oath of Office.** Throughout the years, elected officials take an OATH of OFFICE - they must swear and promise to work for the best interest of the American people. However, today, you will not find a single "OATH". What does this say about their true intentions?

**Trust Congress? Congress Passed the Surveillance ACT.** This means our government servants will SPY on all Americans anytime without a warrant. They can and will listen to all phone conversations, snoop on text messages and email exchanges. Our privacy and freedoms are being eroded. **What should you do?**

**Do Not Trust your Food or Water supply.** Use only NON-GMO and distilled water for drinking/cooking. Sometimes even "organic" can be non-trustworthy. (Monsanto - Bayer- GMO) is banned in 7 different countries - but are allowed to **prosper** in America with toxic seeds.

**Do NOT Trust Most Food Corporations** - Especially those who deceive the public through deceptive labeling of ingredients. Most "deep state" controlled food corporations will insert unhealthy ingredients in hopes you will not notice. Many CEOs are Deep State.

**Do Not Trust That You and Your Family will Enjoy a Never Ending Supply of Food in your Grocery Stores.** Our food supply is NOT only increasing in price, but it is being diminished. China and our enemies are buying up farmland. Our farms, ranches and food

manufactures are being destroyed. Many people are preparing for FAMINE in America - possibly all over the world. YOU MUST PREPARE.

**Do NOT Trust FEAR tactics:** Einstein did not invent the Nuclear Atom Bomb. It does not exist. It is a LIE. It was used as a FEAR tactic and it is still used today.

During WW2 – Japan was paid billions to keep quiet – they were only hit with Fire-bombs. (one city block). The Military also used napalm bombs in Vietnam. **Nuclear “Atomic” Bombs do not exist.**

Also in return, Japan was given all the scrap metal in Europe, such as; tanks, jeeps, planes, bomb fragments, jets, etc. Japan in return, manufactured vehicles from ALL the **free** scrap metal and sold them to Americans. They made crazy profits!

**Do NOT Trust Big Pharma or the Medical industry.**

All of your doctors and “Celebrities” who promoted the fake Vaxx should be ashamed and many of them should be arrested and convicted on conspiracy to commit murder.

They used their influence and caused enough fear that millions of people rushed to get their “Poisonous” bioweapon injections. They even poisoned our “Military” men!

Even several doctors bought the lie and DIED. ( It is assumed they did not get the memo - DO NOT TAKE THE VAXX! Always question doctors and if you have a serious health issue, then always get a 2nd and even a 3rd opinion. **Seek an honest health professional.**

Our enemy is earning massive profits while injuring and murdering millions of people. Hospitals and corrupt doctors intended to murder many more people. Millions of injected people will still die sooner than

expected due to their immune system being destroyed.

**Do Not Trust Google or Most Search Engines.** They are mostly controlled by the CIA. Google may or may not provide you the truth.

**The CIA also controls FACT checkers.** Facebook and others were also started and funded by the CIA. They are actually surveillance systems to spy on people all over the world.

**The Medical Industry has been CONTROLLED by one of our enemies for over 100 years.** Medical students are not taught about nutrition, parasites and many life-saving methods are omitted from medical schools. Medical hospitals and thousands of doctors are not our friends. They showed their true colors when promoting the fake Covid vax and the FAKE PCR tests.

Most doctors and hospitals “**knowingly**” murdered millions of people inside hospitals and would not allow life-saving medicines and methods to be used. **Beware - many hospitals still utilize a death protocol of redevir and ventilators.** The medical hospitals earned and ARE still earning millions-of-dollars by murdering so-called Covid patients.

**Do NOT Trust the FDA, CDC, NIH, the “W.H.O.”, the WEF, the UN or any Secret Organization.** They all work together as another organized crime syndicate. These corrupt organizations usually work in “lockstep”. Mostly Satanic communists run these organizations. It is all about harming humanity, power and control. Most are loyal minions who take orders from the ENEMY.

**Big Pharma (criminals) are Secretly Buying up popular vitamin companies.** What do they plan to insert into their products? Helpful ingredients or more of their TOXIC poisons?

**Do NOT Trust NWO “puppet” gangsters** who are destroying America and other countries. Top known demons are Bill Gates, Karl Schwab, George Soros, King Charles, Rockefellers, Trudeau, Rothschilds, Macron, the Clintons, the Bushes, Obama, plus thousands of Satanic minions. Many of these evil people are actually (look-a-likes). Some leaders or influencers are dead.

**Do Not Trust so-called Government Agencies.** Nearly all of them have been infiltrated by Marxists (Globalists) to decrease freedoms, create financial theft and disrupt the lives of Americans. This goes also for local counties as well. There is non-stop-corruption!

**Do Not Trust the IRS: They are liars.** The IRS depends on your FEAR to collect. Who else uses fear tactics? Gangsters and Mobsters! The IRS is a private corporation. It is a scam. *Former IRS agents (whistleblowers) say ... if you send in your hard earned money to the IRS, then you're a fool.*

There is NO law that states that average working people must give-up a portion of their income to anyone, let alone to some mafia organization. The IRS is a strong-arm (mafia) collection corporation.

Don't be fooled - NONE of our tax money is EVER used to improve America or to improve lives for Americans. 100% of our tax money is quietly given to our tyrannical Enemies. (it clearly states only government employees may be subjected to potential taxation.) The duties of the IRS is to spread lies, fear and intimidation in order to rob Americans. The IRS is controlled by the “banksters”. **The IRS LIED to ALL of us!**

**Do NOT Trust the TV Media.** Most are CIA and trained to LIE and sound believable. (ACTORS) They are trained to spread propaganda and lies. They are loyal to our enemy.

## **Do NOT Trust the Public School System or Universities.**

(Globalists) Marxist communists have infiltrated our school system across America. Our children and young adults have been indoctrinated with Marxist ideology for decades. Children now learn about pedophilia, transgenderism, homosexuality. Children are taught that less morals are a good thing.

## **Trump. Is he Trustworthy? Many Trump supporters have observed these issues and are concerned.**

1) **“I Will Drain the Swamp.”** Not quite, unfortunately, his administration and the political swamp became a **“Sewer!”** Not one single person was arrested or drained from the swamp. Only a few men were arrested - all part of Trump’s team!

2) **“I will Lock-up Crooked Hillary Clinton!”** - Lock her up! Lock her up! Not only was crooked Hillary not arrested for all her many crimes, but Trump, in an interview, after he was elected, said, “I do not want to harm the Clintons . . .they are NICE people!”

3) **“I will build a big beautiful wall to protect Americans.”** Remember. . . “Build that Wall! Build that Wall! Guess what? The big beautiful wall was a failure. Over 30 million illegal immigrants have flooded inside America including terrorists and dangerous criminals.

### **4) “I am Proud to be the Father of the Covid-19 Vaccine.”**

Trump has said many times, **“I saved millions of lies!”** Really? Millions of people who died from the poisonous bioweapon would argue with that statement. (if they could). He also said, **“Get the Vaccine, I did! Get the Vaccine!** Naturally, he did not take the fake vaccine or he would probably be dead. The toxic vaxx has injured and murdered millions of people and many medical experts say millions more will die in the future due to a damaged immune system. Still, no apology from Trump!

5) **Trump said, “I could KILL someone** in the middle of the street with thousands of witnesses and millions of people would still vote for me! Hmmmm....that’s an interesting statement, huh?

6) **Trump repeated the “Snake” poem many times**, why? There was a line that he repeated, “You knew I was a poisonous snake before you invited me inside, now I gave you a vicious bite!” Was the snake poem a warning?

7) **Trump has admitted many times - he is a Zionist**. Much of his staff, consultants, attorneys and cabinet were Zionists. Zionists = Satanists

**Trump should explain these confusing issues. Trump may be a good man - or he could be part of the Swamp. You decide.**

## **Solutions that may help Bulletproof Your Life:**

Many of these solutions may be elementary to some, but might be eye-opening for others. To some, these solutions will be a list of reminders!

**Leave the City** – Our open borders have created a massive amount of dangerous and criminally insane monsters entering nearly all states in America. YOU ARE NOT SAFE. **For now, cities are extremely dangerous.** Home invasions are up tremendously. Criminal immigrants are murdering nearly one innocent American daily - it is bound to increase.

In order for you and your family to live a safer existence, then it is suggested you MOVE to rural America - near a small town. Rural America is healthier and safer. It is not wise to depend on corrupt corporations or our corrupt government servants to keep us safe. Cities are full of crime, disease, toxic food/water and unsafe “Air”.

**Seek an Honest and Reliable Medical doctor.** It must be someone who seriously has a desire to help and improve your life. He/she **must not be controlled** or told to follow certain medical protocols or **cannot or will not** prescribe certain life-saving medicines such as; Ivermectin or Hydroxychloroquine.

**Seek a Health or Medical Advocate.** An advocate is a man or woman who will fight to make sure the hospital and doctors are providing YOU with the correct medical treatment. An educated advocate will HELP make sure your patient rights are not abused. Medical advocates are often utilized when the patient is unable to communicate with hospital staff. **Find a quality medical advocate soon.**

**Seek the Advice of a Naturopathic Doctor or professional Nutritionist** for natural remedies. These “healers” treat the whole body with nutrition. Both will treat the body in a holistic manner. *Good sound nutrition is God’s medicine.*

The Medical Industry or “doctors” frown upon nutrition being used as health remedies. Why? Mostly because they are ignorant about nutrition. **Again, brainwashing works!**

**The Cancer Remedy Secret** - It’s been proven that most or all cancers are caused by one type of parasite or a variety. Amygdalin found in apricot seeds may prevent cancer.

People are having great results. **(B-17 is the ingredient to take)** Also, according to **Dr. Lee Merritt**, she advocates a parasite cleanse (one week on - one week off) to remove parasites. **Ivermectin** is a great parasite cleanse. Also read the book called “*The One Minute Cure*” - Do not trust Google - it may or may not provide honest INFO.

## **Create a Pantry of Healthy Food and Distilled Water.**

It is wise to build a pantry filled with non-toxic food and clean water. Distilled water is usually free of contaminants and fluoride. You should have enough food/water to last 30 to 90 days for you and your family. (longer if you can) Each person should have at least 50 to 100 grams (or more) of daily protein. Anything can happen. Be safe and not sorry.

**Keep a 90 day supply of Toilet Paper** at all times. Plus stock up on other consumables used on a regular basis. Stop paying money for paper towels. Instead, use inexpensive clean washrags. You can purchase cheap washrags for only 25 cents each. You can simply wash them each month - throw them in a bag or box. No need to fold. Use them over and over for many years. They can also be used for hygiene purposes. Save money!!!

**How NOT to Ever Have Body Odor.** Simple! Stop using expensive and toxic hygiene products. Daily use of these toxic chemicals can cause hidden health issues. A daily shower is not required for good hygiene. **Use exfoliating gloves.**

Showers are good for exfoliating your skin (removing dead skin) . Showering once or twice a week is all that is mostly required. Clean face, hair, scalp and entire body. Again, use exfoliating gloves to gently rub the dead skin from your entire body. Use a non-toxic shampoo and body cleanser. After a shower, use a quality non-toxic moisturizing creme. Rub it all over your face and body.

Use non-toxic, non-drying ingredients to clean your face.

**Bacteria lies in the soft skin of the body.** Try using this routine daily. Rinse mouth with hydrogen peroxide twice per week. (do not swallow) It is a powerful non-toxic cleaner of bacteria inside the mouth and can prevent cavities. It will remove bad breath. Clean teeth with non-fluoride paste at least twice per day.

**Next . . . Use natural ACV (apple cider vinegar) ...** pour a mixture of 50% ACV and distilled water into a spray bottle. Spray the mixture on a washrag. **ACV kills bacteria.** You can gently wipe your face with ACV, however cleaning the body of bacteria that causes odor is most important.

Wipe your armpits, wipe neck (front and back), wipe soft skin between your thighs and body. Wipe your genitals, wipe butt crack and anus, wipe between your toes. Use this ACV routine once or twice per day. It only takes about ONE minute.

**Hint:** You can purchase cheap washrags for 25 cents each. Do not use a washrag again until it is sanitized or cleaned. If you use this method daily, you'll be more hygienically clean than 99% of the people walking around. HAPPY HYGIENE!

**How to Lose FAT** - FAT does not cause a fatty body - SUGAR DOES! Our enemy wants YOU to be fat and unhealthy. Most diseases lie in the fatty tissue. Most diseases cannot survive in a lean healthy body. Losing fat is not difficult but will take discipline. Sugar is highly addictive - you must break the sugar addiction.

The **KETO** plan has worked great for millions of people. Learn about it. Eat protein, healthy "fats" and low glycemic foods.

**Avoiding Sugar completely may be difficult,** however it will benefit you greatly if you reduce consuming it as much as possible. Food that quickly turns to sugar such as; white potatoes, fries, CHIPS, dairy products, bread, oats, candy, corn. Beware of high fructose corn syrup - it is one of the #1 highly toxic ingredient. Avocados are a great source of (monounsaturated fat). Exercise 30 min - 1 hr a day - brisk walks. Weekly fasting is also healthy. (fast for 24

hours will not hurt you - only drink clean water) helps to detox your body. Lose up to 5 lbs per week.

**Beware of 5-G towers and Smart Meters in your area.** There are hidden truths concerning 5-G towers. Their true intent remains to be nefarious - the powerful frequencies can release nano-toxins into the human body and cause a cascade of illness.

### **Why Sleeping Bags?**

Prepare. In the event of the loss of electricity or heat, then make sure everyone in the house has quality sleeping bags. Every person should have a sleeping bag that keeps them warm down to 32 degrees and another sleeping bag that keeps them warm down to ZERO degrees. Freezing to death is not a good thing. **BE SAFE!**

**Keep Your Immune System Strong. A weak immune system always invites health problems.** Eat healthy non-toxic foods, drink distilled water and take supplements such as; Vit-C, D-3, Quercetin, Turmeric, Selenium, Magnesium, Iodine, B-12 and B Complex, NAC, Zinc and B-17.

Use 7mg nicotine patches. Nicotine is **not** addictive - **another big lie.** **New discovery.** Nicotine actually helps improve many illnesses and can prevent illnesses. Nicotine is found in many nightshade vegetables. Use activated charcoal and a parasite cleanse as detoxing agents. **Make sure to VET vitamin companies.**

**Prepare Emergency Medical Kits.** Keep one in each vehicle and one for the home. You'll be glad you did.

**Thousands of People Choke to Death Each Year.** All ages can choke while eating food. The Heimlich Maneuver has saved hundreds of lives. Plus new devices such as Dechoker and LifeVac have also saved hundreds of lives

with great life-saving results. It is suggested you get a Dechoker or LifeVac ASAP.

**StockPile Certain Medicines** such as: Ivermectin, Hydroxycholen, antibiotics, pain killers, etc. Do not depend on your doctor or pharmacy to be available 24/7.

**Maintain Strong Muscles.** (For mostly adults of all ages) Weight resistance (MWF) Brisk walks (30 to 60 minutes - Tue and Thurs). You do not need to be a gym rat or a fanatical bodybuilder. However, diseases flourish inside the FATTY tissues of the body, the leaner you are the less likely a disease will survive inside your body. You can gain and maintain a strong body (by using only one hour per day). You can do it!

**Create a Document Called a “Living Trust”.** A living trust helps an estate avoid taxes and probate. It can protect assets from creditors and dictate the terms of inheritance for beneficiaries. The point is; make sure the state cannot steal your assets when you say good-bye to everyone.

**Keep Your Phone, FOB (keys) and Electronic Communication Devices in Faraday Bags.** When you're not using your communication devices, such as; phone, laptop, tablet, FOB keys, then it would be wise to store them in a faraday bag. It may protect you from unwanted snoopers and may protect you from an EMP attack from our enemies.

**Rent a Private Mail Box (commercial) - Not a government P.O. Box.** Use this private mail box as a mailing address for all your correspondence. Bank statements, Drivers License, Passport, Insurance and other. Also, packages can be delivered at your private mail box.

The business will safely hold all mail and packages until you retrieve them. **Why use a private mailbox?** It keeps your mail safe from thieves. (Criminals steal mail and packages from the front porches all the time.)

If a thief steals your wallet or purse - then your home address will not appear anywhere inside. Also, if you leave your home for extended days or weeks, your mail will be SAFE. Don't give up your privacy or security. The cost is very minimal. \$15 to \$25 per month!

**Road Service:** Some insurance plans have road service. They are very inexpensive. A road service plan will give you peace of mind when or if you run out of gas, lock keys in the car, Jump start battery, towing or change a flat tire. Road servicemen will usually arrive in less than an hour. A small amount to pay for peace of mind.

**Carry Pepper Spray or Mace weapons or if you wish, a concealed handgun.** Some states do not require a handgun permit. In Texas you can carry a firearm anywhere for protection. You should take firearm training and practice shooting at least a few times a year. This all goes for men and women.

### **Avoid Being Locked Out of Your Vehicle.**

Secret hint. Place an extra key behind your license plate. Use one of the license plate screws to firmly hold your key in place. Again, peace of mind is a great thing.

**Avoid Snatch and Grab.** Women are being robbed at stop lights. While she is trapped in a line of traffic, a thief simply crashes the passenger side window and steals her purse. It's best to simply place the purse in the trunk until the destination is reached. Usually a thief will not quickly steal what he cannot see. It is suggested to use dark tinted windows so articles inside cannot be readily seen.

## **Beware. The Wrong Words Can Land You in Prison.**

All devices are being monitored by surveillance teams. Start using code words when speaking or communicating. Trigger words could cause the FBI to come knocking. Do not trust the FBI.

Be careful with social media - our enemy minions surveil these platforms. Many innocent people have become unnecessarily hassled by corrupt law enforcement. Yes, our freedom of speech is being eroded. **Things have changed, today the wrong words can land you in PRISON.**

**BEAT THE ENEMY.** It is suggested you completely STOP using all social media platforms. Delete your accounts. Smartphones are a spy tool in order to surveil you. Toss your smartphones. You are being spied on! It is suggested to use alternative methods of communication.

Meet your closest friends and relatives in person. (just like the old days) Talk, share knowledge and have a good time. Meet and freely talk inside your homes. If you meet in public - speak above a whisper.

**Don't be a Victim to Burglars and Thieves.** Place a heavy fireproof steel SAFE inside a small storage unit. This could be a good place to store a few firearms, cash, jewelry, keepsakes, precious metals, etc. Naturally, keep this storage unit private. Do not tell anyone. Make sure you're NOT being followed to the unit.

Place a tarp over the safe or hide the heavy fireproof safe behind boxes. When inside - make sure nobody outside can see the safe. Depending on the extent of your wealth - you can use several units around town. It is not uncommon for a man with several million dollars of cash and gold to utilize several units. Most small units are only about \$50 to \$60 per month. It is well worth the peace of mind.

Never store your best valuables where you live. This method is much safer than using banks or inside your house. Utilize a “fictitious” or maybe a trusted relative’s name for the storage unit and pay in cash. (the relative does not need to know.) You just need someone who can vouch for the unit (with ID), if necessary. One more thing....it’s never wise to put all your eggs in one basket.....think about it. BE SAFE!

**Police Etiquette.** If stopped, keep both hands on the steering wheel, so he/she can see your hands. Do not make any sudden moves. Do not answer questions.

Roll down the window about 2” to 3”. If he/she requests DL and proof of insurance - simply slide both documents through the window opening. If he/she asks if they can search your vehicle, say “**No, I do not consent to search. May I leave now?**” If they say “Yes”, then retrieve your documents and leave immediately. You never want a corrupt cop to search your vehicle and “plant” or insert something illegal - then arrest you for it. Be safe!

**Do Not Depend on Our Public Servants to Protect You.** Most crimes happen way BEFORE the police arrive. The criminals have long gone. The police are meant to gather evidence, issue traffic tickets and create intimidation. Most police officers have seldom IF ever drawn their weapon. Traffic violations earn massive revenues for the corporation. Experts say it’s another form of unethical taxation.

**Do Not Give Police Any Reason to Stop You.** Being stopped by police can sometimes ruin your day and cause you legal hassles. Make sure headlights and brake lights work. Obey all traffic laws. Keep your DL, vehicle registration and insurance up to date. **Avoid the police at all costs.**

### **Do Not Open Your Front Door When the Police or FBI is**

**Knocking. It is not illegal to ignore them.** If they want to speak to you, then they will find other ways to communicate. Do not talk to them and do not answer questions. Your presence and words can only harm you. The Police or the FBI are not your friends. Call your attorney for advice on all legal matters.

**Do Not Use Your Phone While Driving.** Thousands of people are critically injured and killed each year by those using phones while driving. Do not use your phone while driving under any circumstance. It is only common sense. Driving without a phone is dangerous enough .... You must devote 100% of your attention to driving your vehicle.

Do not increase the risk of destroying your life or the lives of others. Talking or texting someone can wait until you reach your destination or until you can use your phone safely. Your health and the lives of others is more important than any text message or phone conversation. Right?

**Avoid Crowds.** At least until most or all terrorists and killers are captured. We live in dangerous times. These people are attracted to crowds because people are usually “**sitting ducks**” waiting to be slaughtered. One killer can easily injure and kill 100 or more people in just a few minutes. Crowds are a dangerous place to be. Find other places and ways to entertain yourself. Refuse to be a sitting duck!

**Most Church or Religious Leaders are not to be Trusted.** Most church leaders have been infiltrated by the enemy. Church leaders are NOT beyond blackmail or extortion. Large donations from the enemy could result in “church leaders” guiding the flock to vote or “think” in a certain way.

Follow the money trail. It is said that MANY religious influencers can manipulate their flock for nefarious reasons. Also, a growing “flock” means more DONATIONS! **Suggestion:** Worship our heavenly father in your home with those of like-minds.

**Find (3) Types of Attorneys:** (1) Business/contracts (2)Criminal Defense (3) Civil Litigation. Establish a trusting rapport with each type of attorney. Keep their phone numbers in your wallet. We live with “evil” admiralty law.

Until we all can live as sovereign men and women under “common law”, then if needed, we must hire attorneys to fight our legal battles. **Good, honest quality attorneys are like “bodyguards”.** Arm yourself with quality LEGAL consultants and fighters.

**Boundaries** - It’s not wise to touch most people without their consent. Being fully aware of where your body ends and another body begins will serve you well. Naturally, you will end many hassles by NOT taking something that is not yours. Usually only criminals steal and physically assault others.

**Speak Softly and Slowly.** Do not criticize others in order to harm them. Do not give advice unless asked. Compliment others. Be gracious. Live with integrity and honor. When angry – get silent. If someone physically violates you first, then defend yourself with all you have. Choose your battles wisely.

**Carry a Small Spray Bottle of ACV.** (apple cider vinegar) Use it as a disinfectant. Spray your hands, utensils, wipe down tables, spray down drinking glasses - especially in restaurants. ACV is a natural ingredient that will kill 99% of bacteria surrounding you. You will stay healthier longer.

### **Learn to Grow Your Own Food and Protein Source.**

If a small backyard is all you have available, then use it for survival. It does not take much space for a greenhouse for growing vegetables or to raise chickens, turkeys or rabbits. You can process a small animal in less than 10 minutes each. Chickens produce both eggs and meat. Turkeys have massive amounts of meat. Rabbits are very lean and delicious. All THREE can be a continuous and incredible source of protein and can feed you and family for as long as you wish.

**Your Own Clean Water Source.** Owning a small plot of land (less than an acre) can almost insure a nearly self reliant life. Obtain clean water with a Rainwater collection system with charcoal filtering or drill your own water well. Water can also be delivered.

**Do Not be Ignorant about Self-Defense.** Take self-defense training classes as well as FIREARM training. Learn how to protect you and your family. This goes for men and women.

**Homeschool is Best for Children.** You can control what you want your children to learn - NOT the state. Your children will grow up to be healthy minded adults with healthy self images and potential patriots. Homeschooled children are known to be more educated and they score much higher on all subjects.

### **One Million Children Disappear Each Year in America!**

Naturally, it is not wise to allow your children to leave your sight, especially in stores. Large BOX stores are a haven for pedophiles and kidnappers. Also, it is not wise to ever allow children to play outside or in parks without supervision.

**It only takes a few seconds to snatch a child.** Children are sold for a variety of reasons. Children are being murdered and their organs are harvested for thousands of dollars. Also they are often sold to

pedophiles, who will keep the child captive as a sex-toy for months, then possibly kill the child. Also, adrenalized children's blood is harvested for a very profitable drug called Adrenochrome. **BEWARE!**

**Protect Children From SmartPhones.** Facebook and other platforms are playgrounds for pedophiles and child organ harvesters. Pedophiles are very clever and can easily turn a child against his parents and befriend him or her.

Child abusers will manipulate the child's emotions - meet them, sexually abuse them and possibly murder the child. It is suggested that children under 18 not be allowed to use a smartphone that connects them to Facebook, Instagram and other platforms.

### **Online Protection?**

Use a VPN. It helps to hide your IP address. It can guard against possible online mischief and data thieves.

**Find an Honest and Reliable "Handyman and Mechanic".** Their knowledge can solve many problems. Learn how to fix or perform simple projects on your own. Remember, most items that run with moving parts may wear out and or need to be repaired or replaced. Keeping your vehicle maintained and mobile is extremely important. A mobile friendly handyman and fair and honest auto "mobile" mechanic will provide peace of mind. A phone call away!

**Take Care of Your Health.** A quality life is worth living. Learn about nutrition. Knowledge of nutrition will empower you. Discover natural remedies (some are often hidden). Avoid fluoride, sugar, corn, wheat, oats, barley, high fructose corn syrup, oil in a bottle, white potatoes skins and toxic GMO foods. Our enemy wants us sick, weak or dead. Our enemy's mission is: 50% of Americans to be diabetic by 2030. That is their goal. Remove Sugar from your life ASAP.

**Don't Try to Impress Strangers.** Expensive designer clothes, name brand products, expensive vehicles or a big house are not required. Strangers do not care about you. Most strangers do not even know you EXIST. So, why try to impress strangers?

Your friends and relatives already love and care about you – no need to impress them. Be a good steward of your money. Training your EGO will help you to survive and save money.

**Practice Reciprocation.** Be kind to every person you meet. Do your best to help others, especially if they have helped you. Do not tolerate a bully and never bow down to Tyranny. ***You're not a slave - You're a valuable human being.***

**Do Not Take Orders or Give Orders.** Ask someone to perform a task – do not tell them. Do not take orders. Only tyrants give orders and only slaves take and accept orders.

The Military are the only people who must take orders. They signed up to be slaves for the “bankers”. (but they don't know it.) Most conflicts and wars are created by the CIA/corrupt bankers for monetary gain and to kill people.

**Create a Private Community of Like-Minds.** Several Like-minds will survive easier than one. Trade Ideas – work together. Collect like-minded people with knowledge in a variety of different areas. Everyone can help each other.

**Do Not Comply to Unethical or Immoral Orders or Mandates.** Do not be a sheep! Tyrants often use intimidation to order people to do what they say. Again, **do not comply** with their tyrannical orders if the order is unethical, illegal or will harm you or others.

**Empower yourself by KNOWING your enemy.** There are 'evil' tyrants and criminals surrounding us daily. Evil will usually knock on your door as your friend. Live with your eyes open. Listen to the words of others - do their words describe their actions?

**Do they say one thing, but DO another?** Vet everyone you meet. Do not freely give your trust away.

**Know WHO the DEEP STATE is - who are they?** What are their long term agendas? Not knowing your enemy and their intentions will set you up for failure, sickness and an early death.

**Live a Debt Free Life - Debt is a tool of the enemy.** Debt almost always creates stress. It's best to live life so that you "**owe no man nothing**". This is even biblical.

#### **How to Avoid Relationship Separation or Divorce:**

- 1) Create loving habits. Hug the person each day and tell them they are loved and appreciated.
- 2) Do something every day to make the person smile or make their day more fun. Engage intimately often.
- 3) Never criticize, be gentle and honest with feelings, never give orders, always say good things about him/her to others.
- 4) Always be patient, kind and loyal.

**Bartering Items: America is Crashing.** Nearly all economic professionals will tell you that America is about to collapse. Money (dollars) will soon be worthless. Stores will empty out quickly. We just noticed that some people are renting storage units and filling them up with "**Bartering**" items when the dollar becomes worthless.

Such items as toilet paper, beans/rice, DC batteries, flash lights, ammunition (rifle, shotgun and handgun ammo), V-C, Quercetin, D-3, Zinc, Calcium/Magnesium, and antibiotics, Apple Cider Vinegar,

toothpaste, Hydrogen Peroxide, etc. These are items that people may not think to stock up on and YOU can use these items to “trade or barter” for things you need and want when money is no longer used. Again, preparedness is the key to survival.

**Beware of Psychopaths. Very important.** Psychopaths are real, not just in the movies. Psychologists say up to 5% of the population are psychopaths (sociopaths). Psychopaths have a mental disorder. They lack empathy/sympathy for humans. **Not all psychopaths are criminals.** Many psychopaths are doctors, lawyers, politicians, CEOs of corporations. Most career criminals are psychopaths. In a population of One Million people, there are about 50,000 psychopaths lurking and planning schemes to prey on innocent people.

**DO NOT LIVE IN FEAR** ...but be mindful. Con-artists, Liars, Thieves and Killers are usually psychopaths. Psychopaths are attracted to Power, Money and Sex. They usually have charming personalities. You can bond with a psychopath but he/she will never bond with you.

***“Evil will always knock on YOUR door as a friend!”***

**Keep a Low Profile, but Stay Strong.** Do not say or do anything in public that might trigger our enemy or their minions. Keep your mouth shut concerning controversial subjects. It appears we’re losing our freedom of speech (1st Amendment). Wait until you can freely speak with those of like-minds.

**Always EXPECT people to Disappoint you!** Do not seek perfect people - they do not exist. Millions of people lack courtesy, character, integrity, honesty and reliability. They may have some good characteristics but lack others. There is an old saying - “If you meet and cultivate 1 or 2 quality friends in your entire life, then you’re lucky! **Count your blessings.**

**Want Everything – but never Expect Anything.** Expectations can lead to disappointments. Always count your blessings when life provides you with what you want and need. **Live your life with Gratitude.**

Do not expect good things to happen. Do not expect to always get what you want or need. Not everyone will be “kind” to you – do not expect it. Be grateful when you meet kind people. Be grateful for all you have. **Your days will be happier with more joy.**

**If YOU do not know WHO your Enemy is, then you will NEVER know true freedom.** The Deep State must be removed. Learn WHO and WHAT the DEEP STATE is – then you can plan a strategy for survival. ***There is a secret Deep State membership list. Get it!***

If you can, quietly recruit and educate others concerning the issues found inside this special “REPORT”. We must quickly educate those who will listen. Do not argue or try to convince brainwashed people. It is almost futile. Only recruit those who might be riding the fence or those who are open to knowing more.

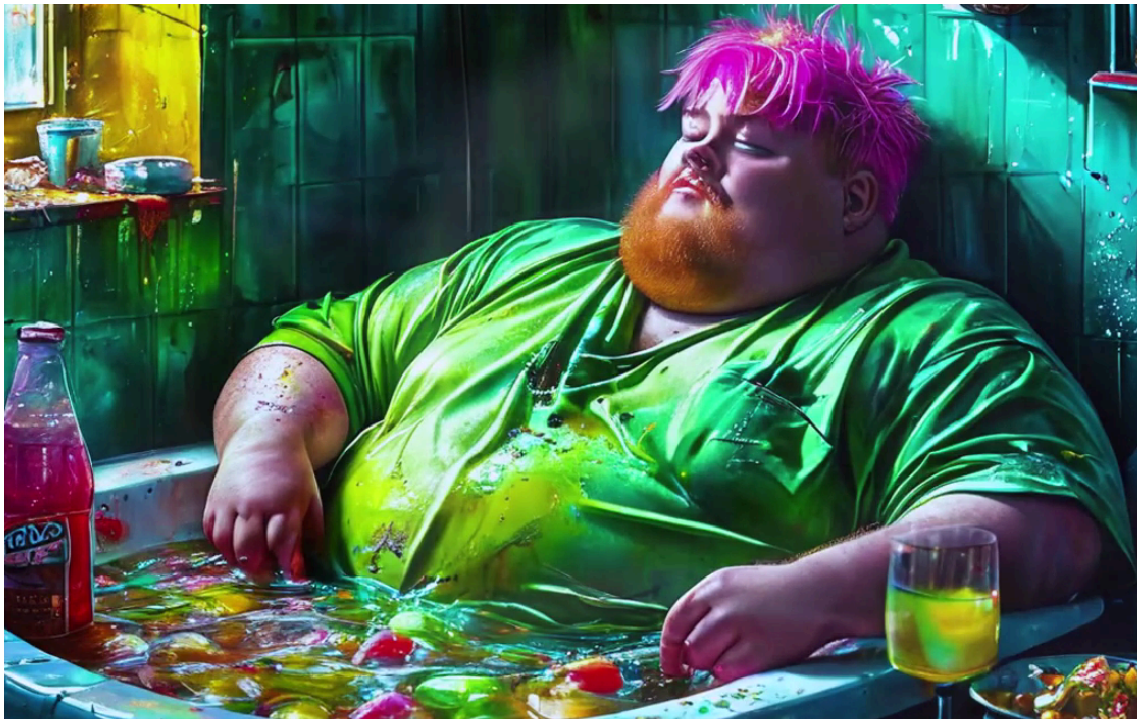

**Read “how-to” books or ebooks.** Remember, the enemy wants you DUMB and ignorant. EBOOKS They will save you hundreds of hours in research time. **Knowledge is Power.**

***“Pray for Knowledge,  
Wisdom and Discernment”***

We must be smart, strong, healthy, silent and patient.  
Pass along this website link [“Empower777.com”](http://Empower777.com) to everyone you know. Let this FREE report do the talking for you.

## **“We Have a Dream . . . A Small Dream . . . But a Dream!”**

Maybe Millions of “Woke Communists”  
Should Have their Own State.

A few conservative friends and associates were all sitting around a large pit group. The fireplace had a big roaring fire and they were feeling good. They were drinking red wine and they started a unique brainstorming session on how America could be great again. They all came up with this suggestion. Keep in mind . . . it is only a dream. 😊

Governor Gavin Newsome is probably a “Woke” Governor. As governor of California he may enjoy this idea.

**Let’s make the entire state of California a “HAVEN” for Wokism, illegal immigrants and those who HATE conservatives.** All of these people can all UNITE in one beautiful state. California has hundreds of miles of incredible sandy beaches, fun beach towns, and amazing hills

and mountains. A perfect location for Wokeism, communists and others.

## **Imagine Hundreds of Commercials Inviting Woke People to Live in California!**

The advertising commercials could be irresistible and Amazing - they would be seen on TV and they would go viral on social media!

Imagine . . . showing the blue ocean waters, the enticing sandy beaches . . . commercial shows 'woke' people dancing. Then show the majestic mountains of 'woke' people snow skiing. Show millions of happy illegal immigrants.

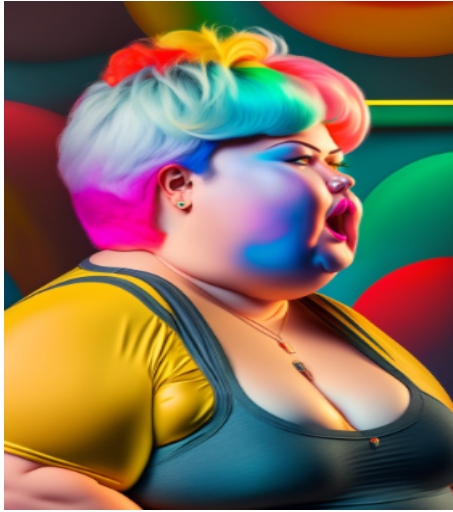

Commercial focuses on all the fun Woke people will have living in California - ALL UNITED. At the end of the commercial . . . **Are you Woke? If so, come live in Beautiful California. We have the best climate in America!**

About 23% of the Z-generation now identify as LBGTQ+. This is clearly MILLIONS of people. About 14 Million LBGTQ adults, nationwide. Millions of woke people already live in California.

**Hollywood** would remain in California - as it is and has always been a homosexual, lesbian & pedophile capital of California.

We believe California can be a great place for homosexuals, lesbians, queers, transgenders and pedophiles to frolic and play. They should all

live in California! Even non-woke LGBTQs are invited to live in California.

California could also be a great safe haven for illegal immigrants to live. **It would be a great place for those who hate America.** They can nearly have their own country.

Conservative “haters” come in all races. California can invite “conservative hating people, such as;” blacks, hispanics, Jews and muslims. They can all UNITE!

Woke people are soft on crime. So, all criminals or potential criminals will also be invited to live in beautiful California.

Millions of homeless people can live in tent cities and on the streets. People can be drug addicted or not - they can “**POOP**” in the streets or “Pee” on any bush or tree. A happy place! For several years, San Francisco people have come to enjoy the fragrance of “human poop” in their city!

Abortion clinics and Transgender Reassignment Centers can replace **churches** in the state of California. A woman can murder her unborn child 24/7. And a man can request his penis to be severed and women can request the removal of their breasts. Clinic will be open 24/7 - just like Seven Eleven stores. How convenient, huh?

No need for Police because Woke people hate the police. **Hence; Defund the Police.** Nobody will be arrested, so, there would be NO need for jails or prisons. No need for judges or prosecutors (DAs). Look at the millions of dollars that can be saved for the WOKE people of California!

Naturally, all firearms in California will be removed. Only a few criminals who refused to hand them over will own firearms.

**About 87% of people inside American prisons are Democrats.**

The democrat party is primarily the party of criminals.

These criminals, when released, will have a “safe” place to live - simply head to California and UNITE with millions of like-minded people. Prisons are full of rapists, pedophiles, child sex traffickers, cross dressers, homosexuals, bisexuals, lesbians and more. Many democratic male prisoners engage in what is called **Prison Sex**. California will be the perfect place for these wonderful men to live . . . don't you?

Let's say we **build a BIG beautiful wall.** After all Woke people need to feel safe and protected. The west side of California is beach property and the Atlantic ocean, so, only need to build walls on 3-sides of California. Woke California can easily inhabit MILLIONS upon MILLIONS of Woke people from all walks of life.

Also, millions of illegal immigrants plus American hating muslims, Jews, atheists, Satanists are welcome in California, especially those who hate conservatives will also be invited to live in California. All criminals are invited as well.

Also, there will no longer be any tourism in California, so illegal immigrants can live in all the HUNDREDS of gorgeous hotels located all over California - most are equipped with beautiful landscapes and massive pools! **Live like a millionaire!**

Woke corporations can build their businesses there and employ lots of “Woke” people and just think of all the millions of “Woke” customers!

Communist China can easily ship supplies, food and essentials to California shipping docs and trucks can deliver to locations all over California. Great, huh?

Woke people will save hundreds of hours in “Protesting”. No need for protests anymore! Woke people can attend their own Pride Parades plus laugh and giggle at the **FAT Drag Queens!** Oh, how fun!

**ONE CATCH.** Each person before passing through the Guarded Entrance Gates into the State of California must be registered with a Tattoo and listed in a computer data bank. The tattoo will have their Initials, birthdate and date of registration. The tattoo will be placed either on their forehead or their right wrist. Example: W-KLM-4920-9325 It will be the mark of the WOKE.

Once the registered Woke person enters the state of California, then he or she cannot leave. However, they can live and roam anywhere inside the big beautiful “Woke” state of California.

They will be happy, safe and be UNITED with all of their Woke peers, illegal immigrants, pedophiles, rapists, drug addicted homeless and those who hate conservatives!

Guests or visitors will not be allowed inside the state of California - because there will be no police to track them down. Naturally, the guards are in place to protect the WOKE citizens of California.

Last thought . . . the Woke population in California would not last long because most Woke people have no desire to reproduce or procreate. So, in a few short years, once they become old, get sick and die, wokeism would probably vanish.

**The Utopian “Woke” State of California is only a Dream** - however, it may be a good place to start to Make America Great Again. Most Woke people have no desire to live with traditional values or morals.

As you know, Woke people are not about making America Great - so, let's give them CALIFORNIA, so the rest of us can live in peace and get serious about Making America Great!

**Wokeism is a Marxist propaganda tool to help destroy America from the inside.** Wokeism is a Marxist scheme. It is a cancer. Marxist Woke people hate Conservatives and America.
